Mangan, 2012-05-04 This book discusses the way in which those born into the British empire were persuaded to accept it often with enthusiasm The study compares the perceptions of people at home in the dominions and in the colonies Across the diversity of imperial territories it explores themes such as the diverse nature of political socialisation the various agents and agencies of persuasion reaction to the experience of dominance by dominant and dominated the paradoxical impact of the missionary and the subversive role of some women It also considers the significant issues of colonial adaptation resistance and rejection and the post imperial consequences of imperialism **Alaska Regional Studies Plan**, 1988

Weekly World News, 2000-10-31 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world s only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site The Inside Text R. Harper, L. Palen, A. Taylor, 2005-03-21 SMS or Text is one of the most popular forms of messaging Yet despite its immense popularity SMS has remained unexamined by science Not only that but the commercial organisations who have been forced to offer SMS by a demanding public have had very little idea why it has been successful Indeed they have until very recently planned to replace SMS with other messaging services such as MMS This book is the first to bring together scientific studies into the values that texting provides examining both cultural variation in countries as different as the Philippines and Germany as well as the differences between SMS and other communications channels like Instant Messaging and the traditional letter It presents usability and design research which explores how SMS will evolve and what is likely to be the pattern of person to person messaging in the future In short The Inside Text is a fundamental resource for anyone interested in mobile communications at the start of the 21st Century
