Modern Polish Mind

Nancy Sinkoff

Modern Polish Mind:

The Modern Polish Mind Maria Szczepańska Kuncewiczowa, Maria Kuncewiczowa, 1963 **The Modern Polish Mind** Maria Szczepańska Kuncewiczowa, 2003-01-01 *The Modern Polish Mind, Etc* Maria Kuncewiczowa, 1963 *The Modern Polish Mind* Anonymous, 2021-09-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Rethinking Modern Polish Identities Agnieszka Pasieka, Paweł Rodak, 2023 A critical examination of the category of Polishness that is the formation redefinition and performance of various kinds of Polish identities from a wide range of disciplinary perspectives Inspired by new research in the humanities and social sciences as well as recent scholarship on national identities this volume offers a rigorous examination of the idea of Polishness Offering a diversity of case studies and methodological theoretical approaches it demonstrates a profound connection between national and transnational processes and places the Polish case in a broader context This broader context stretches from a larger Eastern European one a usual frame of comparison to the overseas immigrant communities The authors renowned scholars from Europe and the United States thus demonstrate that an understanding of modern Polish identity means crossing not only historical but also geographical boundaries Consequently the narrative on Polish identity that unfolds in the volume is a personalized and multivocal one that presents the perspectives of a wide range of subjects peasants workers migrants ethnic and sexual minorities that is all those actors who have been absent in grand national narratives As such the examination of Polishness sheds light on the identity question more broadly emphasizing the interplay of pluralizing and homogenizing tendencies and fostering a reflection on national identity as encompassing both sameness and difference *The Modern Polish Mind* Maria Szczepańska Kuncewiczowa, 1963

The Idea Of Nationalism Hans Kohn, 1969 In this sixtieth anniversary edition of *The Idea of Nationalism* Craig Calhoun probes the work of Hans Kohn and the world that first brought prominence to this unparalleled defense of the national ideal in the modern West At its publication *Saturday Review* called it an enduring and definitive treatise Kohn has written a book which is less a history of nationalism than it is a history of Western civilization from the standpoint of the national idea This edition includes an extensive new introduction by Craig Calhoun which in itself is a substantial contribution to the history of ideas *The Idea of Nationalism* comprehensively analyzes the rise of nationalism the idea s content and its worldwide implications from the days of Hebrew and Greek antiquity to the

eve of the French Revolution As Calhoun explains Kohn was particularly qualified to undertake this study He grew up in Prague the vigorous heart of Czech nationalism participated in the Zionist student movement studied the question of nationality in multinational cultures spent the World War One years in Asian Russia and later traveled extensively in the Near East studying the nationalist movements of western and southern Asia The work itself is the product of Kohn s later years at Harvard University In *The Idea of Nationalism* Kohn presents the single most influential articulation of the distinction between civic and ethnic nationalism This has shaped nearly all ensuing research and public discussion and deeply informed parallel oppositions of early and late Western and Eastern varieties of nationalism Kohn also argues that the age of nationalism represents the first period of universal history Civilizations and continents are brought into ever closer contact popular participation in politics is enormously increased and the secular state is ever more significant *The Idea of Nationalism* is important both in itself and because it so deeply shaped all the work that followed it After sixty years his interpretations and analyses remain acute and instructive *The Modern Polish Mind. An Anthology Edited by M.*

Kuncewicz Maria Kuncewiczowa,1962 *Out of the Shtetl* Nancy Sinkoff,2003 **The Polish August** Neal Ascherson,2011-10-28 What has happened in Poland Poland has erupted four times in the last twenty five years but only the events of 1980 have had comprehensive media coverage As a result many questions have been raised in the minds of Western observers How were such changes possible What forces lay behind them In what way did the workers strike relate to the demands for political democracy Although a colourful and vivid eye witness account of the 1980 upheavals it is to these questions that Neal Ascherson s brilliant and thoughtful analysis mainly addresses itself Viewing the situation in perspective he argues that the Polish working class has brought about a controlled revolution but is not intent on taking power for itself the real heirs to the gains of 1980 and 1981 are likely to be the intelligentsia in or out of the Communist Party It is this social and political ferment that poses fundamental questions about the future of the whole Soviet system in Eastern Europe

The Penguin Book of Polish Short Stories Antonia Lloyd-Jones,2025-06-05 A revelatory and richly varied collection of Poland s greatest short stories with a foreword by Nobel Prize winner Olga Tokarczuk Witty surprising and sparkling this anthology is an essential exploration of Polish literature Its thirty nine superb stories run the length of the literal and imaginative creation of Poland from 1918 when Poland regained its independence after 123 years of colonization by the neighbouring empires to the present The stories include *Miss Winczewska* by the acclaimed twentieth century writer Maria Dabrowska 1889-1965 based on her experience of helping to establish a library for soldiers at the Citadel military base in Warsaw in the interwar period and *In the Shadow of Brooklyn* by Stanislaw Dygat 1914-1978 the comical tale of a young man s envy of what he imagines to be his father s success with women At the contemporary end it includes a story by Nobel Prize winner Olga Tokarczuk 1962 *The Green Children* a historical story set in 1656 narrated by a Scottish doctor who as the Polish king s physician travels about the wilds of Poland and encounters two feral children Curated by Antonia Lloyd Jones

this anthology is a refreshing and glorious new collection of the best in Polish literature The History of Polish Literature, Updated Edition Czeslaw Milosz, 1983-10-24 This book is a survey of Polish letters and culture from its beginnings to modern times Czeslaw Milosz updated this edition in 1983 and added an epilogue to bring the discussion up to date Confronting Antisemitism in Modern Media, the Legal and Political Worlds Armin Lange, Kerstin Mayerhofer, Dina Porat, Lawrence H. Schiffman, 2021-05-10 This volume documents the transformation of age old antisemitic stereotypes into a new form of discrimination often called New Antisemitism or Antisemitism 2.0 Manifestations of antisemitism in political legal media and other contexts are reflected on theoretically and contemporary developments are analyzed with a special focus on online hatred The volume points to the need for a globally coordinated approach on the political and legal levels as well as with regard to the modern media to effectively combat modern antisemitism The Polish Biographical Dictionary Stanley S. Sokol, Sharon F. Mrotek Kissane, Alfred L. Abramowicz, 1992 Profiles nearly 900 prominent Poles in all walks of life beginning with Mieszko I who in 963 united six tribes to form the nation of Poland and continuing up to the country's present Ten saints and 11 Nobel Prize winners are among the subjects as are the inventor of the automobile windshield wiper The Sound of Modern Polish Poetry Aleksandra Kremer, 2021-12-07 The Sound of Modern Polish Poetry unearths recordings from Polish poets such as Czeslaw Milosz Wislawa Szymborska and Zbigniew Herbert Analyzing their singular performance styles Aleksandra Kremer argues that twentieth century Polish artists developed new aesthetics of reading and novel concepts of the poetic self Lyric Poetry and Modern Politics Clare Cavanagh, 2009-01-01 This work explores the intersection of poetry national life and national identity in Poland and Russia from 1917 to the present It also provides a comparative study of modern poetry from the perspective of the Eastern and Western sides of the Iron Curtain **The Profane Book of Irish Comedy** David Krause, 2019-06-30 A fierce mirth characterizes antic Irish comedy To the degree to which everyone sympathizes with the need to mock repressive authority everyone is potentially Irish It is the Irish dramatists themselves says David Krause that are the true authors of the profane book of Irish comedy The body of literature they have produced desecrates the sacred in Ireland and launches a sardonic attack on the queen of Irish nationalism Cathleen Ni Houlihan the old sow who according to Joyce's tragicomic jest tries to devour her creative farrow Krause discusses the major works of fourteen Irish playwrights Samuel Beckett Brendan Behan Dion Boucicault William Boyle Paul Vincent Carroll George Fitzmaurice Lady Gregory Denis Johnston Sean O'Casey Lennox Robinson Bernard Shaw George Shields J.M. Synge and W.B. Yeats and shows the ways in which these works are linked emotionally and thematically to early Gaelic literature and the tradition of the mythic pagan playboy Oisín or Úisín As the last great pagan hero of Ireland Oisín emerges as an archetype for the many playboys and paycocks of Irish comedy Oisín was the antithesis of St Patrick the first great Christian saint of Ireland who condemning pleasure and threatening eternal damnation came to represent all authority The bearers of this dark and wild Celtic tradition which Synge and O'Casey associated with a daimonic or barbarous impulse laugh irreverently at

their own creations This laughter the laughter of the culture s mythmakers brings with it emotional relief comic catharsis

Catalog of Copyright Entries. Third Series Library of Congress. Copyright Office,1963 Includes Part 1 Number 1 Books and Pamphlets Including Serials and Contributions to Periodicals January June **Anti-Portraits: Poetics of the Face in Modern English, Polish and Russian Literature (1835-1965)** Kamila Pawlikowska,2015-10-05 Anti Portraits Poetics of the Face in Modern English Polish and Russian Literature 1835 1965 is a study of a physiognomic descriptions of the face It demonstrates that writers such as George Eliot Leo Tolstoy Edgar Allan Poe Nicolay Gogol Virginia Woolf and Witold Gombrowicz vigorously resisted the belief that facial features reflect character While other studies tend to focus on descriptions which affirm physiognomy this book examines portraits which question popular face reading systems and contravene their common premise the surface depth principle Such portraits reveal that physiognomic formula is a cultural construct invented to abridge organise and regulate legibility of the human face Most importantly strange and unreadable fictional faces frequently expose the connection between physiognomic judgement and stereotyping prejudice and racism
