**Cyber Worship in Multifaith Perspectives** Mohamed Taher, 2006 Cyber Worship in Multifaith Perspectives as is implied by its name explores worship i e Prayer Praise Scripture Sacrament Rituals Confessions Eucharist Rites Pilgrimages Reflection Contemplation etc on the Internet It is not an everything you need to know guide about the subjects of faith and belief religions online religions on the Net or religions in cyberspace Rather it is a book about religious and spiritual experience under the rubric cyber worship which is the variety of ways religious devotion is performed and carried out on the Internet The term Cyber Worship is a catchall phrase which includes variants such as online worship virtual worship electronic prayer cyber puja cyber synagogue and so on Dr Mohamed Taher has thus assembled a quick reference for two groups those communities that are involved in Cyber Worship and business Webs that collaborate in sustaining wired environments As such this book provides an interesting and current perspective on a practice that will continue to grow in the future *Interactive Faith* Rev. Bud Heckman, 2013-01-21 A Practical Guide for Embracing the Growing Religious Pluralism in America In the process of interfaith engagement we discover a world in which our faith is richer deeper and more contextualized and God's very Self is seen in more of its fullness from the Introduction This practical guide to the key methods and resources of the interfaith movement will help you effectively engage people of other faith traditions in order to increase understanding and acceptance in your community and beyond Drawing on the knowledge and experience of interfaith leaders from the world's many faith traditions Christianity Judaism Islam Buddhism Hinduism Bah Faith Jainism Shinto Sikh Faith Taoism Zoroastrianism this comprehensive resource provides practical ideas for connecting with people of all faiths and backgrounds through common concerns and activities that promote respect and support It enables communities rich with diversity to work together to create paths toward peace and justice **Understanding New Religious**

**Movements** John A Saliba, 2004-09-08 Discussions of any religion can easily raise passions But arguments tend to become even more heated when the religion under discussion is characterized as new Divisions around the study of new religious movements NRMs or cults or nontraditional or alternative or emergent religions are so acute that there is even controversy over what to call them John Saliba strives to bring balance to these discussions by offering perspectives on new religions from different academic perspectives history psychology sociology law theology and counseling This approach provides rich descriptions of a broad range of movements while demonstrating how the differing aims of the disciplines can create much of the controversy around NRMs The new second edition has been updated and revised throughout and includes a new foreword by noted historian of religion J Gordon Melton For classes in religion or the social sciences or for interested individuals **Understanding New Religious Movements** offers the most objective introduction possible **Spirituality, Education & Society** Njoki N. Wane, Energy L. Manyimo, Eric J. Ritskes, 2011-10-29 Spirituality education and society An integrated approach argues the value of spirituality in education as a way to address the lived experiences and personal

knowledge of students with the goal of creating a more holistic transformative educational process This edited volume has a wide array of viewpoints which all point to the importance of spirituality in the authors personal lives their communities and society at large Spirituality is conceptualised as a base from which to challenge dominant forms of knowing while in the process being able to center and engage with an important aspect of the student that has been missing from current evaluations their spiritual selves Within the diversity of this volume it becomes evident that spirituality cannot be confined to a singular definition and that educators must be willing to create spaces to foster spiritual growth and exploration if we are to break away from the commoditized disempowering system that is so dominant today This edited collection is a valuable resource for students practitioners educators and administrators who wish to engage in transformational schooling Its multidisciplinary approach engages ideas around critical pedagogy sociology of education and inclusive schooling There is an increasing need for exploring novel paradigms of studying education in the context of the dynamics that straddle social economic and technological processes that have come to characterize the world in recent years This book is a timely contribution in this respect as its focus transcends hitherto applied approaches that depend largely on western orientation The book breaks new grounds in studying education and society that find significant relevance in societies that are marginalized by the dominant western understanding The authors draw from the rich heritage of spirituality that is akin to the non western social paradigms to develop a rigorous but creative concept of schooling I am sure practitioners researchers and students of education will find it a valuable source of practical and theoretical information that would widen their horizon of understanding of sociology of education Tom Mongare Ndege PhD Moi University Kenya The editors have compiled a brilliant collection of essays Each piece of scholarly work shows how spirituality is a paramount part of our everyday lives and is connected to teaching learning living and healing This is a timely and most relevant work that is sure to spur critical dialogue and discussion This collection shows that while the spirit may be wounded it can never be broken Erica Neeganagwedgin PhD University of Toronto Signs of the Times John A. Saliba, Centre d'information sur les nouvelles religions, 1996 **What the World Needs to Know about Interfaith Dialogue** Richard M Landau, 2014-04-17 What the

World Needs to Know about Interfaith Dialogue Second Edition is a non fiction handbook and guide for the increasing numbers of people who are becoming involved with interfaith dialogue Written in an accessible style the work explains how to overcome basic differences and yet ensure the longevity and productivity of an interfaith dialogue group So many dialogue groups grind to a halt because of group politics differences in approach and no sense of what the group should do beyond talking What the World Needs to Know about Interfaith Dialogue addresses all of these issues based on author Richard M Landau s observations of both failed and successful interfaith dialogue groups over the past 30 years Readers will come away with a knowledge of the tools required to start and conduct successful interfaith or inter denominational dialogue It will aid the reader to build bridges of understanding resolve conflicts and identify problems before they develop **Forensic**

**Pathology** Rebekah Jacques,2024-10-22 The field of forensic pathology has progressed from its roots in antiquity with the first documented medicolegal autopsy being performed on Julius Caesar following his murder to modern day where it includes molecular autopsy and post mortem imaging This evolving field of medicine excites the imaginations of the public media and physicians This book provides a comprehensive state of the art review of this field and contributes to areas that are largely ignored by forensic pathology textbooks These topics include death investigation bioethics principles of courtroom testimony and the negative medicolegal autopsy Forensic Pathology serves as a very useful guide for practicing pathologists trainees forensic nurses and clinicians as well as lawyers judges and police with an interest in forensic pathology This book functions as a concise and comprehensive summary of the current status of the field of forensic pathology
