Davis's Birth of the Cool sessions to his leadership of the Modern Jazz Quartet his tours of Europe and his stewardship of the Lenox School of Jazz Along the way Coady shows how Lewis's fusion works helped shore up a failing jazz industry in the wake of the 1940s big band decline forging a new sound grounded in middle class African American musical traditions By taking into account the sociocultural milieu of the 1950s Coady provides a wider context for understanding the music Lewis wrote for the Modern Jazz Quartet and sets up new ways of thinking about Cool Jazz and Third Stream music more broadly
