Miami War Zone:

Miami War Zone Jack Buchanan, Dwight H. Small, 1988 Ex Vietnam vet Jack Wofford went missing fighting drug dealing scum in Miami Now M I A hunter Mark Stone is ready to take on every pusher and kingpin in the city to find the man who saved his life in Nam No one not crooked cops dealers or mobsters no one is safe from his avenging fury **Number 23 and Me** Wayne Pounds, 2020-04-23 This is not just a sports story This is not just a political story nor is this just a pop culture story This is a story about a script written in 1984 about a star baller who cares deeply about his community has no father in the home with the last name James who skipped college and went straight to the pros just like LeBron James I believe and will testify to all facts herein I believe that this is a prophetic message to our nation sent 35 years ago from God for today Lace up your Nike s as we take a 35 year journey starting in 1984 the greatest year in NBA off court history Michael Jordan was drafted LeBron was born in Akron Ohio and a Stern new commissioner named David stepped up to the plate The story timelines MJ s career LeBron s life and the NBA quilted together with pop culture politics and the life of the young Scribe writer who copyrighted the script when he was 23 years old We end the timeline in 2018 We then shoot forward 23 years with a bold prediction of America s future around the season 2040 2041 and now We Are All Witnesses **Setting All the Captives Free** Ian K. Steele, 2013-11-01 Among the many upheavals in North America caused by the French and Indian War was a commonplace practice that affected the lives of thousands of men women and children being taken captive by rival forces Most previous studies of captivity in early America are content to generalize from a small selection of sources often centuries apart In Setting All the Captives Free Ian Steele presents from a mountain of data the differences rather than generalities as well as how these differences show the variety of circumstances that affected captives experiences The product of a herculean effort to identify and analyze the captives taken on the Allegheny frontier during the era of the French and Indian War Setting All the Captives Free is the most complete study of this topic Steele explores genuine doctored and fictitious accounts in an innovative challenge to many prevailing assumptions and arguments revealing that Indians demonstrated humanity and compassion by continuing to take numerous captives when their opponents took none by adopting and converting captives into kin during the war and by returning captives even though doing so was a humiliating act that betrayed their societies values A fascinating and comprehensive work by an acclaimed scholar Setting All the Captives Free takes the study of the French and Indian War in America to an exciting new level **City of Hope, City of Rage** Seth A. Weitz, 2024 In City of Hope City of Rage Miami 1968 1994 Seth A Weitz examines the transformative period when the young city founded under Jim Crow in 1896 and searching for an identity after the upheavals of the 1950s and 60s began to strive for maturity Tracing three turbulent decades marked by mass immigration racially motivated uprisings economic inequity rising crime and social change City of Hope City of Rage tells the story of Miami s evolution from a predominantly white southern city and vacation community into what is now a global predominantly Hispanic metropolis with

an international tourist base one which nevertheless remains one of the most segregated cities in the United States Drawing on numerous primary sources including one on one interviews with people who lived the history Weitz assembles a kaleidoscopic portrait of his hometown s coming of age returning again and again to the question of how Miami is defined who gets to define it and by extension the parameters of civic identity and belonging in an increasingly cosmopolitan network of communities

Nights on Fire Gary Clifton,2019-11-24 In the mid 1980s Koback a hard drinking ATF agent constantly in the doghouse of hostile incompetent management and an indifferent bureaucracy is assigned a dead end arson homicide wherein a young female victim is tied to a bed and burned alive What appears to be another venture into frustration quickly becomes a sordid violent trail of sin and degeneracy which wends its way though the Dallas underbelly of crime In the end he stumbles into a conclusion so bizarre and twisted that even his cynical mind cannot fully understand This is a recently revised version of Burn Sugar Burn originally published by PaperJacks in 1988

Dogfight over Tokyo John Wukovits,2019-08-27 From an expert in the Pacific theater of World War II comes the tragic story of the pilots who fought the last fight of the war during the first hour of peace When Billy Hobbs and his fellow Hellcat aviators from Air Group 88 lifted off from the venerable Navy carrier USS Yorktown early on the morning of August 15 1945 they had no idea they were about to carry out the final air mission of World War II Two hours later Yorktown received word from Admiral Nimitz that the war

had ended and that all offensive operations should cease As they were turning back twenty Japanese planes suddenly dove from the sky above them and began a ferocious attack Four American pilots never returned men who had lifted off from the carrier in wartime but were shot down during peacetime Drawing on participant letters diaries and interviews newspaper and radio accounts and previously untapped archival records historian and prolific author of acclaimed Pacific theater books including *Tin Can Titans* and *Hell from the Heavens* John Wukovits tells the story of Air Group 88 s pilots and crew through their eyes *Dogfight over Tokyo* is written in the same riveting edge of your seat style that has made Wukovits s previous books so successful This is a stirring one of a kind tale of naval encounters and the last dogfight of the war a story that is both inspirational and tragic

The Kennedy Brothers Richard D. Mahoney, 2011-05-01 Eight years apart in age John F and Robert F Kennedy were wildly different in temperament and sensibility Jack was the leader charismatic ironic capable of extraordinary growth and reach yet also reckless Bobby was the fearless hardworking Boy Scout unafraid of dirty work and ruthless about protecting his brother and destroying their enemies Jack it was said was the first Irish Brahman Bobby the last Irish Puritan As Richard D Mahoney demonstrates with brilliant clarity in this impeccably documented magisterial book the Kennedys lived their days of power in dangerous trackless territory Mahoney gives us the Kennedy days and years as we have never before seen them Here are Jack and Bobby in all their hubris and humanity youthfulness and fatalism Here also is American history as it unfolds With a new foreword by David Talbot *The Kennedy Brothers* is a masterful account of two men whose legacy continues to hold the American imagination

Engineer Update, 1991 *Miami War Zone* Stephen Mertz, 2012 Cocaine Kill Squad Ex Vietnam vet Jack Wofford was fighting a new kind of war The battlefield was Miami The army was the D E A And the enemy was the lowest form of drug dealing scum ever to profit from human suffering Now Jack Wofford is missing And M I A hunter Mark Stone is mad as hell Wofford saved his life back in Nam and Stone is ready to take on every damn pusher and kingpin in the city to find him Crooked cops dealers mobsters no one is safe from the savage avenging fury of

Sons & Brothers Richard D. Mahoney, 1999 This intriguing book brings a fresh perspective to bear on the intimate charged partnership of John and Robert Kennedy The author Richard D Mahoney whose father was a friend of Bobby s and an appointee of Jack s has both the academic and political experience necessary to evaluate evidence of the Kennedys relations with the Mafia anti Castro rebels and other groups lurking in the shadows of American life He also has a sharp eye for the brothers differing yet complementary personalities Jack was intellectual and cheerfully cynical with a zest for pleasure increased by a life threatening illness concealed from the public He looked to passionate partisan Bobby for bulldog like political support and used his brother as a moral compass when planning his administration s actions on civil rights the corruption of organized labor and the containment of Communism Their powerful father Joseph whose deep pockets basically bought Jack the presidency and at the same time compromised it because of Joseph s links to organized crime looms over the brothers as the author of a Faustian bargain that may well have played a role in JFK s assassination

Mahoney's vivid compulsively readable text offers suggestive questions rather than definitive answers but it certainly succeeds as a bracing corrective to America's inability to see its history as tragedy a failure Jack and Bobby emphatically did not share Wendy Smith *Bramble, Infant Martian* Donald L. Education of a Street Cop John Henson,2010-11 Veteran street cops are often viewed as distant strange individuals who exhibit crude and crusty demeanor s Few people get close to them and their loved ones are often left wondering how they contributed to such an insufferable personality Most often these character flaws are attributed to constant exposure to the worst conditions society offers JJ Henson s story offers other explanations for the personality traits of the veteran cop The story follows the evolution in the mind of a naive rookie police officer over a four year period Our officer remains unidentified throughout the story because he is a generic white man and fits the mold of many police officers who are now retiring after thirty or so years in the field The four years in the story from the late seventies to early eighties signified significant changes in the role of law enforcement officers in society This was a time when police officers were required to make a significant paradigm shift from peace keepers to agents of social change
