Cleveland, Martin Bunton, 2018-05-04 A History of the Modern Middle East examines the profound and often dramatic transformations of the region in the past two centuries from the Ottoman and Egyptian reforms through the challenge of Western imperialism to the impact of US foreign policies Built around a framework of political history while also carefully integrating social cultural and economic developments this expertly crafted account provides readers with the most comprehensive balanced and penetrating analysis of the modern Middle East The sixth edition has

been revised to provide a thorough account of the major developments since 2012 including the tumultuous aftermath of the Arab uprisings the sectarian conflict in Iraq and civil war in Syria that led to the rise of ISIS the crises in Libya and Yemen and the United States nuclear talks with Iran With brand new timelines in each part updated select bibliographies and expanded online instructor resources A History of the Modern Middle East remains the quintessential text for courses on Middle East history     **The Modern Middle East** Ilan Pappé, 2005 The Gulf states Two introductory chapters on political and economic history set the broader context The main text focuses on the experience of everyday people from Ottoman and colonial times through the present Rural and urban history popular culture music literature theatre and other media women and the many faces of Islam are the chapter topics Annotation 2006 Book News Inc Portland OR booknews com

*Understanding and Teaching the Modern Middle East* Omnia El Shakry, 2020-10-20 Many students learn about the Middle East through a sprinkling of information and generalizations deriving largely from media treatments of current events This scattershot approach can propagate bias and misconceptions that inhibit students abilities to examine this vitally important part of the world *Understanding and Teaching the Modern Middle East* moves away from the Orientalist frameworks that have dominated the West s understanding of the region offering a range of fresh interpretations and approaches for teachers The volume brings together experts on the rich intellectual cultural social and political history of the Middle East providing necessary historical context to familiarize teachers with the latest scholarship Each chapter includes easy to explore sources to supplement any curriculum focusing on valuable and controversial themes that may prove pedagogically challenging including colonization and decolonization the 1979 Iranian revolution and the US led war on terror By presenting multiple viewpoints the book will function as a springboard for instructors hoping to encourage students to negotiate the various contradictions in historical study     *Encyclopedia of the Modern Middle East & North Africa: Sh-Z, Index* Philip Mattar, 2004 Contains entries that provide information about significant people places and events in the history of the Middle East and North Africa since 1800 arranged alphabetically from Shammar to Zurayk with maps genealogies a glossary and an index     *Rabbinic Creativity in the Modern Middle East* Zvi Zohar, 2013-06-20 Rabbinic Creativity in the Modern Middle East provides a window for readers of English around the world into hitherto almost inaccessible halakhic and ideational writings expressing major aspects of the cultural intellectual creativity of Sephardic Oriental rabbis in modern times The text has three sections Iraq Syria and Egypt and each section discusses a range of original sources that reflect and represent the creativity of major rabbinic figures in these countries The contents of the writings of these Sephardic rabbis challenge many commonly held views regarding Judaism s responses to modern challenges By bringing an additional non Western voice into the intellectual arena this book enriches the field of contemporary discussions regarding the present and future of Judaism In addition it focuses attention on the fact that not only was Judaism a Middle Eastern phenomenon for most of its existence but that also in recent centuries important and interesting aspects of Judaism developed in the Middle

East Both Jews and non Jews will be enriched and challenged by this non Eurocentric view of modern Judaic creativity     *An Introduction to the Modern Middle East* David S. Sorenson, 2018-05-04 Combining elements of comparative politics with a country by country analysis author David S Sorenson provides a complete and accessible introduction to the modern Middle East With an emphasis on the politics of the region the text also dedicates chapters specifically to the history religions and economies of countries in the Persian Arabian Gulf the Eastern Mediterranean and North Africa In each country chapter a brief political history is followed by discussions of democratization religious politics women s issues civil society economic development privatization and foreign relations In this updated and revised second edition *An Introduction to the Modern Middle East* includes new material on the Arab Spring the changes in Turkish politics the Iranian nuclear issues and the latest efforts to resolve the Israeli Palestinian dilemma Introductory chapters provide an important thematic overview for each of the book s individual country chapters and short vignettes throughout the book offer readers a chance for personal reflection

**Party Building in the Modern Middle East** Michele Penner Angrist, 2011-11-15 Why was Turkey alone of all the modern states that emerged from the Ottoman Empire the only Middle Eastern country to evolve lasting competitive political institutions While democratic processes grew steadily in Turkey during the twentieth century its neighbors turned to forms of authoritarian rule that reinforced the powers of armies families single parties or monarchs Michele Angrist argues that democracy and dictatorship in the Middle East can be understood by studying the nature and status of political parties operating at the moment of independence Looking carefully at Muslim majority states where parties played a crucial role in state formation between the 1940s and the 1960s Angrist challenges the idea that Islam class structures levels of development and or international factors dominated domestic politics in the region She writes across the regional divides that have isolated Turkish Arab and Persian studies from each other Comparative political scientists Middle East social scientists and scholars of Turkey will find here a compelling account of party building and democratization in the modern Middle East

**Reflections** VENETIA. PORTER, Charles Tripp, Natasha Morris, 2021-01-05 *Reflections Contemporary Art of the Middle East and North Africa* brings together an extraordinary collection of work from the British Museum for the first time The contemporary art of the Middle East and North Africa is rich and vibrant Whether living in their countries of birth or in diaspora the featured artists are part of the globalised world of art Here we see artists responding to and making work about their present histories traditions and cultures reflecting on a part of the world that has experienced extraordinary change in living memory The British Museum has been acquiring the work of Middle Eastern and North African artists since the 1980s and the collection principally works on paper is one of the most extensive in the public sphere Collected within the context of a museum of history the works offer insights into the nature of civil societies the complex politics of the region and cultural traditions in their broadest sense from the relationship with Islamic art to the deep engagement with literature The

introduction to the book by curator Venetia Porter explores the history of the collection and the works included The essential framework for understanding the politics and context within which the artists are working is provided by Charles Tripp's essay The works are grouped into seven chapters each beginning with a short introduction The authors explore the selection within themes such as faith abstraction and the female gaze

**Intellectual dynamics in the Middle East and North Africa** Ewan Stein, 2017-10-02 More than three years after the beginning of the wave of Arab uprisings an understanding of the role of intellectuals in political change across the region has never been more important This timely volume on Intellectuals in the Modern Middle East combines geographical and chronological breadth and draws on a diverse range of approaches including intellectual history political science art history social policy and political philosophy Together the chapters provide a window into the diversity in intellectual trends across the Middle East from the early decades of the 20th century until the present day While they do not and cannot provide a complete or even representative picture of intellectual dynamics in the modern Middle East they collectively address a range of analytical and normative issues that bear on the role of the intellectual in contemporary Middle Eastern politics and society This book was published as a special issue of the British Journal of Middle Eastern Studies
