*Our Own Time* David R. Roediger,Philip S. Foner,1989-11-17 *Our Own Time* retells the story of American labor by focusing on the politics of time and the movements for a shorter working day It argues that the length of the working day has been the central issue for the American labor movement during its most vigorous periods of activity uniting workers along lines of craft gender and ethnicity The authors hold that the workweek is likely again to take on increased significance as workers face the choice between a society based on free time and one based on alienated work and unemployment **A Class by Herself** Nancy Woloch,2017-02-28 *A Class by Herself* explores the historical role and influence of protective legislation for American women workers both as a step toward modern labor standards and as a barrier to equal rights Spanning the twentieth century the book tracks the rise and fall of women only state protective laws such as maximum hour laws minimum wage laws and night work laws from their roots in progressive reform through the passage of New Deal labor law to the feminist attack on single sex protective laws in the 1960s and 1970s Nancy Woloch considers the network of institutions that promoted women only protective laws such as the National Consumers League and the federal Women s Bureau the global context in which the laws arose the challenges that proponents faced the rationales they espoused the opposition that evolved the impact of protective laws in ever changing circumstances and their dismantling in the wake of Title VII of the Civil Rights Act of 1964 Above all Woloch examines the constitutional conversation that the laws provoked the debates that arose in the courts and in the women s movement Protective laws set precedents that led to the Fair Labor Standards Act of 1938 and to current labor law they also sustained a tradition of gendered law that abridged citizenship and impeded equality for much of the century Drawing on decades of scholarship institutional and legal records and personal accounts *A Class by Herself* sets forth a new narrative about the tensions inherent in women only protective labor laws and their consequences *Women in the American Political System* Dianne G. Bystrom,Barbara Burrell,2018-12-01 This book examines how women candidates voters and office holders shape U S political processes and institutions lending their perspectives to gradually evolve American life and values This book provides an encyclopedic sourcebook on the evolution of

women's involvement in American politics from the colonial era to the present covering all of the individuals organizations cultural forces political issues and legal decisions that have collectively served to elevate the role of women at the ballot box on the campaign trail in Washington and in state and city level political offices across the country The in depth essays document and examine the rising prominence of women as voters candidates public officials and lawmakers enabling readers to understand how U S political processes and institutions have been and will continue to be shaped by women and their perspectives on American life and values The entries cover a range of women politicians and officials female activists and media figures relevant organizations and interest groups such as Emily's List League of Women Voters and National Right to Life key laws court cases and events such as the Nineteenth Amendment the Equal Rights Amendment the Seneca Falls Convention the passage of Title IX and Roe v Wade and other topics like media coverage of appearance women's roles as campaign strategists fundraisers gender differences in policy priorities and the gender gap in political ambitions The text is supplemented by sidebars that highlight selected landmarks in women's political history in the United States such as the 2012 election of Tammy Baldwin the first openly gay U S senator [Ruth Bader Ginsburg's Legacy of Dissent](#) Katie L.
