Miami Now Immigration Ethnicity And Social Change:

Miami Now! Guillermo J. Grenier, Alex Stepick, 1992 In January 1992 articles in the National Geographic Esquire and New York magazines converged on a single theme The topic was not the country's economic troubles or the political battles of an election year but the remarkable events taking place in an American city The city is not one of the nation's largest or one of the most centrally located For many years its familiar profile was that of a semitropical playground with southern style race relations But in the last quarter of a century Miami has been transformed in ways never before experienced by an American city and journalists and literati elsewhere have taken note **Strangers at the Gates** Roger Waldinger, 2001-10-10

Immigration is remaking the United States In New York Los Angeles Miami San Francisco and Chicago the multiethnic society of tomorrow is already in place Yet today's urban centers appear unlikely to provide newcomers with the same opportunities their predecessors found at the turn of the last century Using the latest sources of information this hard hitting volume of original essays looks at the nexus between urban realities and immigrant destinies in these American cities *Strangers at the Gates* tells the real story of immigrants prospects for success today and delineates the conditions that will hinder or aid the newest Americans in their quest to get ahead This book stresses the crucial importance of understanding that immigration today is fundamentally urban and the equally important fact that immigrants are now flocking to places where low skilled workers regardless of ethnic background are in particular trouble These two themes are at the heart of this book which also covers a range of provocative topics often with surprising findings Among the essayists Nelson Lim enters the controversy over whether and how immigrants affect the employment prospects for African Americans Mark Ellis investigates whether low immigrant wages depress other workers salaries William A V Clark contends that immigrants seem to be experiencing downward mobility and Min Zhou asserts that trends among second generation immigrants are decidedly more optimistic These well integrated and well organized essays sit squarely at the intersection of sociology and economics and along the way they point out both the strengths and the weaknesses of these two disciplines in understanding immigration Providing a theoretically and empirically comprehensive overview of the economic fate of immigrants in major American cities this book will make a major contribution to debates over immigration and the American future Drug Use and Ethnicity in Early Adolescence William A. Vega, Andres G. Gil, 2006-04-11 This book presents new and important information about adolescent drug use The book is intended for human service professionals teachers researchers and students interested in the issue of early adolescent drug use and its causes and pervasiveness in a multiethnic population Today the field of adolescent drug use research relies on integrative models that permit competing explanations of drug use This approach promotes flexibility in testing hypotheses pertinent to adolescents of very different social and cultural backgrounds or personal characteristics Longitudinal studies including the one presented in these pages have identified many risk and protective factors or processes that are linked to adolescent drug use We review these throughout this book

and present new information from our own research Our point of departure is to extend and elaborate descriptive research and models of adolescent drug research to cover the unique and diverse experiences of adolescents who are Hispanic African American and White non Hispanic

Immigrants Outside Megalopolis Richard C. Jones, 2008-01-01 The booming 1990s saw a new demographic pattern emerging in the United States the shift of immigrants toward smaller towns and metropolitan areas in ethnically homogenous or traditionally bicultural areas These places offer growing specialized economies in need of unskilled or semi skilled and occasionally skilled labor they also offer for some immigrants a favorable physical and social climate Immigrants Outside Megalopolis documents this trend with case studies including Hmong in Wisconsin Iranians in Iowa Mexicans in Kansas and Colorado Vietnamese in coastal Louisiana Mexicans in North Carolina and south Texas Cubans in Arizona Bosnians in upstate New York Asian Indians in north Texas and Ukrainians and Russians in the Willamette Valley of Oregon Truly this process is resulting in a cultural transformation of the U S heartland The implantation of new features on the cultural landscape businesses homes churches schools possessions and the peoples themselves is giving many Americans a world geography lesson at a time when increased world understanding is something the country cannot do without This geography lesson comes at a cost however the difficult process of social adjustment playing out on a daily basis between immigrant and host populations which remains largely unresolved This process is an important focus of Jones s book

A Nation of Peoples Elliott Robert Barkan, 1999-05-30 The debate over America s multiculturalism has been intense for nearly three decades dividing opponents into those insisting on such recognition and those fearing that such a formal acknowledgment will undermine the civic bonds created by a heterogeneous nation Facts have often been the victim in this dispute and few works have successfully attempted to present the broad spectrum of America s ethnic groups in a format that is readable current and authoritative The chapters in this reference book demonstrate that America has been far more than a nation of immigrants it has been a nation of peoples of virtually all races religions and nationalities inclusive of indigenous natives and peoples long present as well as myriad immigrant and refugee groups Not all groups have equally found America to be a land of opportunity and the successes of some groups have come at the expense of others To understand the American experience the reader must not just study the story of immigrants living on the East Coast but also the history of those living in the South Southwest West and even Alaska and Hawaii As a reference book this volume provides thorough coverage of more than two dozen racial ethnic and religious groups in the United States Each chapter is written by an expert contributor and overviews the experiences of one group or a cluster of related groups The chapters are arranged alphabetically and cover groups such as African Americans American Indians Filipinos Hawaiians Mexicans Mormons and Puerto Ricans To the extent possible each chapter discusses the initial arrival of the group in America the adaptation of the first generation of immigrants the economic political and cultural integration of the group and the status of the group in contemporary American society Each chapter closes with a bibliographical essay and the volume

concludes with a review of the most important general works on America's multicultural heritage

Minority Voting in the United States Kyle L. Kreider, Thomas J. Baldino, 2015-12-07 What are the voting behaviors of the various minority groups in the United States and how will they shape the elections of tomorrow This book explores the history of minority voting blocs and their influence on future American elections According to current scholarship the Caucasian population of the United States is expected to be a minority by 2042 As the white majority disappears and politics shift with the changing tide it is important to understand the voting behaviors of the significant minority voting blocs in the United States In this book a variety of voting blocs are examined African Americans women Native Americans Latinos Mexicans Cubans Puerto Ricans South Asians Indians Pakistanis Bangladeshis East Asians Chinese Japanese Koreans Filipinos Pacific Islanders Arab Americans Muslim Americans Jewish Americans and the LGBT community In addition to factual and historical information about the minority voting blocs chapters also explore how Section 5 of the Voting Rights Act of 1965 felon disenfranchisement laws and voter ID laws impact a minority group's voting rights Finally the authors and contributors anticipate which issues are likely to influence each group's voters and affect future elections

News, Neoliberalism, and Miami's Fragmented Urban Space Moses Shumow, Robert E. Gutsche Jr., 2016-11-23 News Neoliberalism and Miami's Fragmented Urban Space examines cultural and social forces responsible for inequalities that have emerged in the rampant development of Miami as a world city This book argues that neoliberal movements rely on the power of journalistic discourses to authorize and legitimize harmful social acts such as gentrification Moses Shumow and Robert E Gutsche Jr provide original analyses of intersections among memory race capitalism and journalistic power particularly at a time of immense political and environmental change The authors examine changes in neighborhoods and in public private developments that are bound to widen an already great divide between classes and races in South Florida

Migration and Restructuring in the United States Kavita Pandit, Suzanne Davies Withers, 1999 This groundbreaking book examines the links between migration and the United States ongoing economic and demographic revolution Utilizing an explicitly geographic perspective the contributors highlight the crucial role played by scale and spatial context in both immigration and internal migration

Ethnic Ironies Rodolfo O. de la Garza, 2018-02-12 Ethnic Ironies describes the role of Latino electorates in national and state level politics during the 1992 elections The book examines Latino politics from the top down looking at the efforts of candidates and campaigns to speak to Latino concerns and to mobilize Latino voters and from the bottom up reviewing the efforts of Latinos to win electoral office and to influence electoral outcomes Chronicling the campaigns and uncovering patterns of Latino influence the core of the book consists of eight state level analyses by experts who have observed firsthand the states with the most sizable Latino electorates An overview chapter synthesizes and integrates the findings of these case studies placing them in national perspective Ethnic Ironies is the third in a series of studies on Latino electoral behavior published by Westview Press including From Rhetoric to Reality Latino Politics in the

1988 Elections and Barrio Ballots Latino Politics in the 1990 Elections This latest study also serves as a companion volume to Latino Voices Mexican Puerto Rican and Cuban Perspectives on American Politics and New Americans by Choice Political Perspectives of Latino Immigrants

No Justice in the Shadows Alina Das, 2020-04-14 This provocative account of our immigration system's long racist history reveals how it has become the brutal machine that upends the lives of millions of immigrants today Each year in the United States hundreds of thousands of people are arrested imprisoned and deported trapped in what leading immigrant rights activist and lawyer Alina Das calls the deportation machine The bulk of the arrests target people who have a criminal record so called criminal aliens the majority of whose offenses are immigration drug or traffic related These individuals are uprooted and banished from their homes their families and their communities Through the stories of those caught in the system Das traces the ugly history of immigration policy to explain how the U S constructed the idea of the criminal alien effectively dividing immigrants into the categories good and bad deserving and undeserving As Das argues we need to confront the cruelty of the machine so that we can build an inclusive immigration policy premised on human dignity and break the cycle once and for all

The American South in a Global World James L. Peacock, Harry L. Watson, Carrie R. Matthews, 2006-03-13 Looking beyond broad theories of globalization this volume examines the specific effects of globalizing forces on the southern United States Eighteen essays approach globalization from a variety of perspectives addressing such topics as relations between global and local communities immigration particularly of Latinos and Asians local industry in a time of globalization power and confrontation between rural and urban worlds race ethnicity and organizing for social justice and the assimilation of foreign born professionals From portraits of the political and economic positions of Latinos in Miami and Houston to the effects of mountaintop removal on West Virginia communities these snapshots of globalization across a broad southern ground help redirect the study of the South in response to how the South itself is being reshaped by globalization in the twenty first century Contributors Catherine Brooks Morristown New Jersey David H Cissel University of Memphis Thaddeus Countway Guldbrandsen University of New Hampshire Carla Jones University of Colorado Boulder Sawa Kurotani University of Redlands Redlands Cal Paul A Levengood Virginia Historical Society Carrie R Matthews University of North Carolina at Chapel Hill Bryan McNeil University of North Carolina at Chapel Hill Marcela Mendoza University of Memphis Donald M Nonini University of Toronto James L Peacock University of North Carolina at Chapel Hill Barbara Ellen Smith University of Memphis Jennie M Smith Berry College Mount Berry Ga Sandy Smith Nonini University of Toronto Ellen Griffith Spears Emory University Gregory Stephens University of West Indies Mona Steve Striffler University of Arkansas Ajantha Subramanian Harvard University Meenu Tewari University of North Carolina at Chapel Hill Lucila Vargas University of North Carolina at Chapel Hill Harry L Watson University of North Carolina at Chapel Hill Rachel A Willis University of North Carolina at Chapel Hill

Ethnic Interest Groups in US Foreign Policy-Making H. Rytz, 2013-10-09 This book comprises the first systematic study on the impact of ethnic interest groups on

US foreign policy using the case study of how the Cuban American National Foundation CANF influenced the outcome of three different legislative debates that directly affected US Cuba policy The Last Mile in Ending Extreme Poverty Laurence Chandy, Hiroshi Kato, Homi Kharas, 2015-07-20 Viewed from a global scale steady progress has been made in reducing extreme poverty defined by the 1.25 a day poverty line over the past three decades This success has sparked renewed enthusiasm about the possibility of eradicating extreme poverty within a generation However progress is expected to become more difficult and slower over time This book will examine three central changes that need to be overcome in traveling the last mile breaking cycles of conflict supporting inclusive growth and managing shocks and risks By uncovering new evidence and identifying new ideas and solutions for spurring peace jobs and resilience in poor countries The Last Mile in Ending Extreme Poverty will outline an agenda to inform poverty reduction strategies for governments donors charities and foundations around the world Contents Part I Peace Breaking the Cycle of Conflict External finance for state and peace building Marcus Manuel and Alistair McKechnie Overseas Development Institute Reforming international cooperation to improve the sustainability of peace Bruce Jones Brookings and New York University Bridging state and local communities through livelihood improvements Ryutaro Murotani JICA and Yoichi Mine JICA RI and Doshisha University Postconflict trajectories and the potential for poverty reduction Gary Milante SIPRI Part II Jobs Supporting Inclusive Growth Structural change and Africa's poverty puzzle John Page Brookings Public goods for private jobs lessons from the Pacific Shane Evans Michael Carnahan and Alice Steele Department of Foreign Affairs and Trade Government of Australia Strategies for inclusive development in agrarian Sub Saharan countries Akio Hosono JICA RI The role of agriculture in poverty reduction John McArthur Brookings UN Foundation and Fung Global Institute *American Studies in a Moment of Danger* George Lipsitz, 2001 The America that seems to be disappearing before our very eyes is George Lipsitz argues actually the cumulative creation of yesterday's struggles over identity culture and power At a critical moment this book offers a richly textured historical perspective on where our notions of national knowledge have come from and where they may lead Showing how American studies has been shaped by the social movements of the 1930s 1960s and 1980s Lipsitz identifies the ways in which the globalization of commerce and culture are producing radically new understandings of politics performance consumption knowledge and nostalgia Book jacket The American South in the Twentieth Century Craig S. Pascoe, Karen Trahan Leathem, Andy Ambrose, 2005 In the South today the sight of a Latina in a NASCAR T shirt behind the register at an Asian grocery would hardly draw a second glance That scenario and our likely reaction to it surely signals something important but what Here some of the region's most respected and readable observers look across the past century to help us take stock of where the South is now and where it may be headed Reflecting the writers deep interests in southern history politics literature religion and other matters the essays engage in new ways some timeless concerns about the region How has the South changed or not changed Has the South as a distinct region disappeared or has it absorbed the many forces of

change and still retained its cultural and social distinctiveness Although the essays touch on an engaging diversity of topics including the USDA's crop spraying policies Tom Wolfe's novel *A Man in Full* and collegiate women's soccer they ultimately cluster around a common set of themes These include race segregation and the fall of Jim Crow gender cultural distinctiveness and identity modernization education and urbanization Mindful of the South's reputation for insularity the essays also gauge the impact of federal assistance relocated industries immigration and other outside influences As one contributor writes and as all would acknowledge those who undertake a project like this should bear in mind that they are tracking a target moving constantly but often erratically The rewards of pondering a place as elusive complex and contradictory as the American South are on full display here Reconsidering Israel-Diaspora Relations Eliezer

Ben-Rafael, Judit Bokser Liwerant, Yosef Gorny, 2014-06-19 In this era of globalization Jewish diversity is marked more than ever by transnational expansion of competing movements and local influences on specific conditions One factor that still makes Jewish communities one is the common reference to Israel Today however differentiations and discrepancies in identification and behavior generate plurality and ambiguities about Israel Diaspora relationships Moreover the Judeophobia now rife in Europe and beyond as well as the spread of the Palestinian cause as a civil religion make Israel the world's Jew among nations This weighs heavily on community relations despite Israel's active presence in the diaspora In this context the contributions to this volume focus on Jewish peoplehood religiosity and ethnicity gender and generation Israelophobia and world Jewry and debate the perspectives that are most pertinent to confront the question how far is the Jewish

Commonwealth Klal Yisrael still an important code of Jewry today **The Caribbeanization of Black Politics** Sharon D. Wright Austin, 2018-03-01 Examines the continuing ethnic diversification of black America and its impact on black political empowerment In *The Caribbeanization of Black Politics* Sharon D Wright Austin explores the impact of ethnic diversification of African American communities on the prospects for black political empowerment Focusing on Boston Chicago Miami and New York City cities that for the last several years have experienced an influx of black immigrants she surveyed more than two thousand African Americans Cape Verdeans Haitians and West Indians Although many studies conclude that African American group consciousness causes them to participate in politics at higher rates when socioeconomic status is controlled for Wright Austin analyzes whether this is true for other black groups She assesses the current political incorporation of these groups by looking at data on public officeholders and by examining political coalitions and conflicts among the groups and she also discusses the possible future of black political development in these cities The greatest contribution of this book is its analysis of black ethnics in a diverse geographic space Moving beyond the New York City lens to Boston Chicago and Miami is something that has never been done in political science This book is incredibly important Christina M Greer author of *Black Ethnics Race Immigration and the Pursuit of the American Dream* *Cuba in the Multipolar World Order* Ernesto Domínguez López, Wolfgang Muno, Christian Pfeiffer, 2024-11-21 This book explores Cuba's fascinating political journey on

the global stage diving deeply into its complex political economic and ideological ties with major world powers and offering profound insights into the implications of these relationships Through a comprehensive view of Cuba s changing geopolitical stance the book reveals the nation s significant role in world politics It examines Cuba s pursuit of self determination and the challenges posed by increasing sanctions and evolving global dynamics in a multipolar world While the United States remains a central figure the book also highlights the diverse interests of other international players such as China Russia the European Union and Venezuela in Cuba s political economic and ideological landscape and vice versa By situating Cuba within the broader context of global politics this book not only provides valuable insights into the Caribbean nation but also offers crucial implications for the entire Latin American region and the Global South It presents a multifaceted exploration of Cuba s international relations featuring perspectives from scholars across various geographical and ideological backgrounds including Cuba Germany Scotland Spain the US and Venezuela The book s uniqueness lies in its dedication to accommodating a wide range of political views emphasizing the importance of plurality and the diverse political and ideological contexts from which these perspectives arise Ideal for students of history international relations political science and Latin American studies as well as policymakers and those intrigued by the intricacies of global politics this book offers a comprehensive and indispensable resource

Multicultural America Ronald H. Bayor, 2011-07-22 This encyclopedia contains 50 thorough profiles of the most numerically significant immigrant groups now making their homes in the United States telling the story of our newest immigrants and introducing them to their fellow Americans One of the main reasons the United States has evolved so quickly and radically in the last 100 years is the large number of ethnically diverse immigrants that have become part of its population People from every area of the world have come to America in an effort to realize their dreams of more opportunity and better lives either for themselves or for their children This book provides a fascinating picture of the lives of immigrants from 50 countries who have contributed substantially to the diversity of the United States exploring all aspects of the immigrants lives in the old world as well as the new Each essay explains why these people have come to the United States how they have adjusted to and integrated into American society and what portends for their future Accounts of the experiences of the second generation and the effects of relations between the United States and the sending country round out these unusually rich and demographically detailed portraits

Identity and Transnationalism Kassahun H. Kebede, 2020-06-29 Identity and Transnationalism discusses the identity and transnational experiences of the new second generation African immigrants in the US bringing together the lived experiences of the new African diaspora and exploring how they are shaping and reshaping being and becoming black In the half a century since the passage of the Immigration and Nationality Act of 1965 close to 1.4 million black African immigrants have come to the United States Pew Research Center 2015 Nevertheless in proportion to its growing size the New African Diaspora in the United States particularly the second generation constitutes one of the least studied groups In seeking to redress the dearth of scholarship

on the New African Diaspora in the United States the contributors to this book have documented the lives and experiences of second generation African immigrants Based on fresh data the chapters provide insight into the intersection of immigrant cultures and mainstream expectations as the second generation African immigrants seek to define and redefine being and becoming American Specifically the authors discuss how the second generation Africans contest being boxed into embracing a Black identity that is the product of specific African American histories values and experiences not shared by recent African immigrants The book also examines the second generations connections with their parents ancestral countries and whether and for what reasons they participate in transnational activities Authored and edited by key immigration scholars Identity and Transnationalism represents a ground breaking contribution to the nascent discussion of the New African Diaspora s second generation It will be of great interest to scholars of Cultural Anthropology The New African Diaspora African Studies Sociology and Ethnic studies This book was originally published as a special issue of African and Black Diaspora

Miami Now Immigration Ethnicity And Social Change Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Miami Now Immigration Ethnicity And Social Change PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in

various fields. It is worth noting that while accessing free Miami Now Immigration Ethnicity And Social Change PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Miami Now Immigration Ethnicity And Social Change free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Miami Now Immigration Ethnicity And Social Change Books

What is a Miami Now Immigration Ethnicity And Social Change PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Miami Now Immigration Ethnicity And Social Change PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Miami Now Immigration Ethnicity And Social Change PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Miami Now Immigration Ethnicity And Social Change PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Miami Now Immigration Ethnicity And Social Change PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with

PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
