prominent victims Rayfield creates a chilling drama of the intersection of political fanaticism personal vulnerability and blind lust for power spanning half a century Though Beria lost his power and his life after Stalin s death in 1953 the fundamental methods of the hangmen maintained their grip into the second half of the twentieth century Indeed Rayfield argues the tradition of terror far from disappearing has emerged with renewed vitality under Vladimir Putin Written with grace passion and a dazzling command of the intricacies of Soviet politics and society Stalin and the Hangmen is a devastating indictment of the individuals and ideology that kept Stalin in power *bd.
