## Modern Message Of The Minor Prophets:

THE MODERN MESSAGE OF THE MINOR PROPHETS RAYMOND CALKINS,1947 **Modern Messages from the Minor Prophets** David Pharr,1986-01-01 *The Minor Prophets* James E. Walvoord,Roy B. Zuck,2018-03-01 God s Love and Justice on Display What do we know about the date of Joel s ministry How do the warnings of Malachi relate to the Book of Revelation How did Amos s profession as a rancher influence his prophetic voice Drawing on the research of internationally known Bible scholars this detailed commentary looks at each verse of the final books of the Old Testament The words of the minor prophets draw us closer to God by teaching us about His enduring love His judgment to the unfaithful and mercy to the repentant and His call to restoration for people who have suffered Covering every book from Hosea through Malachi this commentary shows the meaning behind these powerful prophecies while reminding us how ordinary people spoke extraordinary truth on behalf of a loving and just God Six Minor Prophets Through the Centuries Richard J. Allen,2024-04-18 The eloquent and uncompromising calls for social righteousness by the Minor Prophets are familiar to many yet the writings themselves are probably the least studied and least known texts of the Old Testament Those who are familiar with these books are also aware of the historical and literary problems that plague their study Drawing on theological historical and literary insights Leslie Allen s commentary on Joel Obadiah Jonah and Micah carefully and imaginatively reconstructs the context in which the original Hebrew audience received the prophets messages In turn Allen shows what

relevance they hold for contemporary Christians For each of the books Allen includes a substantial introduction presenting and assessing a broad range of scholarship a select bibliography and an extensive commentary on the author's own translation of the text Allen pays special attention to Micah in which he treats at greater length many of the forms and motifs that also appear in Joel Obadiah and Jonah The introductory material for Joel includes discussions of canonicity and textual criticism that apply to the entire volume An Introduction to the Old Testament Prophetic Books C. Hassell

Bullock, 2007-05-01 The Old Testament prophets spoke to Israel in times of historical and moral crisis They saw themselves as being a part of a story that God was weaving throughout history a story of repentance encouragement and a coming Messiah In this updated introductory book each major and minor prophet and his writing are clustered with the major historical events of their time Our generational distance from the age of the prophets might seem to be a measureless chasm Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets but also the God who comprehends spans and transcends all time In these pages C Hassell Bullock presents a clear picture of some of history's most profound spokesmen the Old Testament prophets and the God who shaped them

Cuffey, 2015-02-26 The Literary Coherence of the Book of Micah puts forth a framework to understand the nature of literary coherence This enables an analysis of the sources and dimensions of the coherence found in the book of Micah by the primary scholarly proposals for understanding the structure and connectedness of the whole book Each of these proposals ultimately fails to account for all the features found in the text The author then explains a new reading of the final form of the text of Micah based on the placement of the references concerning the remnant A brief exposition of the text as a canonical whole indicates the flow and development in the final form of the book The framework formulated earlier provides a basis to evaluate the coherence that this understanding of the book of Micah uncovers and to show that this means of reading the canonical book best accounts for the greatest number of features in the text **Jensen Survey-2 Volume Set -Old and New Testaments** Irving
