## Muldon Revisited:

**"Something Dreadful and Grand"** Stephen Watt, 2015 This book traces the often uncanny relationships between Irish and Jewish America arguing for the centrality of these two diasporic groups to the development of American popular music fiction and especially drama *Understanding Prime-Ministerial Performance* Paul Strangio, Paul 't Hart, James Walter, 2013-03-28 At the beginning of the twenty first century prime ministers loom larger in the consciousness of their nations than perhaps in any previous era But how well do we really understand the variables of prime ministerial performance and specifically why some prime ministers apparently flourish in the role while others wither This study examines how prime ministers perform as leaders of their governments parties and nations It offers new ways of thinking about prime ministerial power and leadership and systematic empirical studies of prime ministerial leadership practices in four Westminster democracies the United Kingdom Canada Australia and New Zealand The volume features contributions from leading political scientists from all of these countries and is organised into three major sections understanding power in prime ministerial performance prime ministers and their parties and evaluating prime ministerial performance Through its collaborative and multifaceted approach the volume demonstrates that there are no hard and fast propositions or rules of thumb to capture what it is that makes us think of some prime ministers as so much more effective than others Instead it highlights the importance for students of executive government to grasp the contingent interplay between personal institutional and contextual factors in understanding and evaluating prime ministerial performance **The Poetry of Bloody Sunday** Kübra Özermiş, 2025-09-29 As a turning point that changed the course of the Troubles the Bloody Sunday massacre continues to define ongoing debates about the legacy of the Troubles and the impact of state violence Bloody Sunday has been at the centre of numerous cultural and literary expressions which deal with the grief and trauma of the massacre such as murals songs plays and poetry This volume is the first comprehensive study of the poetry of Bloody Sunday written by critically acclaimed Irish poets including Seamus Heaney Paul Muldoon Thomas Kinsella Seamus Deane and Medbh McGuckian By focusing on poems written between 1972 and 2015 this book examines each poet's attempt to find an apt way of articulating the anger trauma and grief over the massacre with most of the poets continuously returning to the shooting in their poetry throughout their careers The monograph outlines how in the face of adversity the poets draw on old Irish literary traditions such as Gaelic laments and Aisling poetry which offer an indigenous anti colonial and counter hegemonic response to a massacre that was experienced as a colonial aggression It also discusses the complex relationship between poetry and politics and the negotiation between aesthetic freedom and the moral obligation to write about Bloody Sunday **New Zealand Prime Ministers**, *The Mighty Totara: The Life and Times of Norman Kirk* David Grant, 2014-03-07 A major biography of arguably New Zealand's greatest modern political leader As Norman Kirk's body lay in state near the steps of Parliament on the day after his death on 31 August 1974 a kaumatua wailed the mighty totara has

fallen The lament reflected what many New Zealanders felt about this big commanding and loved leader dead at just 51 More than 30 000 people filed past Kirk s casket over two days and again in Christchurch in a commemoration that matched only Michael Joseph Savage s for emotional power Both men died in office both men were humanitarians Kirk also worked to move the Labour Party away from its cloth cap heritage to embrace a much broader electoral compass for it to become in his words the natural party of New Zealand Prime Minister of New Zealand between November 1972 and August 1974 Kirk s childhood was blighted with poverty yet he thrived He moved into a succession of manual trades before booming into local body politics His political rise was rapid from mayor of Kaiapoi at the age of 30 to leader of the Labour Party within a few years This book examines Kirk s political leadership his successes especially his stunning performances on the international stage but also his later difficulties when the country s economy was rocked by international oil shocks He deferred the 1973 Springbok tour and sent warships into the French nuclear testing zone near Mururoa Atoll his government set up ohu and the established the DPB He was New Zealand s first truly regionalist Prime Minister drawing New Zealand closer to Asia and the Pacific as the ties to mother Britain slowly loosened This landmark book takes the full measure of the remarkable New Zealander who was our last working class Prime Minister

**The Politics of Electoral Reform** Alan Renwick,2010-02-04 Elections lie at the heart of democracy and this book seeks to understand how the rules governing those elections are chosen Drawing on both broad comparisons and detailed case studies it focuses upon the electoral rules that govern what sorts of preferences voters can express and how votes translate into seats in a legislature Through detailed examination of electoral reform politics in four countries France Italy Japan and New Zealand Alan Renwick shows how major electoral system changes in established democracies occur through two contrasting types of reform process Renwick rejects the simple view that electoral systems always straightforwardly reflect the interests of the politicians in power Politicians motivations are complex politicians are sometimes unable to pursue reforms they want occasionally they are forced to accept reforms they oppose The Politics of Electoral Reform shows how voters and reform activists can have real power over electoral reform

**Kiwi Keith** Barry Gustafson,2013-10-01 The definitive life story of New Zealand Prime Minister Kiwi Keith Holyoake is revealed in this deftly composed exploration of how one man was able to weather complex changes in society to stay in power for more than 11 years Through his leadership in the 1960s to his position as Governor General in the late 1970s Holyoake was often derided as pompous and unprincipled but this biography demonstrates the astute understanding of people and political issues that allowed him to defuse division and preserve order while encouraging gradual and incremental progress Holyoake s performance as Minister of Foreign Affairs is also examined including his opposition to nuclear testing and his reluctant commitment to assisting the United States in Vietnam

**Mad on Radium** Rebecca Priestley,2013-11-01 Although New Zealander Lord Rutherford was the first to split the atom the country has since been known around the world for its nuclear free stance In this engaging and accessible book an alternative history is revealed of nuclear New Zealand when

there was much enthusiasm for nuclear science and technology From the first users of X rays and radium in medicine to the plans for a nuclear power station on the Kaipara Harbour this account uncovers the long and rich history of New Zealanders engagement with the nuclear world and the roots of its nuclear free identity      Public Leadership Paul 't Hart, John Uhr, 2008-11-01 Leadership is routinely admired vilified ridiculed invoked trivialised explained and speculated about in the media and in everyday conversation Despite all this talk there is surprisingly little consensus about how to answer basic questions about the nature place role and impact of leadership in contemporary society This book brings together academics from a broad array of social science disciplines who are interested in contemporary understandings of leadership in the public domain Their work on political administrative and civil society leadership represents a stock take of what we need to know and offers original examples of what we do know about public leadership Although this volume connects scholars living in and mostly working on public leadership in Australia and New Zealand their contributions have a much broader scope and relevance      **Constitutional Conventions in Westminster Systems** Brian Galligan, Scott Brenton, 2015-08-04 Constitutional conventions precede law and make law making possible but attempting to define them is politically risky yet increasingly necessary      **Social and Political Foundations of Constitutions** Denis J. Galligan, Mila Versteeg, 2013-10-14 This volume analyses the social and political forces that influence constitutions and the process of constitution making It combines theoretical perspectives on the social and political foundations of constitutions with a range of detailed case studies from nineteen countries In the first part leading scholars analyse and develop a range of theoretical perspectives including constitutions as coordination devices mission statements contracts products of domestic power play transnational documents and as reflection of the will of the people In the second part these theories are examined through in depth case studies of the social and political foundations of constitutions in countries such as Egypt Nigeria Japan Romania Bulgaria New Zealand Israel Argentina and others The result is a multidimensional study of constitutions as social phenomena and their interaction with other social phenomena      *Parliamentary Bills of Rights* Janet L. Hiebert, James B. Kelly, 2015 How do bills of rights influence legislative decision making in New Zealand and the United Kingdom      *Representing Women in Parliament* Marian Sawer, Manon Tremblay, Linda Trimble, 2006-09-27 Written by a major international team of authors this new study features twelve chapters on both new and established parliaments including Australia Canada New Zealand and the United Kingdom It tests the latest theories about women s political representation within Westminster style assemblies and is clearly organized into three key sections      *Being Chinese* Helene Wong, 2016-05-09 This is the story of a quest I began three decades ago the search for my Chinese identity The path I travelled was not linear and the years brought pain as well as joy But while this is a narrative about being Chinese and also a New Zealander I know that the search for purpose and meaning in life is universal I hope that others in our culturally diverse society will find their own ways to embark on that same journey Helene Wong was born in New Zealand in 1949 to parents whose families had emigrated from China one or two generations

earlier Preferring invisibility she grew up resisting her Chinese identity But in 1980 she travelled to her father s home village in southern China and came face to face with her ancestral past What followed was a journey to come to terms with being Chinese Helene Wong writes eloquently about her New Zealand childhood about student life in the 1960s and coming of age in Muldoon s New Zealand What her Chinese ancestry means to her gradually illuminates the book as it sheds new light on her own life Drawing on her experience of writing for New Zealand films she takes the narrative forward through the places of her family s history the ancestral village of Sha Tou in Zengcheng county the rural town of Utiku where the Wongs ran a thriving business the Lower Hutt suburbs of her childhood and Avalon and Naenae

**Muldoon Revisited** Margaret Clark,2004 Sir Robert Muldoon s impact upon those with whom he worked was always dramatic In this fascinating and insightful collection many people who worked closely with Muldoon as colleagues opponents civil servants advisors academics or journalists offer fascinating and revelatory accounts and memories of this man who dominated New Zealand politics for so long

**Marilyn Waring** Marilyn Waring,2019-05-10 In 1975 Marilyn Waring was elected to the New Zealand Parliament as the MP for Raglan Aged just twenty three she was one of only a few female MPs who served through the turbulent years of Muldoon s government For nine years Waring was at the centre of major political decisions until her parliamentary career culminated during the debate over nuclear arms When Waring informed Muldoon that she intended to cross the floor and vote for the opposition bill which would make New Zealand nuclear free he called a snap election And the government fell This is an autobiographical account of Waring s extraordinary years in parliament She tells the story of her journey from being elected as a new National Party MP in a conservative rural seat to being publicly decried by the Prime Minister for her feminist anti nuclear stance that threatened to bring down his government Her tale of life in a male dominated and relentlessly demanding political world is both uniquely of its time and still of pressing relevance today

**Political Life Writing in the Pacific** Jack Corbett,Brij V. Lal,2015-07-29 This book aims to reflect on the experiential side of writing political lives in the Pacific region The collection touches on aspects of the life writing art that are particularly pertinent to political figures public perception and ideology identifying important political successes and policy initiatives grappling with issues like corruption and age old political science questions about leadership and dirty hands These are general themes but they take on a particular significance in the Pacific context and so the contributions explore these themes in relation to patterns of colonisation and the memory of independence issues elliptically captured by terms like culture and tradition the nature of self presented in Pacific life writing and the tendency for many of these texts to be written by outsiders or at least the increasingly contested nature of what that term means

**The Constitution of New Zealand** Matthew SR Palmer,Dean R Knight,2022-02-10 This book examines New Zealand s constitution through the lens of constitutional realism It looks at the practices habits conventions and norms of constitutional life It focuses on the structures processes and culture that govern the exercise of public power a perspective that is necessary to explore and account for a lived rather than textual constitution

New Zealand's constitution is unique. One of three remaining unwritten democratic constitutions in the world, it is characterised by a charming set of anachronistic contrasts. Unwritten but much found in various written sources. Built on a network of Westminster constitutional conventions but generously tailored to local conditions. Proudly independent yet perhaps a purer Westminster model than its British parent. Flexible and vulnerable while oddly enduring. It looks to the centralised authority that comes with a strong executive, strict parliamentary sovereignty and a unitary state. However, its populace insists on egalitarian values and representative democracy with elections fiercely conducted nowadays under a system of proportional representation. The interests of indigenous Maori are protected largely through democratic majority rule. A reputation for upholding the rule of law yet few institutional safeguards to ensure compliance.

Constitutional Dialogue Geoffrey Sigalet, Grégoire Webber, Rosalind Dixon, 2019-05-02. Identifies how and why dialogue can describe and evaluate institutional interactions over constitutional questions concerning democracy and rights.

**Politics at the Centre** William P. Cross, André Blais, 2012-01-12. Politics at the Centre studies the ways in which political parties select and remove their leaders in five parliamentary democracies: Australia, Canada, Ireland, New Zealand and the United Kingdom. It addresses the subject through cross-national comparison of 25 parties in these countries from 1965 to the present day.
