**Myth and the Irish State** John M. Regan, 2013-12-03 When we read a history we believe ourselves to be reading cold hard facts of the events that took place and how they occurred But there is no real truthful way to know the approach our historian has taken with the historical sources This book deals with the uncertainty in writing history in the context of Irish history in particular Regan argues in this book that the notion of elision simply ignoring unhelpful evidence threatens Irish history today Regan believes that some historians have ignored unhelpful facts that perhaps do not further their point or perhaps contradict them altogether Each chapter focuses on a period of Irish history that Regan believes to be inconsistent or incomplete in its facts He asks the controversial questions about the period of history such as why do some historians deny or marginalise the British threat of war and re conquest in 1922 why do so many Irish historians describe Michael Collins as a constitutionalist or a democrat when the evidence argues otherwise Was the Irish Civil War really fought between democrats defending the state against dictators attempting its overthrow Did the new state briefly experience a military dictatorship under Collins in 1922 Thinking historically is not about learning history or accepting the past as it is presented to us it is as Regan argues in his thought provoking work about developing the critical skills to interpret history for ourselves

**1921** Morgan Llywelyn, 2002-03-15 Jack the B Harry Boland's Irish Revolution David Fitzpatrick, 2004 Along with his close comrades Michael Collins and Eamon de Valera Harry Boland 1887-1922 was probably the most influential Irish revolutionary between 1917 and 1922 His sway extended to almost every aspect of republican activity Already prominent as a hurler before 1916 he was convicted and imprisoned after an energetic Easter Week He subsequently became Honorary Secretary of Sinn Féin TD for South Roscommon in the First Dail President of the Irish Republican Brotherhood's Supreme Council and a republican envoy in the United States between May 1919 and December 1921 He broke with Collins over the Treaty but became the chief intermediary between the factions Early in the Civil War however he was killed by National Army officers in the Grand Hotel Skerries Boland's influence was the product of charm gregariousness wit and ruthlessness After his rebel father's early death Boland's mother raised him in a spirit of intransigent hostility to Britain Yet he was also stylish cosmopolitan and humane His celebrated contest with Collins for the love of Kitty Kiernan is perhaps the most intriguing of all Irish political romances Attractive yet elusive his personality helped shape the Irish revolution David Fitzpatrick's biography draws upon documents in Irish British and American archives including his American diaries and thousands of letters to and from Boland Extensive use has been made of family papers and de Valera's vast archive on the Irish campaign in America These and other recently released documents illuminate the inner workings of Irish republicanism and the critical importance of brotherhood in the revolution As an old fashioned republican and advocate of physical force Boland is still venerated as a martyr by revolutionary republicans Yet in his conduct he practised the ambiguities associated with Sinn Féin in today's Northern Ireland Doctrine was subordinated to the twin quests for republican unity and political supremacy entailing reiterated compromise systematic duplicity and mastery of propagandist techniques If his outlook seems archaic his practice was astonishingly modern Harry Boland was a forerunner for Adams and McGuinness Publisher description

**Perspectives on Contemporary Irish Theatre** Anne Etienne, Thierry Dubost, 2017-10-20 This book addresses the notion posed by Thomas Kilroy in his definition of a playwright's creative process We write plays I feel in order to populate the stage It gathers eclectic reflections on contemporary Irish theatre from both Irish theatre practitioners and international academics The eighteen contributions offer innovative perspectives on Irish theatre since the early 1990s up to the present testifying to the development of themes explored by emerging and established playwrights as well as to the revolutions in practices and approaches to the stage that have taken place in the last thirty years This cross disciplinary collection devotes as much attention to contextual questions and approaches to the stage in practice as it does to the play text in its traditional and revised forms The essays and interviews encourage dialectic exchange between analytical studies on contemporary Irish theatre and contributions by theatre practitioners

**Harry Boland** Jim Maher, 2020-03-10 The definitive story of Harry Boland the ardent and prominent

Republican loyal confidant to de Valera and close friend and later love rival to Michael Collins for the heart of Kitty Kiernan. This is a detailed and dramatic account of the intricate part played by him in Ireland's struggle towards independence. Covering Boland's role in the 1916 Rising, his involvement with Sinn Féin and work in the 1918 general election through his time in America during the War of Independence when he came to national prominence campaigning for American support for Irish freedom, it also details Boland's subsequent return to a broken homeland on the cusp of civil war and his ill-fated attempts to stop the worst from happening. A free Irish Republic meant everything to Harry Boland and he was to give his all to try to make this reality. *The Fight for Dublin, 1919-1921* Joseph McKenna, 2021-06-22. In Dublin the War of Irish Independence 1919-1921 was an intense and dirty battle between military intelligence agents. While IRA flying columns fought the British Army and the Black and Tans in the countryside, the fighting in Ireland's capital city pitted the wits of IRA commander Michael Collins against the cloak and dagger innovations of British Intelligence chief Colonel Ormonde de L'Epee. Winter Drawing on detailed witness statements of Irish participants and documents and biographies from the British side, this history chronicles the covert war of assassinations, arrests, torture and murder that climaxed in the Bloody Sunday mass assassination of British intelligence officers by IRA squads in November 1920. Tom Barry Meda Ryan, 2005-09-30. Tom Barry IRA Freedom Fighter chronicles the action-packed life of the Commander of the Third West Cork Flying Column, including the decisive Kilmichael ambush and the controversy regarding sectarianism during the 1920-22 period. Author Meda Ryan details his involvement on the fringes of the Treaty negotiations, his Republican activities during the Civil War, his engagement in the cease-fire/dump arms deal of 1923, his term as the IRA's Chief of Staff and his participation in IRA conflicts in the 1930s, 1940s, 1950s and right up to his death in 1980. Includes an extensive body of primary source material including Tom Barry's papers. **Irish Governments and the Guardianship of Historical Records, 1922-72** Gerard O'Brien, 2004. This book examines one of the means through which successive Irish governments between 1922 and 1972 attempted to control the historical interpretation of the Irish past. This control was affected though ineptly by neglecting the care and development of government archives whilst rigidly restricting public and academic access to State-held historical documents. Chapters detail the slow recovery of the Public Record Office and State Paper Office following the catastrophic events of the civil war and explore the tortuous relationship between civil servants, politicians and historians as a struggle began to secure a more liberal access policy. Another chapter investigates further the competing priorities of officials and academics as governments first established and then tried to control the operations of bodies such as the Irish Folklore Commission, the Irish Manuscripts Commission and the Bureau of Military History. The book continues with two detailed case studies of how successive governments tried to manipulate the publication and availability of the Dáil proceedings of 1919-22 and attempted to retrieve from Britain the mortal remains of Roger Casement whilst refusing to engage on the issue of his embarrassing diaries. The Treaty Gretchen Friemann, 2021-11-10. On the morning of 11 October 1921, the world's media

watched as Michael Collins leader of the Irish murder gang bounded through the door of 10 Downing Street Moments later he shook hands with the British Prime Minister So began the first day of the most important political negotiations in modern Anglo Irish history Nearly two months later in the early hours of 6 December 1921 the talks culminated in the signing of what in Ireland is known simply as the Treaty a document that had been designed to end one violent conflict but which soon gave rise to another A century on from its signing award winning journalist Gretchen Friemann has produced a gripping account of the tense and protracted negotiations between the Irish and British delegations shining a fresh light on the complex politics and high stakes bargaining that produced the agreement A stunningly vivid piece of narrative history that resonates across the intervening century to the age of Brexit The Treaty is a must read for anyone who wishes to understand modern Ireland and the enduring complexities of British Irish relations
