The Maximalist Matt Cooper, 2015-09-11 I am a maximalist I want more of everything Tony O Reilly strode into the twenty first century an Irishman apart Strikingly good looking athletically gifted irresistibly charismatic and phenomenally wealthy he had everything any man could want For many he was a hero the living embodiment of Irish potential for others he was an arrogant and overbearing presence at the heart of power Without doubt he was the most powerful unelected Irishman of the past 50 years His philosophy was simple I am a maximalist I want more

of everything But it was never enough And today O Reilly's empire and the formidable reputation it established lie in tatters In this landmark biography Matt Cooper draws on an abundance of new material including interviews with many of O Reilly's closest family friends associates and rivals to uncover the man behind the myth An Irish epic it documents in unflinching detail and with great subtlety the meteoric rise and slow unravelling of an Irish icon
