accompany each essay and give a glimpse of what might have been *Jack the Ripper: The Terrible Legacy* The Whitechapel Society, 2013-07-01 Jack the Ripper was the slayer of at least five female victims in London's East End but his legacy left many more victims in its wake than he could have ever imagined From the Royal Family and the British Government to the London Police and minority groups the list of other victims that were created as a direct result of the Jack the Ripper murders goes on and on Following the success of their first book the authors from The Whitechapel Society have compiled this ultimate force in Ripper research in which each group is looked at in detail The authors are veteran Ripper chroniclers familiar with the highways and byways of the Ripper road map They share the principle that in all the plethora of commentaries about the Whitechapel Murderer there are many categories of victim apart from the five women slain in the streets in the autumn of 1888

**Jack the Ripper** Trevor Marriott, 2007-04-30 There have been countless attempts to solve the brutal murders committed more than 100 years ago by Jack the Ripper but this most famous of British criminal cases finally benefits from a clear professional eye to analyze the evidence with all the benefits of modern investigative techniques Casting aside the rumors fantasies and urban legends which have haunted this case for so long Trevor Marriott produces some startling results while it has long been accepted that Jack the Ripper killed only five women Marriott believes there were up to nine victims Most astonishingly of all a previously unconsidered suspect who also committed murders in America and Germany has been firmly put in the frame All previous theories are refuted in what may possibly be the final word on the Ripper murders The Crimes of Jack the Ripper Paul Roland, 2017-06-23 Roland provides a well balanced overview extensively illustrated and with timely coverage of some of the latest theories and research Stephen P Ryder Editor Casebook Jack the Ripper More than a century after he stalked the streets of London's East End Jack the Ripper continues to exert a macabre fascination on the popular imagination After scrupulously re-examining official documents of the time investigative journalist Paul Roland strips away decades of myth and misconceptions to reveal the identity of a brand new suspect who has never been seriously considered until now If you are expecting a finger to be pointed at one of the usual suspects be prepared to have your assumptions turned on their head If these crimes were being investigated today what would the authorities consider to be the vital clues How would their profilers describe England's first serial killer and who would they be looking to convict As Roland makes clear in this book nothing about the Whitechapel murders can be taken at face value

**Jack the Ripper** Gavin Baddeley, 2022-06-13 Five brutal murders shocked London in the summer and autumn of 1888 They have never been forgotten The Jack the Ripper case has never been solved the killer remains a blood spattered silhouette Although Jack as an entity was almost certainly invented by an unscrupulous journalist he became an archetype decked in the top hat and cloak of a Victorian melodrama villain stalking the fog wreathed streets of the old East End The numerous Ripper theories which emerged at the time tell us more about Victorian attitudes than they do about the killer's true identity In *Jack the Ripper* the authors follow the grim homicidal trails that have permeated popular culture since the

Whitechapel murders of 1888 It tells the victim s stories in all their desperate poignancy and explores the theories and suspects of the burgeoning field of ripperology Conspiracy theories and myths that swirl around the case to this day from black magicians to the royal family are considered as is the modern forensic view of the Ripper murders as sex crimes with reference to disturbing modern cases such as that of the Plumstead Ripper Terrifying and unignorable this is the ultimate book on Jack the Ripper     **Jack the Ripper Celebrity Suspects** Michael Holgate,2008-07-14 Rippermania has driven a 120 year old investigation to identify the depraved perpetrator of the savage murder of five prostitutes in the East End of London This book features personalities whose reputations have been tarnished by modern authors clamouring to name celebrities as suspects accomplices or conspirators     **The BFI Companion to Crime** Phil Hardy,1997-01-01 Robbers gangsters murderers and criminals of every description have long been a staple of popular entertainment Movies are no exception and film buffs and scholars alike now have a complete guide to the vast array of films that make up the fascinating world of crime cinema The BFI Companion to Crime offers detailed information on the sub genres and motifs of movies dealing with criminals and their behavior prison dramas heist stories kidnappings the exploits of serial killers juvenile delinquents and hired guns Phil Hardy also includes articles on the historical and social background of crime movies The Mafia the Japanese yakuza the FBI and the underworld of union rackets prostitution and drugs are some of the topics covered Fictional characters such as Sherlock Holmes Inspector Maigret Philip Marlow and Pretty Boy Floyd appear in these pages along with the literary sources of many crime films The works of Graham Greene Dashiell Hammett Mickey Spillane and Eric Ambler are among those featured Abundantly illustrated with more than 500 photographs this is the book for film enthusiasts and anyone interested in the crime genre     **British Television** Tise Vahimagi,1996 Reference book Co pub w British Film Institute
