The Freemason and Masonic Illustrated. A Weekly Record of Progress in Freemasonry ,1887 **The Public's Open to Us All** Laura Engel,2020-10-27 The Public s Open to Us All Essays on Women and Performance in Eighteenth Century England considers the relationship between British women and various modes of performance in the long eighteenth century From the moment Charles II was restored to the English throne in 1660 the question of women s status in the public world became the focus of cultural attention both on and off the stage In addition to the appearance of the first actresses during this period female playwrights novelists poets essayists journalists theatrical managers and entrepreneurs emerged as skillful and often demanding professionals In this variety of new roles

eighteenth century women redefined shifting notions of femininity by challenging traditional representations of female subjectivity and contributing to the shaping of eighteenth century society's attitudes, tastes and cultural imagination. Recent scholarship in eighteenth century studies reflects a heightened interest in fame, the rise of celebrity culture and new ways of understanding women's participation as both private individuals and public professionals. What is unique to the body of essays presented here is the authors' focus on performance as a means of thinking about the ways in which women occupied, negotiated, reimagined and challenged the world outside of the traditional domestic realm. The authors employ a range of historical, literary and theoretical approaches to the connections among women and performance and in doing so make significant contributions to the fields of eighteenth century literary and cultural studies, theatre history, gender studies and performance studies.

The Woman with the Alabaster Jar Margaret Starbird, 1993-06-01 Margaret Starbird's theological beliefs were profoundly shaken when she read *Holy Blood Holy Grail*, a book that dared to suggest that Jesus Christ was married to Mary Magdalene and that their descendants carried on his holy bloodline in Western Europe. Shocked by such heresy, this Roman Catholic scholar set out to refute it but instead found new and compelling evidence for the existence of the bride of Jesus, the same enigmatic woman who anointed him with precious unguent from her alabaster jar. In this provocative book, Starbird draws her conclusions from an extensive study of history, heraldry, symbolism, medieval art, mythology, psychology and the Bible itself. *The Woman with the Alabaster Jar* is a quest for the forgotten feminine in the hope that its return will help restore a healthy balance to planet Earth.

Handbook of Freemasonry, 2014-06-12 Freemasonry is the largest, oldest and most influential secret society in the world. The Brill *Handbook of Freemasonry* is a pioneering work that brings together for the first time leading scholars on Freemasonry. The first section covers historical perspectives such as the origins and early history of Freemasonry. The second deals with the relationship between Freemasonry and specific religious traditions such as the Catholic Church, Judaism and Islam. In the third section, organisational themes such as the use of rituals are explored, while the fourth section deals with issues related to society and politics, women, blacks, colonialism, nationalism and war. The fifth and final section is devoted to Freemasonry and culture, including music, literature, modern art, architecture and material culture.

Encyclopedia Of Freemasonry Albert G. Mackey, 2013-10-24 Dr Albert G Mackey, also the author of *The Lexicon of Freemasonry*, appears as author of this *Encyclopedia of Freemasonry and its Kindred Sciences*, which being a library in itself superseded most of the Masonic works which have been tolerated by the craft chiefly because none better could be obtained. Here in one giant volume is a work which fulfils the hope which sustained the author through ten years' literary labor, that under one cover he would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy and the history of his order. For more than thirty years Dr Mackey has devoted earnest and constant study and research to the history, the objects and the condition of Masonry. In the present work, the crowning and

successful result of a life s labors he has received no assistance from any one He says Every article was written by myself and he adds which would extenuate errors had he fallen into any For twelve months too of the time occupied upon this work I suffered from an affection of the sight which forbade all use of the eyes for purposes of study During that time now happily passed all authorities were consulted by the willing eyes of my daughters all writing was done by their hands I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters and his preface closes with the words Were I to dedicate this work at all my dedication should be To Filial Affection Up to the present time the modern literature of Freemasonry has been diffuse lumbering unreliable and out of all reasonable proportions
