*Mujer de palabras* Rosario Castellanos, 2004      **Mujer de palabras** Rosario Castellanos, 2004      **Mujer de palabras. Artículos rescatados, II** Castellanos, Rosario, 2025-04-02 Ignorados durante décadas los 399 ensayos y artículos periodísticos de Rosario Castellanos rescatados prologados y recopilados por Andrea H Reyes aparecieron por primera vez con el sello de Conaculta entre 2004 y 2007 en tres volúmenes. Ahora el FCE en conjunto con el Centro de Investigaciones y Estudios de Género de la UNAM reedita en dos libros la totalidad de los textos dándole una nueva división la primera parte con escritos que detallan sus años universitarios en 1947 hasta aquellos que denuncian la masacre de Tlatelolco en 1968 pues incluye los ensayos periodísticos de esa época y los publicados hasta enero de 1969 en los que Castellanos respondió directamente al atroz crimen y la segunda parte que abarca de 1969 hasta su muerte accidental en 1974. A lo largo de estas páginas se advierten ciertos temas que interesaron a Castellanos en su labor ensayística la literatura la vida social en México la autobiografía las mujeres los asuntos internacionales y la maternidad. También se percibe el cambio en la manera de acercarse a los textos y a los lectores pues de una inicial timidez y dificultad para practicar el género vemos cómo van derivando de manera prodigiosa en textos humorísticos irónicos profundos y que se enriquecen al incorporar el análisis de las tendencias literarias la crítica feminista los peligros del patriotismo el proceso de conocer Israel y por supuesto los avatares de la crianza de los hijos.

descubrimos a una escritora que no era la que habíamos conocido cuando fuimos adolescentes. No no era la misma. Por eso para compartir su vida y obra abrimos un espacio para platicar con ella para cuestionarla e interpellarla y sugerir que ustedes también pueden hacerlo.

*Escritora, No Hay Camino* Lourdes Parra Lazcano, 2025-04-22. Escritora no hay camino. Explores Mexican travel literature from early nineteenth century publications to the contemporary era to reveal how the experiences of six women writers reconfigured perceptions of themselves and the foreign. From a feminist and transcultural critique, this book delves into how Laura M. Ndez de Cuenca, Elena Garro, Rosario Castellanos, María Luisa Puga, Esther Seligson, and Myriam Moscona confront cultural normativity in their narratives drawing on their cultural interactions in Spain, Germany, Kenya, England, Israel, and Bulgaria among other countries. The cross-cultural performativities studied here allow us to analyse how the authors incorporate categories such as sex, gender, class, nationality, and ethnicity in their works. The comparative chapters explore themes such as transatlantic intellectual exchanges, the border identities critique of normativity, and the relationship of genealogy to literary and cultural re-appropriations. This book offers an analytical insight into how Mexican women writers have contributed to travel literature by subverting and reconfiguring their identity and relationship to the world.

*Escritora no hay camino* explora la literatura de viaje mexicana desde las primeras publicaciones del siglo XIX hasta la época contemporánea para revelar cómo las experiencias de seis escritoras reconfiguraron percepciones sobre sí mismas y lo extranjero. Desde una crítica feminista y transcultural, el libro profundiza en cómo Laura M. Ndez de Cuenca, Elena Garro, Rosario Castellanos, María Luisa Puga, Esther Seligson y Myriam Moscona enfrentan las normatividades culturales en sus relatos a partir de sus interacciones culturales en España, Alemania, Kenia, Inglaterra, Israel y Bulgaria entre otros países. Las performatividades transculturales que aquí se estudian permiten analizar cómo las autoras incorporan categorías como sexo, género, clase social, nacionalidad y etnicidad en sus obras. En los capítulos comparativos se exploran temas como los intercambios intelectuales transatlánticos, la crítica a las normatividades de las identidades fronterizas y la relación de la genealogía con las reappropriaciones literarias y culturales. Este libro ofrece una mirada analítica para comprender cómo las escritoras mexicanas han contribuido a la literatura de viaje subvirtiendo y reconfigurando tanto su identidad como su relación con el mundo.

**Palabras de mujeres** María del Mar López-Cabrales, 2000-09-15. A través de sendas entrevistas a trece escritoras españolas, la autora presenta el panorama de la narrativa española contemporánea creada por mujeres. Evitando cualquier aproximación academicista, abordan su concepción particular sobre el proceso literario, experiencias personales y opiniones sobre la situación de las mujeres en la España actual. Los resultados son sorprendentes: es un nido la aversión hacia la posibilidad de que sus obras se cataloguen como literatura feminista o literatura de mujer, aunque todas desean ser conocidas como escritoras. La representación es amplia desde las que empezaron a publicar en los años 60-70, Ana María Moix y Esther Tusquets, pasando por quienes empezaron en los 80.

Guti rrez,2022-06-01 In New Mexico s Moses Ram n A Guti rrez dives deeply into Reies L pez Tijerina s religious formation during the 1940s and 1950s illustrating how his Pentecostal foundation remained an integral part of his psyche even as he migrated toward social movement politics An Assemblies of God evangelist turned Pentecostal itinerant preacher Tijerina used his secularized apocalyptic theology to inspire the dispossessed heirs of Spanish and Mexican land grants fighting to recuperate ancestral lands throughout northern New Mexico and the Southwest Using Tijerina s collected sermons Guti rrez demonstrates the ways in which biblical prophecy influenced Tijerina throughout his life from his early days as a preacher to his leadership of the Alianza Federal de Mercedes

Tijerina sought justice for those who had lost their lands and was determined to eradicate the most egregious forms of racism and to valorize the language and culture of mexicanos Translated into English for the first time here Tijerina s sermons serve as a blueprint for the religious origins of the Mexican American Civil Rights Movement La imagen de la mujer en la literatura M. Àngels Calero,1996-01-01 **Julián del Casal (in memoriam)** Francisco Moran,Francisco Morán,2012 The compilation La Habana Elegante Segunda epoca XV Anniversary 1998 2012 Julian del Casal In Memoriam produced by prof Francisco Moran offers a wide selection of memories testimonies and critical readings on Julian del Casal Havana 1863 1893 and of literary works inspired by his work and poetic figure that attest to the fascination that for already more than a century the poet of Nieve has exerted on Cuban and other Latin American writers Included are texts from already classic authors such as Ruben Dario Jose Marti Paul Verlaine Jose Lezama Lima Cintio Vitier Dulce Maria Loynaz Virgilio Pi era Enrique J Varona Juan Marinello etc This selection shows the impact of Casal on the generation of Cuban writers of the 90s who took him as a point of reference to critically examine the Cuban literary tradition Among other important texts from those years are those authored by Antonio J Ponte Pedro Marques de Armas and Victor Fowler which are already essential when evaluating Casal s critical reception and his permanent mark on Cuban poets That s why this compilation is also a testimony to the modernity of Modernismo because Casal emerges as an exemplary poet in whom life and work can no longer be separated one from the other nor from the scope of the city This volume also shows the intimate connection between graphics and print and between popular and literary culture when reproducing the advertising announcements of the magazines of the time as well as their covers photographs cartoons and drawings and bringing into light their mutual interdependency Besides contributing to Casal s own iconography photos are included that were either unknown until now or had not been printed the volume features a complete reproduction of the issue of La Habana Elegante from October 29 1893 in which the magazine paid tribute to Casal only a few days after his death Through critical readings of Casal s works written when he was still alive and then throughout the twentieth century the author of Nieve whom Marinello considered one of the most representative Modernists of Hispano America scholars will find a unique critical archive for its comprehensiveness which invites one to rethink through Casal the modernista canon the relationship between literature and politics modernismo modernity the autonomy of the art decadentism in Hispano America the representations of eroticism and sexuality in Modernismo the relation between high culture and popular culture the construction and debates of identities Cuban Hispano American Specialists enthusiastic scholars and professors dedicated to the teaching of nineteenth century literature and culture in Hispano American will want to have this edition for its value as an archive and a critical source and one of knowledge about the time Along with the anthologies of Juana Borrero and Bonifacio Byrne also compiled by Moran and published by Stockcero the volume dedicated to Casal expands still more the possibilities of re evaluating Cuban Modernismo and even Hispano American Modernism facilitating new lines of investigation that seek to extend and to complicate the

relationship between the most canonical figures and geographical areas of Modernismo and those that are still considered peripheral
