Mystics of the Christian Tradition Steven Fanning, 2005-06-29 From divine visions to self tortures some strange mystical experiences have shaped the Christian tradition as we know it Full of colourful detail Mystics of the Christian Tradition examines the mystical experiences that have determined the history of Christianity over two thousand years and reveals the often sexual nature of these encounters with the divine In this fascinating account Fanning reveals how God's direct revelation to St Francis of Assisi led to his living with lepers and kissing their sores and describes the mystical life of Margery Kempe who took weeping to new decibel levels Through presenting the lives of almost a hundred mystics this broad survey invites us to consider what it means to be a mystic and to explore how people such as Joan of Arc had their lives determined by divine visions Mystics of the Christian Tradition is a comprehensive guide to discovering what mysticism means and who the mystics of the Christian tradition actually were

Memoirs Harry S. Truman,1963 Select Memoirs of Port Royal Mary Anne Galton Schimmelpenninck,Mary Anne Schimmelpenninck,1829 The Select memoirs of Port Royal are intended to present to the public a succinct sketch of the rise progress and extinction of that celebrated religious and literary institution v 1 p v The Westminster Dictionary of Christian Spirituality Gordon S. Wakefield,1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the entries represent types schools and subjects Articles that refer to non Christian religions are included insofar as they have influenced Christianity The unifying theme of the dictionary is that it seeks to illumine ways in which women and men have responded to God in prayer and living

Select Memoirs of Port Royal, to which are appended, Tour to Alet; Visit to Port Royal; Gift of an Abbess; Biographical notices ... Taken from original documents ... Third edition Mrs. Mary Anne SCHIMMELPENNINCK,1829 **The Mystical Science of the Soul** Jessica A. Boon,2012-01-01 Ultimately I propose that considering internalization as embodiment is a critical methodological shift in understanding mystical methods in general and especially for probing recollection mysticism in depth The inner man as opposed to the outer man is a Pauline and Lutheran commonplace that is too frequently taken out of context leading historians of the Renaissance in general and of Spanish Renaissance religion in particular to value references to internal or mental methods of spirituality as an improvement over external or bodily rituals This book takes its cue from the recent cognitive turn in medieval studies that complicates studies of the body in religion by focusing on the embodied aspects of cognition claiming a continuum between body and soul rather than a hierarchy I argue that medieval theories of cognition made the divorce of the body from the soul impossible for a Galenic doctor even one who spoke of the body and the world with contempt and by implication impossible for his Castilian audience Without serious consideration of Laredo s reliance on an embodied soul rather than on a body soul dualism therefore no proper assessment of the unitive stage of recogimiento can be made Introduction p 6 7 English Spirituality Martin Thornton,2012-05-01 The republication of this definitive text is long overdue and a must for all those who are concerned for the maintenance of a sound optimistic spirituality Alan Jones Skillfully uses Bible and history to good advantage in this long look at English Spirituality s roots Christian Century I know of no other book that rivals Thornton s

work as a clear and well written compilation of so much valuable material Review Of Books Religion Will provide both Protestant and Catholic readers with an exceptionally readable and thorough treatment of a shared tradition Spiritual Live
