Decapitation and Disgorgement. The Female Body's Text in Early Modern English Drama and Poetry Melanie A Hanson, 2012-02-13 This book brings the ideas of French feminist H l ne Cixous to bear on a number of Early Modern English texts The female characters of Mariam from Elizabeth Cary s The Tragedy of Mariam Lavinia from William Shakespeare s Titus Andronicus as well as John Milton s Eve in Paradise Lost and the poetic voice of Isabella Whitney are investigated through the application of Cixous s theories of figurative decapitation and disgorgement The author examines the creation of a unique discourse

through the blending of what is stereotypically referred to as female text with male discourse which results in what Cixous would call bisexual discourse *Oxford Modern English Grammar* Bas Aarts, 2011-02-10 Uses authentic spoken and written examples from the British Component of the International Corpus of English ICE GB as well as newspapers and other sources

Aspects of Old English Poetic Syntax Mary Eva Blockley, 2001 Distinguished by a remarkable combination of erudition and lucidity *Aspects of Old English Poetic Syntax* provides new insight into the rules that govern syntactic relationships and indicates how these rules differ for prose and verse Blockley considers the functions of four of the most common and most syntactically important words in Old English as well as such features of clauses as verb initial order negative contraction and unexpressed but understood subjects Picking up where Bruce Mitchell's classic *Old English Syntax* left off Blockley shows how such common words and structures mark the relationships between phrases and clauses **The Verb in**

Contemporary English Bas Aarts, Charles F. Meyer, 2006-06 This collection of essays by some of the leading scholars in the field sheds new light on the verb in English The central concern of the volume is to illustrate that verbs can only be adequately and properly understood if studied from both a theoretical and descriptive perspective In part one theoretical topics are explored terminological problems of classifying verbs and verb related elements the determining properties of verbs verb complementation the semantics and pragmatics of verbs and verbal combinations and the notions of tense aspect voice and modality In part two computer corpora are used to study various types of verb complements and collocations to trace the development in English of certain verb forms and to detail the usage of verbs in different varieties and genres of English

Immateriality and Early Modern English Literature James A. Knapp, 2020-02-03 Examines literary engagement with immateriality since the material turn in early modern studies Provides six case studies of works by Shakespeare Donne and Herbert offering new readings of important literary texts of the English Renaissance alongside detailed chapters outlining attitudes towards immateriality in works of natural philosophy medicine and theology Employs an innovative organization around three major areas in which problem of immaterial was particularly pitched Ontology Theology and Psychology or Being Believing and Thinking Includes wide ranging references to early modern literary philosophical and theological texts Demonstrates how innovations in natural philosophy influenced thought about the natural world and how it was portrayed in literature Engages with current early modern scholarship in the areas of material culture cognitive literary studies and phenomenology *Immateriality and Early Modern English Literature* explores how early modern writers responded to rapidly shifting ideas about the interrelation of their natural and spiritual worlds It provides six case studies of works by Shakespeare Donne and Herbert offering new readings of important literary texts of the English Renaissance alongside detailed chapters outlining attitudes towards immateriality in works of natural philosophy medicine and theology Building on the importance of addressing material culture in order to understand early modern literature Knapp demonstrates how the literary imagination was shaped by changing attitudes toward the immaterial realm
