Michel Tourniers Metaphysical Fictions:

Michel Tournier's Metaphysical Fictions Susan Petit,1991-01-01 This study of the fictional themes and techniques of Michel Tournier reveals his profound radicalism as a social critic and novelist despite the seeming conventionality of his works Guided by Tournier s essays and interviews Petit examines his fiction in light of plot sources philosophical and anthropological training and his belief that fiction should change the world Close study of Vendredi ou les limbes du Pacifique Le Roi des aulnes Les Meteores Gaspard Melchior et Balthazar and La Goutte d or as well as the short fiction in Le Coq de bruyere and Le Medianoche amoureux shows Tournier s revolutionary conception of plot structuring as he develops key themes whether religion sensuality or prejudice in more than twenty years spent reconceiving the nature of fiction

Michel Tournier's metaphysical fictions Susan Petit,1991 Short French Fiction John Flower,1998 This volume provides new insights into some of the best examples of this form of writing in the twentieth century and also includes a chapter which explores ways in which the genre is evolving as the century draws to a close Solitude and its Ambiguities in Modernist Fiction E. Engelberg,2016-04-30 In this study of solitude in high modernist writing Edward Engelberg explores the ways in which solitude functions thematically to shape meaning in literary works as well as what solitude as a condition has contributed to the making of a trope Selected novels are analyzed for the ambiguities that solitude injects into their meanings The freedom of solitude also becomes a burden from which the protagonists seek liberation Although such ambiguities about solitude exist from the Bible and the Ancients through the centuries following they change within the context of time The story of solitude in the twentieth century moves from the self s removal from society and retreat into nature to an extra social position within which the self confronts itself A chapter is devoted to the synoptic analysis of solitude in the West with emphasis on the Renaissance to the twentieth century and another chapter analyzes the ambiguities that set the stage for modernism Defoe s Robinson Crusoe Selected works by Woolf Mann Camus Sartre and Beckett highlight particular modernist issues of solitude and how their authors sought to resolve them **Crossover Fiction** Sandra L. Beckett,2010-11-24 In Crossover Fiction Sandra L Beckett explores the global trend of crossover literature and explains how it is transforming literary canons concepts of readership the status of authors the publishing industry and bookselling practices This study will have significant relevance across disciplines as scholars in literary studies media and cultural studies visual arts education psychology and sociology examine the increasingly blurred borderlines between adults and young people in contemporary society notably with regard to their consumption of popular culture The Facts on File Companion to the French Novel Karen L. Taylor,2006 French novels such as Madame Bovary and The Stranger are staples of high school and college literature courses This work provides coverage of the French novel since its origins in the 16th century with an emphasis on novels most commonly studied in high school and college courses in world literature and in French culture and civilization **Encounters with Alphonso Lingis** Alexander E. Hooke,Wolfgang W. Fuchs,2003-09-22

Encounters with Alphonso Lingis is the first extensive study of this American philosopher who is gaining an international reputation to augment his national one Lingis's books have already been translated into nearly a dozen languages and writers from many disciplines are finding his works a source for fresh philosophical and scholarly inquiries The distinguished contributors to this volume reflect on their own encounters with this unique American thinker as they engage his work from their various critical perspectives They address most of the central themes found in his writings including singularity and otherness death and eroticism emotions and rationality embodiment and the face excess and the sacred In the book's first section the contributors discuss Lingis's significance as a contemporary philosopher particularly with regard to such renowned figures as Dante Kant Nietzsche Foucault and the major existential and phenomenological thinkers of the past century In the second section they focus on Lingis's ideas as the basis for inquiries into additional fields such as art literature cultural studies and politics The book closes with a new essay by Lingis himself

Encyclopedia of Modern French Thought Christopher John Murray, 2013-01-11 In this wide ranging guide to twentieth century French thought leading scholars offer an authoritative multi disciplinary analysis of one of the most distinctive and influential traditions in modern thought Unlike any other existing work this important work covers not only philosophy but also all the other major disciplines including literary theory sociology linguistics political thought theology and more

Myth and the Fiction of Michel Tournier and Patrick Grainville Rachel Edwards, 1999 This study explores the ways in which myth in its various guises operates in the work of two of France's contemporary writers It draws attention to the similarities between their fiction and that of other novelists It explores myth in relation to literature music and the visual image

Encyclopedia of the Novel Paul Schellinger, 2014-04-08 The Encyclopedia of the Novel is the first reference book that focuses on the development of the novel throughout the world Entries on individual writers assess the place of that writer within the development of the novel form explaining why and in exactly what ways that writer is important Similarly an entry on an individual novel discusses the importance of that novel not only form analyzing the particular innovations that novel has introduced and the ways in which it has influenced the subsequent course of the genre A wide range of topic entries explore the history criticism theory production dissemination and reception of the novel A very important component of the Encyclopedia of the Novel is its long surveys of development of the novel in various regions of the world

Rewriting Crusoe Jakub Lipski, 2020-09-17 Published in 1719 Defoe's Robinson Crusoe is one of those extraordinary literary works whose importance lies not only in the text itself but in its persistently lively afterlife German author Johann Gottfried Schnabel who in 1731 penned his own island narrative coined the term Robinsonade to characterize the genre bred by this classic and today hundreds of examples can be identified worldwide This celebratory collection of tercentenary essays testifies to the Robinsonade's endurance analyzing its various literary aesthetic philosophical and cultural implications in historical context

Contributors trace the Robinsonade's roots from the eighteenth century to generic affinities in later traditions including juvenile fiction science fiction and apocalyptic fiction and finally to contemporary adaptations in film television theater and popular culture Taken together these essays convince us that the genre's adapt ability to changing social and cultural circumstances explains its relevance to this day Published by Bucknell University Press Distributed worldwide by Rutgers University Press

Picturing the Maghreb Mary B. Vogl, 2003 Picturing the Maghreb critiques photographic and verbal representations with a focus on four of the most prominent French language writers of recent years Michel Tournier J M G Le Clézio Tahar Ben Jelloun and Leïla Sebbar Their activist writing reframes a picture of Maghreb produced by two centuries of Orientalist misrepresentation The book explores photography as a metaphor for other sorts of representation and examines the cultural impact of actual photographs

Michel Tournier and the Metaphor of Fiction Jean-Pierre Boulé, David Platten, 1999-01-01 Michel Tournier is a writer who explores complex philosophical questions in the guise of concrete imagistic narratives This comprehensive study privileges the notion of literary reference by which the world of text is understood or experienced in metaphorical relation to the world outside of it Metaphor in the context of Tournier's fiction shows how the fantastic merges with the real to provide new perspectives on many diverse aspects of the modern world the Crusoe myth Nazism the value to society of art and religion and the nature of education This book elucidates an aesthetic of Tournier's fiction that encompasses the writer's stated ambition to go beyond

literature Transcending Boundaries Sandra L. Beckett, 2013-10-11 *Transcending Boundaries Writing for a Dual Audience of Children and Adults* is a collection of essays on twentieth century authors who cross the borders between adult and children's literature and appeal to both audiences This collection of fourteen essays by scholars from eight countries constitutes the first book devoted to the art of crosswriting the child and adult in twentieth century international literature Sandra Beckett explores the multifaceted nature of crossover literature and the diverse ways in which writers cross the borders to address a dual readership of children and adults It considers classics such as *Alice's Adventures in Wonderland* and *Pinocchio* with particular emphasis on post World War II literature The essays in *Transcending Boundaries* clearly suggest that crossover literature is a major widespread trend that appears to be sharply on the rise **Kierkegaard and Possibility** Erin Plunkett, 2023-07-27 How does our conception of possibility contribute to our understanding of self and world In what sense does the possible differ from the merely probable and what would it mean to treat possibility as part of the real This book is an opportunity to see Kierkegaard as contributing to a distinctive phenomenology ontology and psychology of possibility that addresses the question of our existential relationship to the possible The term possibility Mulighed and its variants occur with curious frequency across Kierkegaard's writings Key to Kierkegaard's understanding of the self possibility is linked to a number of core concepts in his works from imagination anxiety despair and the moment to the idea in *The Sickness Unto Death* that God is that all things are possible Responding to what he sees as a Hegelian and Aristotelian misunderstanding of possibility Kierkegaard offers a novel reading of the possible that in turn directly influences 20th century philosophers such as Heidegger Deleuze and Derrida Kierkegaard gives a rich account of how anxiety and despair as lived experiences of possibility not only show us the contingency and fragility of the systems and identities we presently inhabit but also reveal a more fundamental contingency that demands a new way of relating to the possible For Kierkegaard hope faith and love are attitudes in which meaning is forged by embracing contingency In a time of political social and environmental uncertainty Kierkegaard's work on radical possibility seems more relevant than ever Beyond Babar Sandra L. Beckett, Maria Nikolajeva, 2006-08-19 All too often attention is paid only to those children's novels that were written in English with non English language works being passed over and neglected *Beyond Babar The European Tradition in Children's Literature* examines eleven of the most celebrated European children's novels in substantial critical essays written by well known international scholars This approach provides a comprehensive discussion of the selected works from a variety of theoretical perspectives Each essay offers a critical introduction to the text that can serve as a point of departure for literary scholars professors of children's literature primary and secondary school teachers and librarians who are interested in texts that cross languages and cultures *Beyond Babar* is especially meant to assist instructors of children's literature who would like to use these texts in the classroom in order to begin to redress the English language dominance of many children's literature courses This volume will also be of interest to the general public as its ultimate aim is to bring to

the attention of all English speaking readers the literature from other parts of the world in this case from Europe Beyond Babar helps to facilitate the border crossings of these European masterpieces of children s literature into the English speaking world The A to Z of Postmodernist Literature and Theater Fran Mason,2009 The A to Z of Postmodernist Literature and Theater examines the different areas of postmodernist literature and theater and the variety of forms that have been produced It contains a list of acronyms a chronology an introductory essay a bibliography and several hundred cross referenced dictionary entries on individual writers important aesthetic practices significant texts and important movements and ideas that have created a variety of literary approaches within the form By placing these concerns within the historical philosophical and cultural contexts of postmodernism this reference explores the frameworks within which postmodernist literature of the late twentieth and early twenty first centuries operates Book Jacket
