Rounding Up the Usual Suspects? Peter Gill, 2018-02-06 This title was first published in 2000 Policing is associated more with doing than with thinking so how can policing be intelligent This text attempts to answer questions on police intelligence and discusses whether or not policing can reinvent itself in the Information age By using emerging technological tools is policing changing or is it just using them to control the dangerous classes The development of intelligence led policing seeks to shift organizational practices in order to attain goals more effectively Charting and explaining the progress of this shift is a central aim of this study The author compares the police intelligence structures of the UK with North America especially Canada and New York State The book looks at the contributions made by the Government the police and the criminals to the development of intelligence policing

Mexico Jo Tuckman, 2012-07-03 In 2000 Mexico's long invincible Institutional Revolutionary Party PRI lost the presidential election to Vicente Fox of the National Action Party PAN The ensuing changeover after 71 years of PRI dominance was hailed as the beginning of a new era of hope for Mexico Yet the promises of the PAN victory were not consolidated In this vivid account of Mexico's recent history a journalist with extensive reporting experience investigates the nation's young democracy its shortcomings and achievements and why the PRI is favored to retake the presidency in 2012 Jo Tuckman reports on the murky terrifying world of Mexico's drug wars the counterproductive government strategy and the impact of U.S. policies She describes the reluctance and inability of politicians to seriously tackle rampant corruption environmental degradation pervasive poverty and acute inequality To make matters worse the influence of non-elected interest groups has grown and public trust in almost all institutions including the Catholic church is fading The pressure valve once presented by emigration is also closing Even so there are positive signs the critical media cannot be easily controlled and small but determined citizen groups notch up significant if partial victories for accountability While Mexico faces complex challenges that can often seem insurmountable Tuckman concludes the unflagging vitality and imagination of many in Mexico inspire hope for a better future
