501 Essential Albums of the '90s Gary Graff, 2024-11-05 501 Essential Albums of 90s is the ultimate curated list detailing dozens of the decade's most influential releases across all genres featuring descriptions of the releases album art and artist imagery **Sects, Love, and Rock & Roll** Joel Heng Hartse, 2010-11-01 If this book moves I hope it moves in the way pop songs do There will be a lot of talk about songs but inasmuch as this is a book about listening to music it's also about how listening to music makes us who we are or at least about how it makes me who I am and so it is an exploration an idiosyncratic and opinionated and particular one of a self shaped by the oddly intersecting forces of the American evangelical Protestant church and the American popular music scene I don't mean for that to sound hoity toity if this were fifteen years ago I would say that this book was about Christian music and I would know exactly what I meant My purpose now is not only to talk about Christian music I am not here to explicate Christian music to explain why it exists and whether it is any good Instead think of what you're about to read as like an iPod playlist a collection of essays and thoughts on listening to music and having faith and how they have made me and a lot of people like me and maybe you Also there will be some jokes about Stryper **When We Were Young** Karen Kingsbury, 2019-07-09 From 1 New York Times bestselling author Karen Kingsbury comes a classic story about second chances featuring the beloved Baxter family and a young father who finds his whole world turned upside down on the eve of his divorce What if you could see into the future and know what will happen tomorrow if you really walk out that door today Pay attention Life is not a dress rehearsal From their first meeting to their stunning engagement and lavish wedding to their happily ever after Noah and Emily Carter seemed meant to be They have a special kind of love and they want the world to know More than a million adoring fans have followed their lives on Instagram since the day Noah publicly proposed to Emily But behind the carefully staged photos and encouraging posts their life is anything but a fairytale and Noah's obsession with social media has ruined everything Distraught Emily reaches out to her friend Kari Baxter Taylor and tells her the truth Noah and Emily have decided to call it quits He is leaving in the morning But when Noah wakes the next day everything is different Emily is gone and the kids are years older Like Scrooge in A Christmas Carol bizarre and strange events continue throughout the night so that Noah is certain he's twenty years older and he is desperate for a second chance Now it would take a miracle to return to yesterday When We Were Young is a rare and beautiful love story that takes place in a single day It's about knowing what tomorrow will bring if you really walk out that door today and the gift of being able to choose differently **The Jesus Music** Marshall Terrill, 2021-10-05 A written and visual complement to the documentary film of the same name The Jesus Music brings the history of a movement to life Featuring Contemporary Christian Music artists across five decades readers will experience the story that has united and changed the lives of people around the world The Jesus Music A Visual Story of Redemption as Told by Those Who Lived It shares that story people creating something they wanted something that never existed before Written by music and film historian
