## **Multicultural Literature For Children And Young Adults:**

**Multicultural Literature for Children and Young Adults** Mingshui Cai, 2002-10-30 There is much discussion of multiculturalism in education This is especially true of multicultural literature for children and young adults The rise of multicultural literature is a political rather than a literary movement it is a movement to claim space in literature and in education for historically marginalized social groups rather than one to renovate the craft of literature itself Multicultural literature has been closely bound with the cause of multiculturalism in general and thus has been confronted with resistance from conservatives This book discusses many of the controversial issues surrounding multicultural literature for children and young adults The volume begins with a look at some of the foundational and theoretical issues related to multicultural literature The second part of the book addresses issues related to the creation and critique of multicultural literature including the authorship of such works and the role of the reader in determining whether or not a work is multicultural The third looks at the place of multicultural literature in the education of children and young adults Throughout its discussion the book makes extensive references to a large body of multicultural fiction and provides a thorough review of research on this important topic *Multicultural Literature for Children and Young Adults*, 1989 [Multicultural Literature for Children and Young Adults](#) Wisconsin Department of Public Instruction, 2003

**This Land Is Our Land** Agnes Regan Perkins, Alethea K. Helbig, 1994-09-26 How do you select the best recent works of fiction oral tradition and poetry about African American Asian American Hispanic American and Native American Indian experiences and traditions from the profusion of titles being published today This annotated bibliography of titles for children and young adults published from 1985 through the end of 1993 with 60% published since 1990 provides a one stop selection tool Appraisals of 559 titles as well as information about an additional 188 recent books and 90 earlier ones of importance are provided Each entry features a plot summary incorporating themes critical comments with a judgment of the book's value as an example of its genre suggestions of other books by that writer and related books of importance The authors who are recognized authorities in children's literature and an advisory board of librarians and teachers each of whom specializes in the literature of a particular ethnic group have provided insightful critical appraisals and expertise and guidance in the selection of titles Helpful subject grade level author title and illustrator indexes are organized for ease of use Titles in the grade level and subject indexes are also identified by ethnic group [Multicultural Literature for Children and Young Adults](#) Ginny Moore Kruse, Kathleen T. Horning, 1993-05 A selected bibliography of literature from 1980 1990 by and about African Amer Amer Indians Asian Amer and Hispanic Amer Covers history people and places poetry folklore mythology and traditional literature seasons and celebrations books for babies concept books issues in today's world biographies understanding oneself and others picture books fiction for new readers young readers and teenagers Appendices lists authors and illustrators of color by ethnic origin ethnic cultural groups by country and recommended resources **Many Peoples, One Land** Alethea K.

Helbig, Agnes Perkins, 2001 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume *This Land is Our Land* left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children's literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for *Many Peoples One Land* **Cultural Journeys** Pamela S. Gates, Dianne L. Hall

Mark, 2010-08-16 As multicultural education is becoming integral to the core curriculum teachers often implement this aspect into their courses through literature However standards and criteria to teach and promote active discussion about this literature are sparse *Cultural Journeys* introduces pre service and experienced teachers to the use of literature to promote active discussions that lead students to think about racial diversity More than just an annotated list of books for children Pamela S. Gates and Dianne L. Hall Mark provide systematic guidelines that teachers can use throughout their careers to evaluate multicultural literature for students in grades K-8 At the same time the text leads the reader to a deeper understanding of how to use multicultural literature throughout the entire curriculum and not just during specially designated months or time periods With the example unit plans and extensive annotated bibliography this book is a valuable resource that pre service teachers will utilize when they begin teaching and in service teachers will reference repeatedly during their planning periods *Multicultural Literature for Children and Young Adults* Ginny Moore Kruse, Kathleen T. Horning, Megan Schliesman, Tana Elias, 1999-10-01 This annotated bibliography represents a careful selection of children's and young adult books with multicultural themes and topics which were published in the U.S. and Canada between 1991 and 1996 Most of these books first appeared in the Coop Children's Book Center School of Ed annotated bibliographies of recommended books These books include high quality children's and YA literature innovative in style accurate in content important in theme or unusual in insight They are arranged in 16 sections by theme or genre Also provides information about the books and book creators as well as a list of recommended resources about multicultural lit **Multicultural Literature**
