which provides abundant life giving water and its great temple where pilgrims come to worship the totems of hundreds of gods It is here that the prophet Muhammad is born As an orphan he is disparaged by society Brought up by an uncle he was put to work on the caravan trade traveling throughout Arabia and soaking in an array of knowledge and religious views He is a man of wisdom and faith who is troubled by the world around him When God speaks to him he sets out to preach what he has been told Though every tribe has their own deity he speaks of just one God He shuns arrogance and the pursuit of luxury over truth and seeks to abolish slavery In this patriarchal culture he insists that smothering infant girls in the sand is murder a custom to be abolished As the prophet starts to develop a following the leaders of the city recognize the threat his radical views have to their lifestyle one of wealth built in part upon the backs of slaves The nobles try to turn the people and even his own family against him They ban him and his tribe and they torture and kill those who follow him But no matter what they do to him his influence continues to grow The two sides eventually call upon allies throughout Arabia rallying warriors for an epic battle that will forever change the course of history

The Islamic Inversion Robert Sievers,2018-06-22 Any endeavor to lead Muslims to Christ comes with its own unique frustrations Attempts to get Muslims into Gods Word often seem to go nowhere Islam generates a steady stream of barricades and firewalls that systematically thwart efforts to share the good news of Jesus Christ Ironically enough the hidden opportunities to lead Muslims to Christ may actually be found in the very assaults Muslims make on core Christian doctrines Islamic theology conforms to a certain pattern of spiritual reversal when contrasted against sound Christian doctrine By recognizing these patterns Christians can find new ways to interact with Muslims in a manner that is nonconfrontational without denying the exclusivity and power of the gospel With prayer and love the follower of Christ may use these antiparallels or inversions to find a unique and peculiar avenue to share the good news with Muslims
