medicine popular education state employment agencies the diffusion of scientific and technical knowledge the dissemination of information by the government all these things are an indispensable part of the modern state All were proposed in the seventeenth century by Th ophraste Renaudot who felt they were necessary to meet the new social realities of the time With the support of Cardinal Richelieu he was able to attack the problem of poverty in a new way by setting up the Bureau d Adresse which grew from an employment agency to a clearing house for many social services including free medical care The

discussions that were held there made it the most popular academy in Europe and the forerunner of the Académie Française. At the same time Renaudot was editing and publishing the Gazette, an important instrument of government propaganda. Howard M. Solomon considers each aspect of Renaudot's multi-dimensional career and examines the relationship between his activities and the needs and methods of the ministries of Richelieu and Mazarin. While they had Richelieu's support, all his novel schemes flourished, but only the Gazette survived the Cardinal's death. *The Poetry Home Repair Manual* Ted Kooser, 2007-03-01 Recently appointed as the new U.S. Poet Laureate, Ted Kooser has been writing and publishing poetry for more than forty years. In the pages of *The Poetry Home Repair Manual*, Kooser brings those decades of experience to bear. Here are tools and insights, the instructions and warnings against instructions that poets aspiring or practicing can use to hone their craft, perhaps into art. Using examples from his own rich literary oeuvre and from the work of a number of successful contemporary poets, the author schools us in the critical relationship between poet and reader, which is fundamental to what Kooser believes is poetry's ultimate purpose: to reach other people and touch their hearts. Much more than a guidebook to writing and revising poems, this manual has all the comforts and merits of a long and enlightening conversation with a wise and patient old friend, a friend who is willing to share everything he's learned about the art he's spent a lifetime learning to execute so well.

[General Jan Smuts And his First World War in Africa \(1914-1917\)](#) David Brock Katz, 2022-08-24 An engaging, well-written and meticulously researched military biography. Tim Stapleton, Professor, Department of History, University of Calgary. Jan Smuts grabbed the opportunity to realise his ambition of a Greater South Africa when the First World War ushered in a final scramble for Africa. He set his sights firmly northward upon the German colonies of South West Africa and East Africa. Smuts's abilities as a general have been much denigrated by his contemporaries and later historians, but he was no armchair soldier. He first learned his soldier's craft under General Koos de la Rey and General Louis Botha during the South African War, 1899-1902. He emerged from that conflict immersed in Boer manoeuvre doctrine. After forming the Union Defence Force in 1912, Smuts played an integral part in the German South West African campaign in 1915. Placed in command of the Allied forces in East Africa in 1916, he led a mixed bag of South Africans and imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppen. His penchant for manoeuvre warfare and mounted infantry freed most of the vast German territory from Lettow Vorbeck's grip. *General Jan Smuts and his First World War in Africa* provides a long overdue reassessment of Smuts's generalship and his role in furthering the strategic aims of South Africa and the British Empire during this era.

Journeys of Faith examines the contributions of the leading figures of the humanistic psychology movement with particular attention to their spiritual journeys Rising to prominence in America during the post World War II years humanistic psychology is experiencing a resurgence in the present day in response to the need for a psychological approach that addresses meaning and purpose in life The key players Abraham Maslow Carl Rogers Erich Fromm and Rollo May all rejected the orthodoxy of their religious inheritance in favor of a more humanistic approach and in the process discovered a renewed spirituality that they hoped would address the concerns of a world yearning for something to believe in While the humanistic psychologists confronted the world s problems through the lens of psychology other thinkers such as the evolutionary biologist Julian Huxley approached them through different though equally humanistic perspectives Others still such as Paul Tillich Martin Buber and Pierre Teilhard de Chardin confronted the times through a religious lens The influence of the centuries long Jewish tradition of scholarship and social justice and the frequent examples of friendship and professional cooperation between the secular and the religious worlds provide critical subthemes for the lasting appeal of humanistic psychology General Jan Smuts and his First World War in Africa, 1914-1917 David Brock Katz,2022-05-19 A new

assessment of Jan Smuts s military leadership through examination of his World War I campaigning demonstrating that he was a gifted general conversant with the craft of maneuver warfare and a command style steeped in the experiences of his time as a Boer general World War I ushered in a renewed scramble for Africa At its helm Jan Smuts grabbed the opportunity to realize his ambition of a Greater South Africa He set his sights upon the vast German colonies of South West Africa and

East Africa the demise of which would end the Kaiser's grandiose schemes for Mittelfrika. As part of his strategy to shift South Africa's borders inexorably northward, Smuts even cast an eye toward Portuguese and Belgian African possessions. Smuts, his abilities as a general much denigrated by both his contemporary and then later modern historians, was no armchair soldier. This cabinet minister and statesman donned a uniform and led his men into battle. He learned his soldiery craft under General Koos De la Rey's tutelage and another soldier-statesman, General Louis Botha, during the South African War, 1899-1902. He emerged from that war immersed in the Boer maneuver doctrine he devastatingly waged in the guerrilla phase of that conflict. His daring and epic invasion of the Cape at the head of his commando remains legendary. The first phase of the German South West African campaign and the Afrikaner Rebellion in 1914 placed his abilities as a sound strategic thinker and a bold operational planner on display. Champing at the bit, he finally had the opportunity to command the Southern Forces in the second phase of the German South West African campaign. Placed in command of the Allied forces in East Africa in 1916, he led a mixed bag of South Africans and Imperial troops against the legendary Paul von Lettow Vorbeck and his Schutztruppe. Using his penchant for Boer maneuver warfare together with mounted infantry led and manned by Boer Republican veterans, he proceeded to free the vast German territory from Lettow Vorbeck's grip. Often leading from the front, his operational concepts were an enigma to the British, under his command remaining so to modern-day historians. Although unable to bring the elusive and wily Lettow Vorbeck to a final decisive battle, Smuts conquered most of the territory by the end of his tenure in February 1917. General Jan Smuts and His First World War in Africa makes use of multiple archival sources and the official accounts of all the participants to provide a long overdue reassessment of Smuts's generalship and his role in furthering the strategic aims of South Africa and the British Empire in Africa during World War I. **The**
