Fenichel, 2023-07-20 In this volume Emily A Fenichel offers an in depth investigation of the religious motivations behind Michelangelo's sculpture and graphic works in his late period Taking the criticism of the Last Judgment as its point of departure she argues that much of Michelangelo's late oeuvre was engaged in solving the religious and artistic problems presented by the Counter Reformation Buffeted by critiques of the Last Judgment which claimed that he valued art over religion Michelangelo searched for new religious iconographies and techniques both publicly and privately Fenichel here suggests a new and different understanding of the artist in his late career In contrast to the received view of Michelangelo as solitary intractable and temperamental she brings a more nuanced characterization of the artist The late Michelangelo Fenichel demonstrates was a man interested in collaboration penance meditation and experimentation which enabled his transformation into a new type of religious artist for a new era **Master Drawings from the Yale University Art Gallery** Yale University (New Haven, Conn.).
