## **Modern Poetry Of Western America:**

**A Literary History of the American West** Western Literature Association (U.S.),1987 Literary histories of course do not have a reason for being unless there exists the literature itself This volume perhaps more than others of its kind is an expression of appreciation for the talented and dedicated literary artists who ignored the odds avoided temptations to write for popularity or prestige and chose to write honestly about the American West believing that experiences long knowns to be of historical importance are also experiences that need and deserve a literature of importance **The Cambridge**

**Companion to Literature of the American West** Steven Frye,2016-04-26 This Companion provides a comprehensive introduction to the literature of the American West one of the most vibrant and diverse literary traditions *Modern Poetry of Western America* Clinton F. Larson,William Stafford,1975 **Modern Poetry after Modernism** James

Longenbach,1997-11-27 In this book James Longenbach develops a fresh approach to major American poetry after modernism Rethinking the influential breakthrough narrative the oft told story of postmodern poets throwing off their modernist shackles in the 1950s Longenbach offers a more nuanced perspective Reading a diverse range of poets John Ashbery Elizabeth Bishop Amy Clampitt Jorie Graham Richard Howard Randall Jarrell Robert Lowell Robert Pinsky and Richard Wilbur Longenbach reveals that American poets since mid century have not so much disowned their modernist past as extended elements of modernism that other readers have suppressed or neglected to see In the process Longenbach allows readers to experience the wide variety of poetries written in our time without asking us to choose between them

**Edward Dorn, Charles Olson, and the American West** Paul Varner,2020-03-12 This book examines the poetics of the 20th century American West depicted by Edward Dorn through the influence and inspiration of his Black Mountain College mentor and fellow poet Charles Olson It considers some of the most important and challenging poetic representations of the 20th century American West to come out of the Beat Movement and avant garde literary scene **The Columbia**

**Granger's Guide to Poetry Anthologies** William A. Katz,Linda Sternberg Katz,Esther Crain,1994 Reference guide to poetry anthologies with descriptions and evaluations of each anthology **The Routledge Companion to Gender and the**

**American West** Susan Bernardin,2022-06-19 This is the first major collection to remap the American West though the intersectional lens of gender and sexuality especially in relation to race and Indigeneity Organized through several interrelated key concepts The Routledge Companion to Gender and the American West addresses gender and sexuality from and across diverse and divergent methodologies Comprising 34 chapters by a team of international contributors the Companion is divided into four parts Genealogies Bodies Movements Lands The volume features leading and newer scholars whose essays connect interdisciplinary fields including Indigenous Studies Latinx and Asian American Studies Western American Studies and Queer Feminist and Gender Studies Through innovative methodologies and reclaimed archives of knowledge contributors model fresh frameworks for thinking about relations of power and place gender and genre settler

colonization and decolonial resistance Even as they reckon with the ongoing gendered and racialized violence at the core of the American West contributors forge new lexicons for imagining alternative Western futures This pathbreaking collection will be invaluable to scholars and students studying the origins myths histories and legacies of the American West This is a foundational collection that will become invaluable to scholars and students across a range of disciplines including Gender and Sexuality Studies Literary Studies Indigenous Studies and Latinx Studies      **The Poetry of the Americas** Harris

Feinsod,2017-09-08 The Poetry of the Americas offers a lively and detailed history of relations among poets in the US and Latin America spanning three decades from the Good Neighbor diplomacy of World War II through the Cold War cultural policies of the late 1960s Connecting works by Mart n Ad n Elizabeth Bishop Paul Blackburn Jorge Luis Borges Julia de Burgos Ernesto Cardenal Jorge Carrera Andrade Allen Ginsberg Langston Hughes Jos Lezama Lima Pablo Neruda Charles Olson Octavio Paz Heberto Padilla Wallace Stevens Derek Walcott William Carlos Williams and many others Feinsod reveals how poets of many nations imagined a poetry of the Americas that linked multiple cultures even as it reflected the inequities of the inter American political system This account offers a rich contextual study of the state sponsored institutions and the countercultural networks that sustained this poetry from Nelson Rockefeller s Office of the Coordinator for Inter American Affairs to the mid 1960s avant garde scene in Mexico City This innovative literary historical project enables new readings of such canonical poems as Stevens s Notes Toward a Supreme Fiction and Neruda s The Heights of Macchu Picchu but it positions these alongside lesser known poetry translations anthologies literary journals and private correspondences culled from library archives across the Americas The Poetry of the Americas thus broadens the horizons of reception and mutual influence and of formal historical and political possibility through which we encounter midcentury American poetry recasting traditional categories of U S or Latin American literature within a truly hemispheric vision      A Companion to the Literature

and Culture of the American West Nicolas S. Witschi,2014-02-03 A Companion to the Literature and Culture of the American West presents a series of essays that explore the historic and contemporary cultural expressions rooted in America s western states Offers a comprehensive approach to the wide range of cultural expressions originating in the west Focuses on the intersections complexities and challenges found within and between the different historical and cultural groups that define the west s various distinctive regions Addresses traditionally familiar icons and ideas about the west such as cowboys wide open spaces and violence and their intersections with urbanization and other regional complexities Features essays written by many of the leading scholars in western American cultural studies      **International Who's Who in Poetry 2004** Europa
