Meyerhold On Theatre:

Meyerhold on Theatre Edward Braun, 2016-01-28 Meyerhold on Theatre brings together in one volume Vsevolod Meyerhold's most significant writings and utterances and covers his entire career as a director from 1902 to 1939. It contains a comprehensive selection from all published material unabridged and translated from the original Russian, updated and supplemented with a critical commentary relating Meyerhold to his period and eye witness accounts describing all his productions. The book is illustrated with photographs of Meyerhold's designs and productions. Within this diverse collection of sometimes dense, sometimes lyrical and always fascinating writings, Meyerhold emerges from this book as a forerunner of such directors as Brecht, Piscator, Planchon and Brook, a relentless enemy of naturalism and a supreme exponent of total theatre whose influence continues to be felt throughout the theatre of today. This fourth edition features a new introduction by Prof Jonathan Pitches which helps to demystify some of the terminology Meyerhold and his associates used and indicates the fundamental connection between culture and politics represented in his life and art.

This book takes us through Meyerhold's extraordinary life of experiment and discovery, describing his rehearsal techniques and exercises and provides an acute assessment of his continuing influence on contemporary theatre.

Vsevolod Meyerhold Robert Leach, 1989 This book traces the career of the Russian revolutionary theatre director Vsevolod Meyerhold from his early years as a founding member of the Moscow Art Theatre with Stanislavsky and Nemirovich Danchenko through his Symbolist period, his experiments with commedia dell'arte and other popular forms to his demise in the Stalin era. Leach describes in detail Meyerhold's system of theatre, his attitude to the audience, the place of the fore stage, biomechanics and actor training and the importance of the mise en scène. Finally, Leach explores Meyerhold's legacy which can be detected in the work of Brecht, Eisenstein, Peter Brook and others.
