From Angels to Aliens Lynn Schofield Clark, 2005-10-27 Harry Potter Buffy the Vampire Slayer and the Left Behind series are but the latest manifestations of American teenagers longstanding fascination with the supernatural and the paranormal In this groundbreaking book Lynn Schofield Clark explores the implications of this fascination for contemporary religious and spiritual practices Relying on stories gleaned from more than 250 in depth interviews with teens and their families Clark seeks to discover what today s teens really believe and why She finds that as adherence to formal religious bodies declines interest in alternative spiritualities as well as belief in superstition grow accordingly Ironically she argues fundamentalist Christian alarmism about the forces of evil has also fed belief in a wider array of supernatural entities Resisting the claim that the media brainwash teens Clark argues that today s popular stories of demons hell and the afterlife actually have their roots in the U S s religious heritage She considers why some young people are nervous about supernatural stories in the media while others comfortably and often unselfconsciously blur the boundaries between those stories of the realm beyond that belong to traditional religion and those offered by the entertainment media At a time of increased religious pluralism and declining participation in formal religious institutions Clark says we must completely reexamine what young people mean and what they may believe when they identify themselves as spiritual or religious Offering provocative insights into how the entertainment media shape contemporary religious ideas and practices *From Angels to Aliens* paints a surprising and perhaps alarming portrait of the spiritual state of America s youth

The Two Witnesses are God the Father and The Holy Spirit - Revelation 11 Joel Hernandez, 2019-10-08 In this first volume of my book I have proved beyond the shadow of a doubt that The Two Witnesses in Revelation 11 are God The Father and The Holy Spirit Which is a fact that none of the Ancient or Modern day commentators have ever known in 2 000 years That they are primarily God the Son s Two Witnesses who is the Glorious omnipotent Angel in Revelation chapter 10 who is prophesying to John about his immediate future in Revelation chapter 11 where he has assumed his second nature as Jesus Rev 11 8 Nor have they ever known that Jesus is the Main and Hidden Actor behind the scenes and underlying dimension of chapter 11 in spite of the fact that his Two Witnesses who are actually in him in chapter 11 as I shall also demonstrate seem to be the main Actors on the surface as I shall also demonstrate Or ever known that Jesus is alive in chapter 11 Now that the Angel has become Jesus they must be referred to as Christ Two Witnesses None of the commentators have ever taken these facts into

account because they never suspected the Two Witnesses could be God who they should have considered in the first place And considered 2 Cor 5 19 which says that God was in Christ reconciling the world unto himself That which immediately proves the Two Witnesses are the Father and Holy Spirit is the fact that Christ who is also God is called the very same things in the Bible they are a Witness an Olive Tree a Lampstand and a Prophet making a total of Three Witnesses Rev 1 5 Rev 11 3 Three Olive Trees Rev 11 4 Judg 9 8 9 Three Lampstands Rev 11 4 Zech 4 1 And Three Prophets Rev 11 10 John 4 19 The Father Son and Holy Spirit have always been Witnesses of each other throughout all Eternity And now that God the Son the omnipotent Angel has come down from the third heaven to earth in Rev 10 1 2 and assumed the form of Jesus the Father and Holy Spirit have now become the Two Witnesses of the Lamb that was slain Rev 11 7 8 Rev 5 6 in Time *Dance Of Angels* Robert James Haywood,2010 **The Future Won't Be Long** Jarett Kobek,2017-08-15 A brilliant re creation of a disappeared New York of cheap rents club kids and Bret Easton Ellis You can t stop time s passage this absorbing novel reminds us You can only find someone to love to help you survive it Sam Sacks The Wall Street Journal Have you been pining for tales of drug fueled big city debauchery set in the pre digital era when MTV was king people still used landlines and hookups were orchestrated on dance floors instead of dating apps Look no further The Washington Post Hard not to recommend Full of delightfully cynical aphorisms At the heart of The Future Won t Be Long is the friendship between Baby and Adeline at once loving and destructive and convincingly drawn by Kobek Kevin Nguyen GQ com A euphoric provocative novel about friendship sex art clubbing and ambition set in 1980s and 90s New York City from the author of I Hate the Internet When Adeline a wealthy art student chances upon a young man from the Midwest known only as Baby in a shady East Village squat the two begin a fiery friendship that propels them through a decade of New York life In the apartments and bars of downtown Manhattan to the infamous nightclub The Limelight Adeline is Baby s guardian angel introducing him to a city not yet overrun by gentrification They live through an era of New York punctuated by the deaths of Warhol Basquiat Wojnarowicz and Tompkins Square Park Adeline is fiercely protective of Baby even bringing him home with her to Los Angeles but he soon takes over his own education Once just a kid off the bus from Wisconsin Baby relishes ketamine fueled clubbing nights and acid days in LA and he falls deep into the Club Kid twilight zone of sexual excess As Adeline develops into the artist she never really expected to become and flees to the nascent tech scene in San Francisco Baby faces his own desire for artistic expression and recognition He must write his way out of clubbing life and their friendship an alliance that seemed nearly impenetrable is tested and betrayed leaving each unmoored as the world around them seems to be unraveling Riotously funny and wise The Future Won t Be Long is an ecstatic propulsive novel coursing with a rare vitality an elegy to New York and to the relationships that have the power to change and save our lives **The Miracles of Archangel Michael** Doreen Virtue,2009-11 In this enlightening work Virtue teaches the many ways in which the Archangel Michael brings peace to people everywhere The book includes fascinating true stories of how Michael has protected people while
