Models for Change in Social Group Work Marian Fatout, 2017-09-29 Intended for beginning students as well as for practitioners this volume shows how to make maximum use of the various models available for social group work Dr Fatout explores and delineates the mainstream model devotes separate and incisive sections to notable specific approaches and offers suggestions on ways in which social workers can utilize these strategies in an effective and systematic fashion

Models for Change in Social Group Work Marian Fatout, Intended for beginning students as well as for practitioners this volume shows how to make maximum use of the various models available for social group work Dr Fatout explores and delineates the mainstream model devotes separate and incisive sections to notable specific approaches and offers suggestions on ways in which social workers can utilize these strategies in an effective and systematic fashion

Social Group Work Mr. Rohit Manglik, 2023-10-23 In this book we will study about the theory and practice of working with small groups It covers group dynamics leadership stages of group development and techniques for promoting social change within a group context

Perspectives on Social Group Work Practice Albert S. Alissi, 2008-06-30 Not simply another how to book this provocative collection of readings does not advance a single viewpoint or approach to group work Instead the 25 selections present the full spectrum of classic and current perspectives providing student and practitioner alike with a sound basis for evaluating contemporary practice and for formulating a personal approach to social group work The historical and conceptual roots of modern social group work methods are examined in Part I Conceptual Foundations which contains some of the classic statements in the field Part II Current Perspectives explores the most widely influential contemporary models of group work social goals perspectives remedial perspectives and mediative perspectives The two part section that concludes the volume focuses on applications group work is first discussed in relation to family and community casework and administration then self help groups and other techniques used in the fields of medicine counseling and psychology are surveyed in light of their implications for social workers To encourage the reader's active participation in the development of an individual philosophy and approach to social group work Dr Alissi concludes each chapter with probing study questions These open ended questions stimulate comparisons among the methods presented and urge the reader to relate new ideas to his or her own experience in the field Introductions to each part and chapter also stress comparative aspects An annotated list of articles and books on the subject of each chapter allows the reader to explore it in greater depth A stimulating and systematic exposure to the most important ideas in social group work today *Perspectives on Social Group Work Practice* expands the repertoire of working concepts vital to contemporary practice

Social Group Work - Working with Groups Mr. Rohit Manglik, 2023-12-23 In this book we will study about group dynamics processes and techniques for effective group intervention in social work

Models for Change in Social Group Work M.F. Fatout, 1992-01-01

Groupwork Allan Brown, 2017-07-05 This highly successful book on groupwork practice first published in 1979 has become a standard

introductory text on most social work training courses It is very popular with social workers whatever their agency setting and is also used by health visitors youth workers and the voluntary sector This new enlarged and revised third edition includes two new additional chapters The first of these addresses the issue of groupwork in day and residential centres where special kinds of group skills are required in addition to those already well established for fieldwork groups The second new chapter attempts to understand the significance of race and gender in groupwork and to begin to develop a framework for anti discriminatory practice All key sections from previous editions have been retained and updated while those on group composition open groups co working and consultation have been extended and revised to give more comprehensive coverage The bibliography has also been developed to include the most recent additions to the groupwork literature including many articles from the journal Groupwork for which Allan Brown is co editor Group Work Sondra Brandler,Camille P.

Roman,2012-10-02 Group Work Skills and Strategies for Effective Interventions Second Edition examines eclectic approaches to group work and discusses ways to help practitioners offer more successful services to clients This edition includes new material on complicated value dilemmas and specific techniques in confrontation and in humor in groups Complete with more games and exercises for group sessions this enlightening book also contains excerpts and discussions of case studies that will serve as a valuable reference that may be applied to your own experiences Group Work will help you provide improved services to clients as it discusses effective suggestions and strategies such as gaining an understanding of self or the process by which you identify internal responses to external stimuli created by the group unlocking the underlying meanings themes and needs of a group by examining transference and countertransference issues establishing guidelines structures and goals and purposes for groups and defining your role in achieving these standards helping you identify and work through feelings of boredom helplessness sadness and anger which are potential barriers to the work of the group helping the group translate nonverbal expressions of similar feelings as they manifest themselves in certain group behaviors including absence and lateness lethargy in communication and acting out ending groups properly to ensure progress is maintained and separation is not damaging Intelligent and informative Group Work features charts and a glossary of games and exercises that will help you offer your group the services they need Full of new strategies and methods this second edition will serve as an essential guide for all types of situations that arise in your groups A Mutual-Aid Model for Social Work with Groups

Dominique Moyse Steinberg,2014-02-24 Group work is a popular and widely used social work method Focusing particularly on the central role of mutual aid in effective group work this text presents the theoretical base outlines core principles and introduces the skills for translating those theories and principles into practice A Mutual Aid Model for Social Work with Groups will help readers to catalyze the strengths of group members such that they become better problem solvers in all areas of life from the playroom to the boardroom Increased coverage of evaluation and evidence based practice speaks to the field s growing concern with monitoring process and assessing progress The book also includes worker based

obstacles to mutual aid their impact and their antidotes pre group planning including new discussion on curriculum groups group building by prioritizing certain goals and norms in the new group the significance of time and place on mutual aid and the role of the group worker maintaining mutual aid during so called individual problem solving an expanded discussion of anti oppression and anti oppressive practice unlocking a group s potential to make difference and conflict useful special considerations in working with time limited open ended and very large groups Case examples are used throughout to help bridge the gap between theory and practice and exercises for class or field help learners to immediately apply conceptual material to their practice All resources required to carry out the exercises are contained in over 20 appendices at the end of the book Key points at the end of each chapter recap the major concepts presented and a roster of recommended reading for each chapter points the reader to further resources on each topic Designed to support ethical and successful practice this textbook is an essential addition to the library of any social work student or human service practitioner working with groups

Capturing the Power of Diversity Marvin D Feit, John S Wodarski, John H Ramey, Aaron R Mann, 2012-11-12 This stimulating book explores the many ways in which social group workers approach diversity Capturing the Power of Diversity represents a range of interests and approaches to the challenges faced by group workers throughout the world It illustrates the complexity creativity and excitement of the diversity concept and it explores how practitioners manage and adjust to diversity and use its power constructively The contributing authors discuss macro approaches to inequality in social political and economic spheres and address concerns about the fit of group work into the social work curriculum and practitioners techniques In this guidebook readers can discover how to emphasize social group work to enhance the education of social work students and to help professionals deal more effectively with cultural diversity Capturing the Power of Diversity covers practice theory building teaching research and various age and ethnic groups Chapters explore topics related to the value and importance of using social group work practice at the macro level educational and practice dimensions of diversity the necessity of dealing with inequality the macro system and its economic and political consequences teaching and practice issues emerging from the effects of race and class on practice An enlightening reference and guide Capturing the Power of Diversity is a much needed source of information for social work practitioners and students who are interested in how diversity impacts social group work and are curious as to how to make group work more effective

Multicultural Perspectives In Social Work Practice with Families, 3rd Edition Manny J. González, 2012-10 Print CourseSmart

Individual Change Through Small Groups, 2nd Ed. Martin Sundel, 1985-02 Individual Change Through Small Groups brilliantly details The University of Michigan s empirically based problem oriented approach to group work practice This revised and expanded second edition of a modern classic provides practitioners and students with a systematic description of the various methods used to prevent and change dysfunctional and psychopathological behavior Martin Sundel Professor of Social work at The University of Texas at Arlington joins original editors Paul Glasser Rosemary Sarri and Robert Vinter to

present the findings of a wide range of social scientists and help professionals to apply cognitive and behavioral techniques to effect significant change **Roots and New Frontiers in Social Group Work** Marcos Leiderman, Martin L.

Birnbaum, Barbara Dazzo, 1988 This exciting book captures the rich heritage of social group work and links the origin of social group work to its present and future frontiers The first 100 years of social group work are celebrated in this volume as social workers address a wide range and diversity of group work practice theory research and education with information on health and mental health institutions substance abuse programs rehabilitation centers the correctional system family service agencies nursing homes and other specialized areas including industry child and spouse abuse and incest *Roots and New Frontiers in Social Group Work* consists of selected proceedings from the Seventh Consecutive Symposium of the Committee for the Advancement of Social Work With Groups sponsored by Rutgers University School of Social Work A-Z of Groups and Groupwork Mark Doel, Timothy Kelly, 2013-11-28 Launching Palgrave's new interdisciplinary Professional Keywords

series this reader friendly reference guide distills the vast field of groupwork study and practice into digestible yet authoritative chunks With over 60 alphabetized entries it is the perfect introduction to groupwork for health and social care practice *Inclusive Group Work* William Pelech, Robert Basso, Cheryl D. Lee, Maria Gandarilla, 2016 *Inclusive Group Work* offers an innovative approach to working with intervention groups and task groups by redefining the concept of diversity and reframing core group work concepts Appropriate for both undergraduate and graduate courses this book introduces readers to the foundations of group practice with an emphasis on social justice The book presents diversity as a relational concept that is at the heart of all group interactions Individual identity is complex and in order for all members to be treated equally their individuality must be accepted and respected Using this framework the book discusses the values and ethics of social work with groups explores the stages of group work including planning and presents both basic and advanced skills such as conflict resolution and the use of self Theories are put into practice in three chapters of case studies that show in detail how diversity can be employed as a strength in multiple settings to achieve the wide variety of goals groups pursue Through this new approach students and practitioners alike will learn how to harness diversity to engage and maintain participation in inclusive group processes *Theory and Practice of Social Group Work in Indian Society* Pallassana R. Balgopal, Suresh

Pathare, Meena M. Balgopal, 2024-10-26 This book describes relevant theories such as task centered and strength perspective interventions for the practice of social group work within contemporary India These two theories are complemented by additional theories including Gestalt Therapy Spirituality and Raja Yoga These theories fill the gap in the literature to indigenize social group work interventions The book is divided into four parts History of Social Group Work and Introduction in India The Indian Family Structural Properties of Group Work Using Case Studies in Social Group Work Education In addition there are two separate chapters on leadership leadership in social work groups and leader interventions relevant to Indian society At the end of each chapter a summary and applicable practice principles are presented It explicitly presents

the value of short and task oriented group work It mobilizes the group members strengths to work through problems that Indian children parents working adults and the elderly experience The group process is presented with a focus on the present day Indian cultural context which is relevant for a range of practitioners in the helping professions This important book is a valuable resource for students and scholars of social work community practitioners voluntary organizations and social activists

Psychology for Social Work Theory and Practice Paula Nicolson, Rowan Bayne, 2014-05-06 This new edition from a trusted author team bridges the gap between psychological theory and social work practice Revisited and re structured to reflect the changing social work context it provides an authoritative introduction to the key ideas skills and research from psychology and highlights their role within effective social work practice Whether you are a student or a practitioner of social work this book is a vital and practical resource that will enhance your knowledge skills and practice New to this Edition Includes content which is of relevance across a number of social work modules Contains new chapters on reflection and the psychological context of social work organisations A range of new pedagogical features that support the practical application of the book

Empowerment in Action Audrey Mullender, Dave Ward, Jennie Fleming, 2013-12-04 From three leading authorities in the field this re visit to a classic text demonstrates how groupwork can be used as a flexible tool for service user empowerment and participation across a range of contexts Walking the reader through each stage in group formation and evolution it is an essential text for health and social care professionals
