Modern Masterpieces of Science Fiction Sam Moskowitz, 1974 *Doorway Into Time and Other Stories from Modern Masterpieces of Science Fiction* Sam Moskowitz, 1966 Microcosmic God, and Other Stories from Modern Masterpieces of Science Fiction Sam Moskowitz, 1975 **Contemporary Science Fiction Authors** Robert Reginald, 2009-01-01 This bibliography of the golden age of the science fiction field includes 308 biographies compiled from questionnaires sent to the authors and chronological lists of 483 writers published works This facsimile reprint of the 1975 edition includes a title index introduction and minor corrections A now classic guide to the major and minor SF writers active in the early 1970s

Science Fiction and Fantasy Literature, Vol 1 R. Reginald, 2010-09-01 Science Fiction and Fantasy Literature A Checklist 1700 1974 Volume one of Two contains an Author Index Title Index Series Index Awards Index and the Ace and Belmont Doubles Index Doorway Into Time and Other Stories from Modern Masterpieces of Science Fiction Sam Moskowitz, 1966 **The Vortex Blasters** Sam Moskowitz, 1968 *Science-fiction* Everett Franklin Bleiler, Richard Bleiler, 1998 Complementing Science Fiction The Early Years which surveys science fiction published in book form from its beginnings through 1930 the present volume covers all the science fiction printed in the genre magazines Amazing Astounding and Wonder along with offshoots and minor magazines from 1926 through 1936 This is the first time this historically important literary phenomenon which stands behind the enormous modern development of science fiction has been studied thoroughly and accurately The heart of the book is a series of descriptions of all 1 835 stories published during this period plus bibliographic information Supplementing this are many useful features detailed histories of each of the magazines an issue by issue roster of contents a technical analysis of the art work brief authors biographies poetry and letter indexes a theme and motif index of approximately 30 000 entries and general indexes Science Fiction The Gernsback Years is not only indispensable for reference librarians collectors readers and scholars interested in science fiction it is also of importance to the study of popular culture during the Great Depression in the United States Most of its data which are largely based on rare and almost unobtainable sources are not available elsewhere **Science Fiction, Canonization, Marginalization, and the Academy** Gary Westfahl, George Slusser, 2002-01-30 Science fiction occupies a peculiar place in the academic study of literature For decades scholars have looked at science fiction with disdain and have criticized it for being inferior to other types of literature But despite the sentiments of these traditionalists many works of science fiction engage recognized canonical texts such as the Odyssey and many traditionally canonical works contain elements of science fiction More recently the canon has been subject to revision as scholars have deliberately sought to include works that reflect diversity and have participated in the serious study of popular culture But these attempts to create a more inclusive canon have nonetheless continued to marginalize science fiction This book examines the treatment of science fiction within the academy The expert contributors to this volume explore a wide range of topics related to the place of science fiction in

literary studies These include academic attitudes toward science fiction the role of journals and cultural gatekeepers in canon formation and the marginalization of specific works and authors by literary critics In addition the volume gives special attention to multicultural and feminist concerns In discussing these topics the book sheds considerable light on much broader issues related to the politics of literary studies and academic inquiry

The New Cambridge Bibliography of English Literature: Volume 4, 1900-1950 George Watson, I. R. Willison, 1972-12-07 More than fifty specialists have contributed to this new edition of volume 4 of The Cambridge Bibliography of English Literature The design of the original work has established itself so firmly as a workable solution to the immense problems of analysis articulation and coordination that it has been retained in all its essentials for the new edition The task of the new contributors has been to revise and integrate the lists of 1940 and 1957 to add materials of the following decade to correct and refine the bibliographical details already available and to re shape the whole according to a new series of conventions devised to give greater clarity and consistency to the entries
