

Mexico Su Gente

**Jesús Guanche, Carmen Corral, Enid
Vian**

Mexico Su Gente:

Mexico in the Time of Cholera Donald Fithian Stevens, 2019-05-15 This captivating study tells Mexico's best untold stories. The book takes the devastating 1833 cholera epidemic as its dramatic center and expands beyond this episode to explore love, lust, lies, and midwives. Parish archives and other sources tell us human stories about the intimate decisions, hopes, aspirations, and religious commitments of Mexican men and women as they made their way through the transition from the Viceroyalty of New Spain to an independent republic. In this volume, Stevens shows how Mexico assumed a new place in Atlantic history as a nation coming to grips with modernization and colonial heritage, helping us to understand the paradox of a country with a reputation for fervent Catholicism that moved so quickly to disestablish the Church. **Los Indios de Mexico** Fernando Benítez, 1990 **Mexico, 1848-1853** Pedro Santoni, Will Fowler, 2018-08-06 Historians have paid scant attention to the five years that span from the conclusion early in 1848 of Mexico's disastrous conflict with the United States to the final return to power in April 1853 of General Antonio López de Santa Anna. This volume presents a more thorough understanding of this pivotal time and the issues and experiences that then affected Mexicans. It sheds light on how elite politics, church-state relations, institutional affairs, and peasant revolts played a crucial role in Mexico's long-term historical development and also explores topics like marriage and everyday life and the public trials and executions staged in the aftermath of the war with the U.S. *Diccionario etnográfico. Tomo I. Los pueblos del Caribe insular y de México - Centroamérica* Jesús Guanche, Carmen Corral, Enid Vian, El Diccionario en dos tomos es el resultado de una profunda investigación sin antecedentes en la región sobre los pueblos originarios de Abya Yala, como los pueblos kuna de Panamá y Colombia, denominan el continente americano, que en su idioma significa tierra de sangre vital, donde viven muchos pueblos que hablan cientos de lenguas y dialectos que han sobrevivido a la conquista, la colonización y la depredación posterior. El primero de los tomos está dedicado a México, Centroamérica y el Caribe insular, y el segundo tomo está dedicado a América del Sur. La obra es un valioso instrumento para conocer las diferentes culturas de esas regiones en muchos casos ignoradas. **Jenkins of Mexico** Andrew Paxman, 2017-04-03 In the city of Puebla there lived an American who made himself into the richest man in Mexico. Driven by a steely desire to prove himself first to his wife's family, then to Mexican elites, William O. Jenkins rose from humble origins in Tennessee to build a business empire in a country energized by industrialization and revolutionary change. In *Jenkins of Mexico*, Andrew Paxman presents the first biography of this larger-than-life personality. When the decade-long Mexican Revolution broke out in 1910, Jenkins preyed on patrician property owners and bought up substantial real estate. He suffered a scare with a firing squad and then a kidnapping by rebels, an episode that almost triggered a U.S. invasion. After the war, he owned textile mills, developed Mexico's most productive sugar plantation, and helped finance the rise of a major political family, the Vilas. During the Golden Age of Mexican cinema in the 1940s and 50s, he lorded over the film industry with his movie theater monopoly and key role in production. By means of Mexico's first major hostile takeover, he

bought the country's second largest bank. Reputed as an exploiter of workers, a puppet master of politicians, and Mexico's wealthiest industrialist, Jenkins was the gringo that Mexicans loved to loathe. After his wife's death, he embraced philanthropy and willed his entire fortune to a foundation named for her, which co-founded two prestigious universities and funded projects to improve the lives of the poor in his adopted country. Using interviews with Jenkins' descendants, family papers, and archives in Puebla, Mexico City, Los Angeles, and Washington, Jenkins of Mexico tells a contradictory tale of entrepreneurship and monopoly, fearless individualism, and cozy deals with power brokers, embrace of US style capitalism, and political anti-Americanism, and Mexico's transformation from semi-feudal society to emerging economic power.

North from Mexico

Carey McWilliams, Matt S. Meier, Alma M. García, 2016-04-25. This single volume book provides students, educators, and politicians with an update to the classic Carey McWilliams work *North From Mexico*. It provides up-to-date information on the Chicano experience and the emergent social dynamics in the United States as a result of Mexican immigration. Carey McWilliams' *North From Mexico*, first published in 1948, is a classic survey of Chicano history. Now fully updated by Alma M. García to cover the period from 1990 to the present, McWilliams's quintessential book explores all aspects of Chicano experiences in the United States, including employment, family, immigration, policy, language issues, and other cultural, political, and social issues. The volume builds on the landmark work and also provides relevant up-to-date content to the 1990 edition, revised by Matt S. Meier, which added coverage of the key period in Chicano history from the postwar period through to the late 1980s. As the largest group of immigrants in the United States, representing more than a quarter of foreign-born individuals in the United States, Mexican immigrants have had and will continue to have a tremendous impact on the culture and society of the United States as a whole. This freshly updated edition of *North from Mexico* addresses the changing demographic trends within Mexican immigrant communities and their implications for the country, analyzes key immigration policies such as the Immigration Act of 1990 and California's Proposition 187, with specific emphasis on the political mobilization that has developed within Mexican American immigrant communities, and describes the development of immigration reform, as well as community organizations and electoral politics. The book contains new chapters that examine recent trends in Mexican immigration to the United States and identify the impact on politics and society of Mexican immigrants and later generations of U.S.-born Mexican Americans. The appendices provide readers and researchers with current immigration figures and information regarding today's socioeconomic conditions for Mexican Americans.

Natural Disasters, Foreign Trade and Agriculture in Mexico Sergio O. Saldaña Zorrilla, PhD, 2015-07-04. This work responds to the increasing global need of measuring and analyzing impacts, vulnerabilities, and coping capacity of countries, regions, and communities regarding climate change, extreme weather conditions, natural disasters, and institutional constraints. The case of Mexico analyzed in this work provides lessons for further developing countries to assess natural disasters vulnerability for making informed adaptation decisions and to optimize resources for reducing country and community vulnerability. This book

s analyses contribute to the current debate of the long term economic impact of natural disasters hurricanes earthquakes etc as well as offer an integral methodology combining natural and social sciences for studies of country and community level vulnerability to climate change The lessons derived from this analysis provide useful elements for the design and improvement of governmental policies concerning social and economic development as well In addition the desegregation of this analysis has the advantage of facilitating the design and evaluation of governmental projects at municipal sub national and national level as well as provides conceptual empirical elements for international cooperation in matters of disaster risk reduction climate change adaptation rural development and poverty reduction

Historia mínima de la vida cotidiana en México Pablo Escalante Gonzalbo, Pilar Gonzalbo Aizpuru, Anne Staples, Engracia Loyo, Cecilia Greaves L., Verónica Zárate Toscano, 2010 Compendiada en pocas páginas esta historia de la vida cotidiana en México habla de todos nosotros los que vivimos hoy los que vivieron ayer y nos muestra aquellos aspectos de nuestro pasado en el que somos protagonistas y del que no nos habíamos hablado antes

Niños de la Calle en México Carolyn Françoise Verville, Ph.D, 2010-06-29 El Libro Existe ya una solución para quitar a los niños de la calle de manera definitiva y radical si el Banco Mundial deja los fraccionamientos de pesos que quedan después de un intercambio de la casa internacional de cambio del Peso mexicano a los mexicanos entonces estas se convierten en nuevos billonarios No hacen falta los dineros No hacen falta los recursos De hecho no hace falta nada Si los niños no pueden irse a la escuela entonces la escuela tiene que irse a ellos Basado en las filosofías de Paulo Freire y Mathew Lipman la Dra Verville nos hace notar que tal vez una justicia en la educación demanda mucho más de la parte de la gente privilegiada que de la parte de la gente oprimida

Mexico City's Olympic Games Axel Elías, 2021-09-25 This book looks at the 1968 Summer Olympic Games as a complex nation building project Sports mega events have been mostly studied as homogenous government led strategies but more work is needed around the diverse reception and performances The preparation period for the Olympics in Mexico and especially the year 1968 highlight the multiplicity of voices behind these exercises Beyond the government and associated networks the citizenry also used this mega event to present an idea of Mexico to the world and thus reshape citizenship and nationhood This study takes a bottom up approach to look at the citizenry's experiences of the 1968 Olympic Games both the shared nationalistic values and the areas of conflict

Mayan Tales from Chiapas, Mexico Robert M. Laughlin, 2014-05-01 The forty two stories presented in this book were told to Robert Laughlin in Tzotzil by Francisca Hernández Hernández an elderly woman known as Doña Pancha the only speaker of Tzotzil left in the village of San Felipe Ecatepec in Chiapas Mexico Laughlin and Doña Pancha's running conversation is the source for the stories which means they are told in much the same way that stories are told in traditional native settings Doña Pancha is bilingual in Tzotzil and Spanish and the stories are presented here in English Tzotzil and Spanish They range from mythological sacred stories to quasi historical legends to historical accounts of life in the twentieth century

The Roots of Conservatism in Mexico Benjamin T. Smith, 2012-11-15 The Roots of Conservatism is the first

attempt to ask why over the past two centuries so many Mexican peasants have opted to ally with conservative groups rather than their radical counterparts Blending socioeconomic history cultural analysis and political narrative Smith s study begins with the late Bourbon period and moves through the early republic the mid nineteenth century Reforma the Porfiriato and the Revolution when the Mixtecs rejected Zapatista offers of land distribution ending with the armed religious uprising known as the last Cristiada a desperate Cold War bid to rid the region of impious communist governance In recounting this long tradition of regional conservatism Smith emphasizes the influence of religious belief church ritual and lay clerical relations both on social relations and on political affiliation He posits that many Mexican peasants embraced provincial conservatism a variant of elite or metropolitan conservatism which not only comprised ideas on property hierarchy and the state but also the overwhelming import of the church to maintaining this system

History of the Conquest of Mexico William Hickling Prescott,1850
 William Hickling Prescott,2021-10-28 Reprint of the original first published in 1867
Essays in Population History: Mexico and the Caribbean Sherburne Friend Cook,Woodrow Wilson Borah,1971-01-01
Patriotism, Politics, and Popular Liberalism in Nineteenth-Century Mexico Guy P. C. Thomson,David G. LaFrance,2001-09 This detailed local study of state formation in nineteenth century Mexico focuses on the life of Juan Francisco Lucas the principal Indian leader of the Puebla Sierra between 1854 and 1917 The book illustrates how over seventy years the Indian communities of the Puebla Sierra through the leadership of Lucas compelled their political leaders to execute the mandates of the liberal state on terms that were locally acceptable The text also provides a detailed look at the patriotism politics and popular liberalism which flourished during this period in Mexican history This is the first in depth study to examine the great nineteenth century divisions between liberals and conservatives and radical and moderate liberals over an extended time period and in a rural multi ethnic setting The text also explores how these divisions reemerged during the Mexican Revolution The volume shows the rise of Mexican nationalism and what rights and responsibilities it extended to individual Mexicans and independent communities Through close attention to the political and human geography of the Puebla Sierra Professor Thomson observes the continuities between the Sierra s colonial past and the present and the interactions between key political individuals and a complex physical environment

The Tlatelolco Massacre, Mexico 1968, and the Emotional Triangle of Anger, Grief and Shame Victoria Carpenter,2018-08-06 In depth understanding of the way the state and the populace told the story of the Tlatelolco massacre Close reading of media coverage of the massacre Close reading of the testimonial and academic texts about the massacre Close reading of literary works about the massacre

Myths and Gods of Ancient Mexico Vincent P. Rascón,1975
History of the Conquest of Mexico with a Preliminary View of the Ancient Mexican Civilization End the Life of the Conqueror Hernando Cortes William Hickling Prescott,1844
