Teeuw,2013-03-09 The history of this book dates back exactly 20 years When I first set foot on the shores of Indonesia in September 1947 I was amongst other things assigned the task of teaching Malay literature in an advanced teacher training course with the instruction to lay stress on modern literature This was easier said than done as very little had been written on the subject and few materials were available to me From this period I recall with great gratitude the regular and friendly contacts I had with Mr Sutan Takdir Alisjahbana who in many ways me with information and documentation helped The editors of the magazine *Kritiek en Opbouw* found my lecture notes on some pre war authors worth publishing These articles with an introduction on Bahasa Indonesia and some other additions were subsequently collected and published by Pembangunan under the title *Voltooid Voorspel* Completed Prelude Djakarta 1950 The little book sold fairly quickly but rather than publishing a new edition in Dutch the publisher was interested in bringing out an Indonesian adaptation Much material was added the larger part of which had been collected by writing occasional reviews of Indonesian literary works for the Dutch newspaper *Nieuwsgier* in Djakarta The text of the book was very conscientiously turned into Bahasa Indonesia by Anku Raihul Amar gl      Quarterly Bulletin of the Providence Public Library Providence Public Library (R.I.),1924
