remind us to pay attention to the world we make **Triumph of Vice and Other Stories** William S Gilbert, 2018-08-28
Gilbert's libretti of the comic operas composed by Arthur Sullivan are hugely well known and lines such as 'let the punishment fit the crime' have entered the English lexicon but his short stories also deserve to be rediscovered by the modern reader. This collection carefully curated by the secretary of the W S Gilbert Society brings together the best of these sharp clever comical tales many of which are published here for the first time since their first appearance in ephemeral magazines enriched with the author's own illustrations. The stories feature many of the powerful motifs so associated with his work: fairies, elixirs, magic and a wide variety of characters from burglars to barristers and shopkeepers to gentlemen. This volume is shot through with the observational wit which drove Gilbert and Sullivan's works to fame and constitutes a hugely enjoyable companion for fans of the pair's theatrical oeuvre.

Krishna's Jaunt and Other Stories S M Sundaram, 2016-10-14
The collection of stories in *Krishna's Jaunt and Other Stories* is a blend of fiction and fantasy. While most of them deal with human emotions and human reactions to different sets of circumstances and situations, quite a few deal with gods and goddesses who also, despite their supernatural powers, display human emotions and reactions. At times they too commit blunders that lead to hilarious situations. Besides the gods and goddesses, take to sports like cricket and soccer and a couple of stories are woven around them. Animals like the dog and the squirrel too find a place in the stories where they play vital roles in apprehending criminals. Amongst the stories are a few involving men of high principles and who are a role model for others. With romance being the main theme in most of them and with humour interspersed here and there, the stories make for an interesting read.

A Star Above It and Other Stories Chad Oliver, 2015-07-30
A Star Above It and Other Stories is volume 1 of a collection of Chad Oliver's SF containing the following: *Blood's a Rover*, *The Land of Lost Content*, *The Ant and the Eye*, *Artifact*, *Any More At Home*, *Like You Rewrite Man*, *The Edge of Forever*, *The Boy Next Door*, *A Star Above It*, *The Mother of Necessity*, *Night*, *Technical Advisor*, *Between the Thunder and the Sun*, *The One That Got Away*, *Transfusion*, *Guardian Spirit*, *The Gift To Whom It May Concern*, *A Stick for Harry Eddington*, *Old Four Eyes*.

The Old Cantonment with Other Stories of India and Elsewhere Bithia Mary Croker, 1905 **The Black Mirror and Other Stories** Franz Rottensteiner, 2008-12-31
Handsomely equipped with a comprehensive introductory historical essay, editor's notes and selected bibliography, this distinguished anthology is a model of genre research. These previously untranslated stories published from 1871 onward offer reading virtually unknown to most American and many German readers. Some authors combine scientific and philosophical issues like Kurd Lasswitz in his witty tale *To the Absolute Zero of Existence*. A story from 1937, while others as in Erik Simon's 1983 title story pose psychological puzzles involving alien phenomena. Though the earlier stories in particular demand painstaking reading, all of them repay it with rewarding insights into German and Austrian culture and the many possible uses and misuses of science.
