lame travel is never boring and never lacking in wonderful memorable funny causes c l bre that stay with us for the rest of our lives Whether falling through someone s roof on a horse in Afghanistan whether getting soaked by taunting the fountain gods on a lawn at a castle whether being thrown out of a restaurant in Buenos Aires for dancing on the tops of tables whether chilling your wine in a bidet the funniest travel moments that make you laugh are a welcome counter to those rare horrible travel events that make you cry And it is also these memorable stories that remain with us isn t it after all is said and done in our travels Feel free to laugh out loud with these travel tales of humor presented here in this current issue of Travel Tales Monthly For many people life is all about getting laid lauded or loaded but for many of us it is more about sampling the lives the cultures the oddities the sights the sounds the foods the drinks and the humor of the peoples of other lands For me it is all of the above but it is also about laughter I like to laugh much of the time and probably would ALL the time if I could Laughing abroad is what makes travel especially memorable Of course we remember the times that we cry but we do indeed also remember the times that we laugh Introduction to Travel Tales of Humor Funny Stories Part 1 Travel Tales of Humor Funny Stories is divided into two parts simply because there is so much material Part 1 appears here in the current Travel Tales Monthly issue No 9 Mar 2015 and serves as a general introduction to this subject matter Part 2 The unabridged expanded forthcoming ebook Travel Tales of Humor Funny Stories part of The Travel Psychologist Travel Tales Series is a larger volume and includes both Parts 1 and 2 The travel stories in Part 1 consist mainly of the funniest personal travel tales of Michael Brein me the author The travel stories in Part 2 are largely the funniest stories of world travelers and adventurers whom I ve encountered and interviewed throughout my travels over the last four decades to 125 countries Mostly your travels will typically be exciting and interesting but funny things can and do happen to you at almost any turn along the way The freedom from the typical constraints of home that travel offers us allows us to act and behave in ways that are often atypical and different from how we normally behave at home Thus in travel we can take a few more risks and chances and do a few more silly and funny things that we might not ordinarily do at home With this expanded propensity for more silliness of course comes the opportunity for more funny times more laughs and more great memories For me I ve found that I ve reveled in acting out the Fool or the Clown in my travels very often making people laugh at my own expense It is all in good fun I m not typically like this at home but more so in my travels I hope laughable events happen to you a lot I sincerely hope that the funny travel tales of humor that appear in these pages make you laugh and give you a hint of what lies in store for you in your own travels
