**Spanish in Chicago** Kim Potowski, Lourdes Torres, 2023 Spanish in Chicago is the first book length study of Spanish in Chicago where populations originating in both Mexico and Puerto Rico have lived in contact for generations and Latinos now comprise nearly a third of the population Identifying Chicago as a rich site for examining language and dialect contact at both community and family levels Kim Potowski and Lourdes Torres describe the spoken Spanish of Chicago analyzing patterns of language change and identity

constructions and establishing their likely causes Drawing on interviews with 124 individuals across three generations of Mexican Puerto Rican and MexiRican Chicagoans Potowski and Torres trace the effects of language and dialect contact through close sociolinguistic analysis of lexicon discourse markers codeswitching the subjunctive and phonology Their analysis uniquely examines these features across three generations of speakers and two different regional origins within the same corpus By including MexiRicans as a category the book not only assesses the dynamics of linguistic convergence dialect leveling accommodation and language loss but also the concept of intrafamilial dialect contact pioneered by Potowski Contextualizing these language changes within the history of Latino communities in Chicago Spanish in Chicago provides a nuanced picture of a minority language in a major US city and a vital contribution to sociolinguistics and Latino studies

**The Handbook of Chicana/o Psychology and Mental Health** Roberto J. Velasquez, Leticia M. Arellano, Brian W. McNeill, 2004-09-10 Mexican Americans now constitute two thirds of what has become the largest and fastest growing minority group in the United States Hispanics They have distinct cultural patterns and values that those who seek to serve them competently as clinicians and educators and those who attempt to study them need to understand This is the first comprehensive overview of the psychology of the Chicana o experience since 1984 Solidly grounded in the latest theory and research much of which is relevant to other Latina o groups as well The Handbook of Chicana o Psychology and Mental Health is an indispensable source of up to date information and guidance for mental health and education professionals their trainees and students and for social and behavioral scientists interested in the impact of cultural differences in multicultural settings

**Latino/a Children's and Young Adult Writers on the Art of Storytelling** Frederick Luis Aldama, 2018-10-26 Children s and young adult literature has become an essential medium for identity formation in contemporary Latino a culture in the United States This book is an original collection of more than thirty interviews led by Frederick Luis Aldama with Latino a authors working in the genre The conversations revolve around the conveyance of young Latino a experience and what that means for the authors as they overcome societal obstacles and aesthetic complexity The authors also speak extensively about their experiences within the publishing industry and with their audiences As such Aldama s collection presents an open forum to contemporary Latino a writers working in a vital literary category and sheds new light on the myriad formats distinctive nature and cultural impact it offers

**Celebrating Cuentos** Jamie Campbell Naidoo, 2010-11-18 More effectively meet the diverse literacy needs of the growing Latino population by learning how to evaluate and select quality Latino children s literature Latinos are the fastest growing and largest ethnic minority in the United States The number of Latino children is at a historic high As a result librarians and teachers in the United States must know how to meet the informational cultural and traditional literacy needs of this student demographic group An ideal way to overcome this challenge is by providing culturally accurate and authentic children s literature that represents the diversity of the Latino cultures Much more than simply a topical bibliography this book details both historical and current practices in

educating Latino children explains why having quality Latino children's literature in classrooms and libraries is necessary for the ethnic identity development of Latino children and offers a historical overview of Latino children's literature in America. Web resources of interest to educators working with Latino children are also included.

**Latina Magazine**, 2005. [I Am My Own Path](#) Vanessa Pérez-Rosario, 2025-10-14. A definitive bilingual selection of poetry, essays, and letters by one of Puerto Rico's most beloved poets, Julia de Burgos (1914-1953), is best known for her poetry but she is also an important cultural figure famous for her commitment to social justice, feminist ideas, and the independence of Puerto Rico. Admirers cultivated her legacy to bring to light the real Julia de Burgos, the woman behind the public figure, which this remarkable collection further illuminates by supplying a complex portrait using her own powerful and imaginative words. Beginning with a critical introduction to Burgos's life and work, Vanessa Pérez-Rosario then presents a selection of poems, essays, and letters that offer a glimpse into this formidable talent and intellect. Burgos left Puerto Rico, spending the 1940s in both New York City and Havana, where she cultivated a new kind of identity refracted through her pathbreaking work as a poet and journalist. Both poetry and prose are alive with politically charged insights into the struggle of national liberation, literary creation, and being a woman in a patriarchal society. [I Am My Own Path](#) is essential reading for anyone interested in Puerto Rican literature and culture, as well as a foundational text of Latinx literature and culture in the United States.

[The Development of a Gay Latino Identity](#) Bernardo García, 1997.

**Speaking from the Body** Angie Chabram-Dernersesian, Adela de la Torre, 2008-11-20. In compelling first-person accounts, Latinas speak freely about dealing with serious health episodes as patients, family caregivers, or friends. They show how the complex interweaving of gender, class, and race impacts the health status of Latinas and how family spirituality and culture affect the experience of illness. Here are stories of Latinas living with conditions common to many: hypertension, breast cancer, obesity, diabetes, depression, osteoarthritis, rheumatoid arthritis, dementia, Parkinson's, lupus, and hyperhypothyroidism. By bringing these narratives out from the shadows of private lives, they demonstrate how such ailments form part of the larger whole of Latina lives that encompasses family, community, the medical profession, and society. They show how personal identity and community intersect to affect the interpretation of illness, compliance with treatment, and the utilization of allopathic medicine, alternative therapies, and traditional healing practices. The book also includes a retrospective analysis of the narratives and a discussion of Latina health issues and policy recommendations. These Latina cultural narratives illustrate important aspects of the social contexts and real-world family relationships crucial to understanding illness. *Speaking from the Body* is a trailblazing collection of personal testimonies that integrates professional and personal perspectives and shows that our understanding of health remains incomplete if Latina cultural narratives are

not included      *Familia Latina* ,1984      **Deconstructing Dads** Laura Tropp,Janice Kelly,2015-12-24 In the twenty first century fatherhood is shifting from simply being a sidekick in the parental team to taking center stage with new expectations of involvement and caretaking The social expectations of fathers start even before the children are born Mr Mom is now displaced with fathers who don t think of themselves as babysitting their own children but as central decision makers along with mothers as parents Deconstructing Dads Changing Images of Fathers in Popular Culture is an interdisciplinary edited collection of essays authored by prominent scholars in the fields of media sociology and cultural studies who address how media represent the image of the father in popular culture This collection explores the history of representation of fathers like the bumbling dad to question and challenge how far popular culture has come in its representation of paternal figures Each chapter of this book focuses on a different aspect of media including how advertising creates expectations of play and father crime shows and the new hero father and men as paternal figures in horror films The book also explores changing definitions of fatherhood by looking at such subjects as how the media represents sperm donation as complicating the definition of father and how specific groups have been represented as fathers including gay men as dads and Latino fathers in film This collection examines the media s depiction of the good father to study how it both challenges and reshapes the ways in which we think of family masculinity and gender roles      The Secret Story of Sonia Rodriguez Alan Lawrence Sitomer,2018-12-04 Sonia Rodriguez was born in the United States but her parents are Mexican immigrants who came to California before she was born Her father has three Social Security numbers her mother is pregnant again and neither of them speaks English Sonia s mother spends most of her time in bed watching soap operas and letting Sonia clean up after her brothers Sonia s father works dutifully to support his family but he knows that his daughter s dreams are bigger than making tamales for family get togethers When Sonia attempts to put school work before her familia her mother decides that it s time for Sonia to visit her grandmother in Mexico to learn the ways of the old world While in Mexico Sonia gets to know her wise grandmother and her cousin Maria who teach her that while familia is important the most important thing is to follow your heart Sonia returns to the States determined to succeed in school but the birth of her new twin siblings inappropriate advances from her drunk uncle Drunkle and a forbidden relationship with an El Salvadorian boy push school to the back burner If only Sonia can find the time to cook dinner secretly meet with her boyfriend avoid her Drunkle AND finish her homework she just might be able to graduate from high school      **School Library Journal** ,2005
