Modern Poetry And The Tradition:

Modern Poetry and the Tradition Cleanth Brooks, 2018-02-01 This study presents the revolutionary thesis that English poetry and poetic theory were deflected from their richest line of development by the scientific rationalism that came with Hobbes and has continued its restrictive influence to the present day when such poets as Yeats and Eliot have begun the reestablishment of the earlier line of development Originally published in 1939 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

The Figure of the Animal in Modern and Contemporary Poetry Michael Malay, 2018-06-05 This book argues that there are deep connections between poetic thinking and the sensitive recognition of creaturely others It explores this proposition in relation to four poets Marianne Moore Elizabeth Bishop Ted Hughes and Les Murray Through a series of close readings and by paying close attention to issues of sound rhythm simile metaphor and image it explores how poetry cultivates a special openness towards animal others The thinking behind this book is inspired by J M Coetzee's *The Lives of Animals* In particular it takes up that book's suggestion that poetry invites us to relate to animals in an open ended and sympathetic manner Poets according to Elizabeth Costello the book's protagonist return the living electric being to language and doing so compel us to open our hearts towards animals and the claims they make upon us There are special affinities for her between the music of poetry and the recognition of others But what might it mean to say that poets to return life to language And why might this have any bearing on our relationship with animals Beyond offering many suggestive starting

points Elizabeth Costello says very little about the nature of poetry's special relationship with the animal one aim of this study then is to ask of what this relationship consists not least by examining the various ways poets have bodied forth animals in language

Making of Modern Poetry in Canada Louis Dudek, Michael Gnarowski, 2017-04-24 The Making of Modern Poetry in Canada gathers together primary literary documents including manifestos reviews critical essays and recollections to illustrate the most significant developments in the rise of modernist English Canadian poetry Rather than present exclusively academic criticism the editors have carefully selected original texts by the principal figures of modernism to offer readers a behind the scenes look at twentieth century poetry in Canada Collecting several decades of writings by luminaries beginning with pivotal essays by John Sutherland and A J M Smith and including George Bowering Northrop Frye Irving Layton P K Page F R Scott Raymond Souster and William Carlos Williams this volume also provides explanatory notes to guide the reader and to evaluate the significance of each piece in its literary and historical context This classic work of Canadian literary studies is now back in print with a substantial new introduction and appendices by Michael Gnarowski who explains and interprets the essence of key initiatives in the unfolding of a modernist point of view The Making of Modern Poetry in Canada offers a comprehensive chronological path from the earliest examples of Canadian modernism to the beginning of the postmodern period

The Fugitive Legacy Charlotte H. Beck, 2001-01-01 Previously the protagonists of John Crowe Ransom Allen Tate Donald Davidson and Robert Penn Warren have received considerable scholarly attention only as individuals or in relation to small groups of close knit writers within single literary genres Now for the first time this far ranging group of accomplished writers is united as part of a larger phenomenon the Fugitive legacy which has extended its influence far beyond the parameters of southern literature In The Fugitive Legacy Charlotte H Beck demonstrates the strong influence of the Nashville Fugitives as teachers editors and mentors by examining the extraordinary impact on American letters of the critics poets and fiction writers whom they taught or sponsored By treating the careers of these brilliant authors as a single chapter in literary history Beck makes an invaluable contribution to the understanding of southern literature The cultural importance of the Fugitives has too often been confused with the narrow politics of Agrarianism and relegated to a reactionary piety for regionalism and dead tradition The Fugitive Legacy fills a void in southern literary theory by revealing the resounding echo of this group's voice in modern American literature

The Cambridge Companion to Modernist Poetry Alex Davis, Lee M. Jenkins, 2007-07-19 This Companion offers the most comprehensive overview available of modernist poetry its forms its major authors and its contexts The first part explores the historical and cultural contexts and sexual politics of literary modernism and the avant garde The chapters in the second part concentrate on individual authors and movements while the concluding part offers a comprehensive overview of the early reception and subsequent canonisation of modernist poetry As well as insightful readings of canonical poets the Companion features extended discussions of poets whose importance is now being increasingly recognised such as Mina Loy poets of the Harlem

Renaissance and postcolonial poets in the Caribbean Africa and India While modernist poets are often thought of as difficult these essays will help students to understand and enjoy their experimental playful and fascinating responses to contemporary social and cultural change and their dialogue with the arts and with each other *The Situation of Poetry* Robert Pinsky,1978-10-21 In this book Robert Pinsky writes about contemporary poetry as it reflects its modernist and Romantic past He isolates certain persistent ideas about poetry s situation relative to life and focuses on the conflict the poet faces between the nature of words and poetic forms on one side and the nature of experience on the other The author ranges for his often surprising examples from Keats to the great modernists such as Stevens and Williams to the contents of recent magazines He considers work by Ammons Ashbery Bogan Ginsberg Lowell Merwin O Hara and younger writers offering judgments and enthusiasms from a viewpoint that is consistent but unstereotyped Like his poetry Robert Pinsky s criticism joins the traditional and the innovative in ways that are thoughtful and unmistakably his own His book is a bold essay on the contemporary situation in poetry on the dazzling achievements of modernism and on the nature or situation of poetry itself
