Modern China And Opium A Reader:

Modern China and Opium Alan Baumler, 2001 An intriguing historical examination of China's widespread opium epidemic

Modern China and Opium Alan Baumler, 2001 An intriguing historical examination of China's widespread opium epidemic

The Chinese and Opium under the Republic Alan Baumler, 2008-01-03 Examines China's attempts to control the opium economy in the early twentieth century

Routledge Handbook of Revolutionary China Alan Baumler, 2019-08-12 The Routledge Handbook of Revolutionary China covers the evolution of Chinese society from the roots of the Republic of China in the early 1900s until the end of the Cultural Revolution in 1976. The chapters in this volume explain aspects of the process of revolution and how people adapted to the demands of the revolutionary situation. Exploring changes in political leadership as well as transformation in culture, it compares the differences in experiences in urban and rural areas and contrasts rapid changes such as the war with Japan and Communist liberation with evolutionary developments such as the gradual redefinition of public space. Taking a comprehensive approach, the themes covered include War, occupation and liberation, Religion and gender, Education, cities and travel. This is an essential resource for students and scholars of Modern China, Republican China, Revolutionary China, and Chinese Politics. Chapter 20 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution-NonCommercial-NoDerivatives (CC BY-NC-ND) 4.0 license.

Narcotic Culture Frank Dikötter, Lars Peter Laamann, Xun Zhou, 2004 China was turned into a nation of opium addicts by the pernicious forces of imperialist trade. This study systematically questions this assertion on the basis of abundant archives from China, Europe, and the US, showing that opium had few harmful effects on either health or longevity.

Smoke and Ashes Amitav Ghosh, 2024-02-13 Named a Most Anticipated Book of 2024 by Foreign Policy, Literary Hub, and The Millions, Ghosh unravels the impact of the opium trade on global history and in his own family, the climax of a years-long project. When Amitav Ghosh began the research for his monumental cycle of novels, the Ibis Trilogy, he was startled to learn how the lives of the nineteenth-century sailors and soldiers he wrote about were dictated not only by the currents of the Indian Ocean but also by the precious commodity carried in enormous quantities on those currents: opium. Most surprising of all, however, was the discovery that his own identity and family history were swept up in the story. *Smoke and Ashes* is at once a travelogue, a memoir, and an essay in history, drawing on decades of archival research. In it, Ghosh traces the transformative effect the opium trade had on Britain, India, and China, as well as the world at large. The trade was engineered by the British Empire, which exported Indian opium to sell to China to redress their great trade imbalance, and its revenues were essential to the empire's financial survival. Following the profits further, Ghosh finds opium central to the origins of some of the world's biggest corporations, of America's most powerful families, and prestigious institutions, from the Astors and Coolidges to the Ivy League, and of contemporary globalism itself. Moving deftly between horticultural history, the mythologies of capitalism, and the social and cultural repercussions of colonialism, in *Smoke and*

Ashes Ghosh reveals the role that one small plant has had in making our world now teetering on the edge of catastrophe

China Hands and Old Cantons John M. Carroll, 2021-10-12 Early encounters between Britain and China are best known for igniting the First Opium War Yet they also produced an enormous archive of writings by Britons who spent time in China Frustrated with the restrictions imposed by the Manchu rulers of the Qing Empire and unable to live or travel elsewhere apart from Canton and Macao these diplomats traders missionaries travelers and military officers devoted thousands of pages to understanding China its people and their civilization In *China Hands and Old Cantons* John M Carroll draws on this wealth of memoirs ethnographic studies travel accounts narratives of military action translations and newspaper articles to trace Britons wide ranging often thoughtful perspectives on China long before anyone considered going to war They discussed almost everything they saw and speculated about much of what they could not see including the size of China s massive population the extent of infanticide the origins and practice of foot binding and the legality and morality of the opium trade They claimed that only those who had been there could truly understand the Middle Kingdom and that their firsthand experience gave them and their publications an advantage over those in Britain and elsewhere Carroll brings a seminal period in the Anglo Chinese relationship which revolved around tea and opium to life through the words of those who experienced it intimately

Passage to Manhood Shao-hua Liu, 2011 *Passage to Manhood* is a groundbreaking and beautifully written ethnography that addresses the intersection of modernity heroin use and AIDS as they intersect in a new rite of passage among young ethnic minority males in contemporary China

The World Heroin Market Letizia Paoli, Victoria A. Greenfield, Peter Reuter, 2009-04-10 Heroin is universally considered the world s most harmful illegal drug This is due not only to the damaging effects of the drug itself but also to the spread of AIDS tied to its use Burgeoning illegal mass consumption in the 1960s and 1970s has given rise to a global market for heroin and other opiates of nearly 16 million users The production and trafficking of opiates have caused crime disease and social distress throughout the world leading many nations to invest billions of dollars trying to suppress the industry The failure of their efforts has become a central policy concern Can the world heroin supply actually be cut and with what consequences The result of a five year long research project involving extensive fieldwork in six Asian countries Colombia and Turkey this book is the first systematic analysis of the contemporary world heroin market delving into its development and structure its participants and its socio economic impact It provides a sound and comprehensive empirical base for concluding that there is little opportunity to shrink the global supply of heroin in the long term and explains why production is concentrated in a handful of countries and is likely to remain that way On the basis of these findings the authors identify a key set of policy opportunities largely local and make suggestions for leveraging them This book also offers new insights into market conditions in India Tajikistan and other countries that have been greatly harmed by the production and trafficking of illegal opiates A deft integration of economics sociology history and policy analysis *The World Heroin Market* provides a rigorous and vital look into the complex

and resilient global heroin trade **The Opium War** Julia Lovell, 2015-11-10 This crisp and readable account of the nineteenth century British campaign sheds light on modern Chinese identity through a heartbreaking story of war The Wall Street Journal In October 1839 a Windsor cabinet meeting voted to begin the first Opium War against China Bureaucratic fumbling military missteps and a healthy dose of political opportunism and collaboration followed Rich in tragicomedy The Opium War explores the disastrous British foreign relations move that became a founding myth of modern Chinese nationalism and depicts China's heroic struggle against Western conspiracy Julia Lovell examines the causes and consequences of the Opium War interweaving tales of the opium pushers and dissidents More importantly she analyses how the Opium Wars shaped China's self image and created an enduring model for its interactions with the West plagued by delusion and prejudice *Killer High* Peter Andreas, 2020 Introduction How drugs made war and war made drugs Drunk on the front Where there's smoke there's war Caffeinated conflict Opium empire and Geopolitics Speed warfare Cocaine wars Conclusion The drugged battlefields of the 21st century **Women and Heroin Addiction in China's Changing Society** Huan Gao, 2013-06-24 Accompanying China's economic reform and open door policy in 1978 illicit drug use emerged in the late 1980s and gradually developed into a serious social problem Heroin was the dominant illicit drug consumed in the new drug epidemic and the number of female heroin users has increased rapidly in the country While heroin use in China is soaring little is known about women's heroin use in the context of China's rapidly changing society Using intensive interviews with 131 female heroin users this book explores the careers of female heroin users in China under changing social contexts in the reform era It investigates the impacts of sociological and individual factors on women's heroin use in each developing stage of their drug use careers It also examines the social consequences of women's heroin use by looking at connections between women's heroin use and criminality and the change in women's social relations after heroin use Lastly the book analyzes and ascertains the impact of current narcotics control policies on women's drug use careers This groundbreaking book has important policy implications for both China and the international society in the context of increasing global concern about women's substance abuse **History of the Opium Problem** Hans Derks, 2012-04-18 Covering a period of about four centuries this book demonstrates the economic and political components of the opium problem As a mass product opium was introduced in India and Indonesia by the Dutch in the 17th century China suffered the most but was also the first to get rid of the opium problem around 1950 **Handbook on Opium** Vasanth Kumar, 2022-01-29 Handbook of Opium History and Basis of Opioids in Therapeutics traces the history of poppy from its prehistory its use in Greek and Egyptian medicine through the European Renaissance and the opioid epidemic of the present day The book explores the discovery of morphine and its alkaloids reviews its biosynthetic process and covers the evolution of synthetic opioids Further it reviews the biological effects of opium and the molecular basis of its actions including future perspectives in clinical applications with therapeutic targets The book is interspersed with numerous notes on the events and great minds in history and medicine who

advocated analyzed and advanced opium through history The book is a comprehensive review on opium covering a breadth of topics including its history botany chemistry trade physiology clinical use and molecular biology with numerous references tables vignettes and illustrations included for additional understanding Presents a comprehensive review on opium covering a range of topics Filled with historical vignettes tables and illustrations to aid understanding Authored by practicing clinicians who integrate clinical information in the context of history and pharmacology **China Smart** Larry

Herzberg,2019-05-21 Essential essays on all things Chinese that inform and entertain travelers students and anyone working or living in China How is China organized politically What are the issues that young people face in today s China What is China doing about its problem with pollution Is the Chinese internet like our internet What s China s role in the world today And how much do you know about China s great woman emperor or the Chinese explorer whose voyages may have inspired the legend of Sinbad the Sailor What are the major Chinese holidays their superstitions regarding numbers and the true nature of the Chinese written language In nearly 60 brief essays long time China expert Larry Herzberg tackles important facts and myths about China its history people and culture as well as its contemporary society Anyone dipping into this book will emerge that much smarter about China whether visiting conducting business studying the language or simply being fascinated by one of the world s greatest and most influential civilizations Corporate Social Responsibility and Civil

Society in India Nandini Deo,2024-09-10 Corporate social responsibility CSR or billionaire philanthropy is like a Rorschach test the same act can look very different depending on how we understand its intentions and its consequences In this book the author examines the politics of CSR in India to assess its ability to advance inclusive and sustainable development The focus is on how CSR is remaking the practices and agendas of civic organizations that are being encouraged to collaborate with business to advance equality and prosperity Civil society organizations CSOs and corporations have a history of hostility to each other According to CSO workers businesses selfishly exploit workers despoil natural resources and distort democracy to serve their own profit making ends According to business executives CSOs are hopelessly na ve inefficient and interfere in the market in ways that reduce economic growth And yet in the past decade more and more CSOs and businesses are collaborating in new ways Individuals from both sectors are setting up social impact enterprises and social investing funds are increasing The more traditional forms of corporate CSO collaboration have expanded as more funds are flowing from business to the social sector The divide between the corporate sector and civil society seems to be narrowing Why is this happening and what are its consequences This book examines these trends in India where since 2013 the state has mandated co operation between the largest firms and NGOs in pursuit of inclusive and sustainable development This book offers evidence that CSR is unlikely to contribute to inclusive and sustainable development By claiming to be helpers corporations are able to silence their critics and thus avoid making the deeper shifts in business models needed in order to create a more just and sustainable society **Japanese Studies of Modern China since 1953** Noriko Kamachi,John K. Fairbank,Chūzō

Ichiko,2020-03-17 A comprehensive bibliographical guide to Japanese research published between 1953 and 1969 on the topic of Modern China in the nineteenth and twentieth centuries One Road, Many Dreams Daniel Drache,A T Kingsmith,Duan Qi,2019-07-11 One Belt One Road is China s bold plan to remake the global economy It s an ambitious strategy with a 2 trillion and rising budget The objective To challenge the existing economic and political world order One Road Many Dreams reveals the true extent of China s ambition analyses the impact of the One Belt One Road initiative and assesses its chances of success and failure This is the Asian century and China has a plan to remake the world economy Under its audacious One Belt One Road strategy China is investing trillions of dollars in hundreds of projects all around the globe It s buying up ports building transport networks and constructing major infrastructure From hydroelectric plants to oil pipelines China supplies the labour if needed the raw materials and the finance creating customers and boosting its own economy in the process More than 80 nations have already joined China s increasingly less exclusive club and by 2049 when One Belt One Road is set to end its number of members is likely to rival the UN So far China has exercised its soft power of debt diplomacy and financial might shrewdly serving the planet s overlooked middle income and poor countries The rest of the world needs to wake up because the scale of One Belt One Road is unprecedented Its implications for the global structure of power are potentially seismic as the geopolitical ties between Europe and Asia deepen Written by three highly regarded political economists One Road Many Dreams examines the One Belt One Road initiative from all angles It looks at the projects and the players the alliances and the governance It explores the opportunities for China and the threat to the West particularly for Trump s isolationist US administration At home and abroad China is staking its credibility as a superpower on One Belt One Road Its resources appear limitless but One Road Many Dreams asks a tough question has China overreached Or can it really pull this off and remake the world economy in its own interests *Quest for Power* Stephen R. Halsey,2015-10-12 China s late imperial history has been framed as a long coda of decline played out during the Qing dynasty Reappraising this narrative Stephen Halsey traces the origins of China s current great power status to this so called decadent era when threats of war with European and Japanese empirestriggered innovative state building and statecraft

Modern China: All That Matters Jonathan Clements,2013-08-30 In *Modern China All That Matters* Jonathan Clements presents China as the Chinese themselves see it He explains the key issues of national reconstruction the Cold War the Cultural Revolution and the dizzying spectacle of China s economic reform Clements offers a Chinese perspective on such events as the Handover of Hong Kong and chronicles the historical events that continue to resonate today in Chinese politics economics culture and quality of life A final chapter examines China s role in the global marketplace its indirect effect on foreign economies from Australia to America to Africa and its growing military might with an assessment of the damage done to its environment and population In his most provocative assertion Clements suggests that China s contemporary problems are not the trials of a developing nation but a possible vision of our own future This accessible and readable book will appeal

both to students and general readers giving a fascinating introduction to modern China and what matters most about it

Reviewing **Modern China And Opium A Reader**: Unlocking the Spellbinding Force of Linguistics

Modern China And Opium A Reader Introduction

In the digital age, access to information has become easier than ever before. The ability to download Modern China And Opium A Reader has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Modern China And Opium A Reader has opened up a world of possibilities. Downloading Modern China And Opium A Reader provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Modern China And Opium A Reader has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Modern China And Opium A Reader. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Modern China And Opium A Reader. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Modern China And Opium A Reader, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability

to download Modern China And Opium A Reader has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Modern China And Opium A Reader Books

1. Where can I buy Modern China And Opium A Reader books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
