be painful Thank God for the Oprah Winfrey show As usual her show revealed way more than she intended *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1929 **Drama**, 1927 *Gut Check* Rich Tandler, 2004-02-28 It was a bolt out of the blue The Redskins were looking for a coach to replace the disappointing Steve Spurrier It appeared that the choice was going to come down to one of three coaches all of whom had been fired at least once Then late in the evening on Tuesday January 6 reports started to circulate that there was a new name in the mix a magical name Joe Gibbs Internet boards buzzed and phones rang late into the very early hours of the next morning There was utter disbelief at first Gibbs turned down countless attempts to lure him back into coaching Besides that it s just way too good to be true Then there was a scramble for more information What s ESPN saying Does the Post have anything new After sunrise as many bleary eyed fans made their way to work the various news services started confirming the story As much as everyone wanted to believe it there were still doubts still fears that the deal would collapse at the last minute Then early in the afternoon came a statement from Gibbs saying that he was returning to coach the Washington Redskins Yes Virginia and DC and Maryland and everywhere else on the planet where Redskins fans reside there is a Santa Claus There wasn t a buzz about the developments around town there was a roar The local media went to an all Joe Gibbs all the time mode People were walking the area just smiling for no apparent reason At his introductory press conference he was treated like royalty It was Hail to the Redskins Hail to Joe Gibbs In the days that followed Gibbs continued to be the topic of conversation One thing that many wanted to know was What were things like the first time around In the 11 years that had passed since he suddenly resigned as the Redskins coach many new fans had begun to follow the team Others had only dim memories of the glory days from 1981 through 1992 having lived in other areas of the country at the time there was no Internet to allow them to follow the day to day developments no satellite dishes to watch more than a handful of games a season Still others were too young during all or part of Gibbs Era I to remember much of it There are many fine books out there in which one could find out a lot about those Redskins teams One is my book the Redskins From A to Z Volume 1 The Games which has accounts of every game the team played from 1937 through 2001 including of course the Gibbs years But like most Redskins history books there is a lot of information about the team before 1981 and more than a decade s worth of games and events since recounted There was nothing on the market that was one stop shopping for everything you wanted to know about the Joe Gibbs Redskins no easy way to either get up to speed on or refresh your memory about the golden era of Redskins football Instead of looking around for a resource for those starved for Gibbs information I decided to create one So was born *Gut Check The Complete History of Coach Joe Gibbs Washington Redskins* Starting with the game accounts annual statistical leader tables and annual player rosters that I had created for *The Redskins From A to Z* I went about adding elements that would give the reader a solid notion of what those Redskins teams were about what kind of character those layers had and what made Joe Gibbs tick I had already been working on

compiling information on every player in Redskins history for my second book which will now end up being my third Here you get the profiles of every player who appeared in at least one game for the Redskins under Joe Gibbs The basic information was obtained from Total Football a giant reference book that s packed with excellent data Details in the player profiles came from a variety of sources including some of the excellent Redskins history books mentioned above
