Rose Arny

Multiparty Government The Politics Of Coalition In Europe Comparative European Politics:

Multiparty Government Michael Laver, Norman Schofield, 1990 The politics of coalition is inherent in the political process of most European countries Coalition may be analyzed either theoretically or empirically this study reconciles both approaches Providing insight into contemporary coalition theory and placing it in the context of coalition politics this work examines five basic themes the identity and motivation of those involved in coalition politics the eventual membership of coalitions durability payoffs and the impact of constitutional behavioral and historical constraints on the process of coalition bargaining

Routledge Handbook of European Politics José Magone, 2014-12-17 Since the Treaty of the European Union was ratified in 1993 the European Union has become an important factor in an ever increasing number of regimes of pooled sovereignty This Handbook seeks to present a valuable guide to this new and unique system in the twenty first century allowing readers to obtain a better understanding of the emerging multilevel European governance system that links national politics to Europe and the global community Adopting a pan European approach this Handbook brings together the work of leading international academics to cover a wide range of topics such as the historical and theoretical background the political systems and institutions of both the EU and its individual member nations political parties and party systems political elites civil society and social movements in European politics the political economy of Europe public administration and policy making external policies of the EU This is an invaluable and comprehensive resource for students scholars researchers and practitioners of the European Union European politics and comparative politics

Comparative European Politics Rory Costello, Neil Robinson, 2020 This essential guide to comparative European politics provides the broadest range of coverage on Europe illustrated via the widest range of examples applied to contemporary events

Coalition Governance in Western Europe Torbjörn Bergman, Hanna Back, Johan Hellström, 2021-08-10 Coalition government is the most frequent form of government in Western Europe but we have relatively little systematic knowledge about how that form of government has developed in recent decades This book studies such governments covering the full life cycle of coalitions from the formation of party alliances before elections to coalition formation after elections or in the sitting parliament portfolio distribution among the coalition parties governing and policy making when parties work together in office and the stages that eventually lead to government termination A particular emphasis is on the study of how coalitions govern together even when they have different agendas Do individual ministers decide or the Prime minister or is the outcome a result of a process of coalition compromise The volume covers 16 West European countries and introduces the case of Croatia focusing mainly on governments formed during the past two decades

Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterised by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecprnet.eu The series is edited by Susan

Scarrow Chair of the Department of Political Science University of Houston and Jonathan Slapin Professor of Political Institutions and European Politics Department of Political Science University of Zurich Minority Governments in Comparative Perspective Bonnie N Field, Shane Martin, 2022-09-29 Approximately one third of parliamentary democracies are or are typically ruled by a minority government a situation where the party or parties represented at cabinet do not between them hold a majority of seats in the national legislature Minority governments are particularly interesting in parliamentary systems where the government is politically responsible to parliament can be removed by it and needs majority support in the parliament to legislate The chapters in this volume explore and analyse the formation functioning and performance of minority governments what we term the why how and how well The volume begins with overviews of the concept of and puzzles surrounding minority governments in parliamentary systems and establishes the current terms of the debate In the thirteen chapters that follow leading country experts present in depth case studies that provide rich contextualized analyses of minority governments in different settings The final chapter draws broader comparative based conclusions from the country studies that push the literature forward and outline directions for future research on minority governments Comparative Politics is a series for researchers teachers and students of political science that deals with contemporary government and politics Global in scope books in the series are characterized by a stress on comparative analysis and strong methodological rigour The series is published in association with the European Consortium for Political Research For more information visit www.ecpr.net eu The series is edited by Nicole Bolleyer Chair of Comparative Political Science Geschwister Scholl Institut LMU Munich and Jonathan Slapin Professor of Political Institutions and European Politics Department of Political Science University of Zurich **Comparative European Politics** , New Developments in the Study of Coalition Governments Patrick Dumont, Bernard Grofman, Torbjörn Bergman, Tom Louwerse, 2024-12-07 This edited volume suggests promising new avenues of research in analyzing coalition politics Written by a group of leading scholars the book clarifies a number of concepts too often taken for granted in the existing literature performs theoretically driven and methodologically novel comparative studies of the effects of institutions on coalition formation revisits old empirical puzzles provides seminal analyses of how party leaders combine coalition governance solutions to anticipate risks pertaining to multiparty governing and confronts coalition theories to new empirical terrains The first chapters clarify core concepts found in the literature such as the distinction between positive and negative parliaments and investigate the internal variety of important phenomena such as early elections and caretaker cabinets These chapters provide new typologies and analyses of the conditions under which they are most likely to occur The following contributions look at the effects of institutions such as bicameralism on coalition formation processes and outcomes We then focus on one of the most enduring empirical puzzle in coalition theory minority governments One chapter provides a comprehensive analysis of the incidence maintenance and performance of these governments that do not rely on a majority in parliament Several other chapters of the volume using

different research strategies and angles also revisit the old puzzle of their frequency together these chapters constitute the richest comparative study to date on what classical coalition theories failed to predict The final chapters of the volume provide an array of new research paths taken in coalition studies the first of these contributions looks at coalition governance and investigates the various combinations of mutual control mechanisms set up by coalition partners the two final chapters expand the empirical coverage of coalition studies to respectively presidential settings and the local level of government authority The latter looks in particular at one of the major challenges of coalition politics in the 21st century the increasingly burning question of the coalition participation or exclusion of radical populist parties Building on comparative theoretical and empirical knowledge over multiparty governments to draw useful lessons and recommend new research paths in increasingly challenging times for the formation and stability of coalitions across a wide range of political settings this volume will be of use to students and scholars interested in electoral politics comparative institutions and governance

The Left Party in Contemporary German Politics Dan Hough, M. Koß, Jonathan Olsen, 2007-09-12 This is the first book in either English or German to analyse the development of Germany's newest political party the Left Party It compares and contrasts the party's development with that of Germany's most well known outsider party the Greens It also analyses the party's performance in office in two eastern German Länder

Comparative European Party Systems Alan Siaroff, 2018-12-12 Comparative European Party Systems Second Edition provides a comprehensive analysis across 48 party systems of party competition electoral systems and their effects and the classification of party systems and governments from 1945 through late 2018 The book consists of three parts Part I provides a comparative and quantitative overview of party systems according to party families patterns of party competition electoral systems and their effects and classification of party systems and governments Part II consists of 38 detailed country profiles of longstanding democracies and of the European Union plus nine profiles on regions such as in Spain and the UK providing essential detail on the electoral systems parties party patterns and systems dimensions of political competition and governments Part III provides an analysis of 10 additional country profiles of oscillating regimes such as Russia Ukraine and Balkan and Transcaucasus states Comparative European Party Systems provides an excellent overview of topical issues in comparative election and party system research and presents a wealth of information and quantitative data It is a crucial reference for scholars and students of European and comparative politics elections electoral systems and parties and party systems

Globalization and Mass Politics Timothy Hellwig, 2015 Analyzes how increases in international trade finance and production have altered voter decisions political party positions and the issues that parties focus on in postindustrial democracies

European Politics into the Twenty-First Century Hans Slomp, 2000-02-28 This short and simple introduction to European politics which includes Western and Eastern Europe as well as Russia demonstrates how European nations have attempted to cope with division within Europe and in international politics Highlighting differences with U S politics Slomp examines the European system from various

perspectives including geography religion economics and social composition Two separate chapters discuss relations within the European Union as well as its interaction with nations outside the group Tables and figures provide a wealth of information on the location of minorities the ideological spectrum and social policies Directed toward both an American and a European readership this study includes information about the importance of ethnicity and religion the impact of new migration waves and the position of the labor movement It covers the role of political parties the Americanization of election campaigns and the prevalence of coalition governments A chapter on European style civil society focuses on the influence of pressure groups the popularity of formal business trade union government contracts the mass media local politics and federal political systems Every chapter deals with the social transformation of the former communist countries of Central and Eastern Europe A final section contains a brief description of all the nations by groupings

Parties and Democracy Ian Budge, Hans Keman, 1990-05-10 Parties and Democracy studies the actual behaviour of some four hundred governments in twenty post war democracies The conclusion that parties do function in accordance with modern democratic theory will serve to put moral justifications of democracy and descriptions of the system on a firmer footing

Self-Interest and Public Interest in Western Politics Leif Lewin, 1991-04-11 Is it self interest or public interest that dominates Western politics This question has been debated in many fields and through the 1980s a consensus developed supported by extensive research that in their political decisions and actions people are largely motivated by self interest not by common good In this book combining in a novel way insights from different fields including rational choice theory political philosophy and electoral research Leif Lewin examines more than two hundred studies of democracy in action from seventeen countries He looks at the behaviour and attitudes of voters bureaucrats and politicians in turn and challenges the accepted wisdom In his wide ranging review of the literature he shows that people are in fact actuated by broader considerations than their own short sighted interests that they act politically in the shadow of the future that they find there are overwhelming reasons to try to contribute to the long term common good Professor Lewin shows in short that the plausible and prevalent theory that egoism rules simply don't match the facts

Electoral Systems Elisabeth Carter, David M. Farrell, Gemma Loomes, 2024-11-28 How do different electoral systems work to translate votes into seats What effects do they have on the political system on political actors and on voters Does the choice of electoral system always involve a trade off between strong and stable government and representation And do electoral systems matter as much as we might think This fully revised and expanded third edition examines the principal types of electoral systems used in over 75 of the world's democracies It explores why countries choose the electoral systems they do and explains how the different systems function it investigates the consequences of electoral systems including on the party system and on government formation and stability on representation and the quality of democracy and on parties politicians and voters Clearly structured wide ranging in focus and incorporating an array of visual material including authentic ballot papers tables and figures this in depth study remains the go to text for students and

researchers seeking to understand electoral systems around the world

Cultural Backlash and the Rise of Populism

Pippa Norris, Ronald Inglehart, 2019-02-14 A new theoretical analysis of the rise of Donald Trump Marine Le Pen Nigel Farage Geert Wilders Silvio Berlusconi and Viktor Orbán

Localism and Centralism in Europe

Edward Page, 1991 Why do some countries appear to be far more centralized than others This book examines the legal and political bases of relationships between national and local government in Britain France Norway Denmark Sweden Italy and Spain

European Politics

Tim Bale, 2017-04-28 A fully revised fourth edition of a popular introduction to the comparative politics of Europe written by a highly respected authority on the subject This lively and thematically organised text provides an accessible guide to the institutions and the issues that matter in a continent where the boundaries between East and West and between domestic and European affairs are increasingly breaking down Covering a wide array of countries it is a concise yet comprehensive overview of one of the world's most important and fascinating regions Written in an approachable style and packed with up to date real world examples and information this is the ideal place for students to begin and to deepen their understanding of Europe's politics It can be adapted as a standalone text on modules on Comparative European Politics and will be of use as a key reading on undergraduate courses on Comparative Politics more broadly as well as European Union Politics New to this Edition Updated throughout to provide coverage of developments such as the Eurozone crisis the growth of left and right wing populism the rise of nationalism and Europe's on going immigration challenge Includes a short concluding chapter rounding up and considering the future of the book's core themes of Europeanization and multilevel governance Additional country profiles on Croatia and Greece to ensure representative treatment of the key countries in Europe today

Coalition Politics in Central Eastern Europe

Torbjörn Bergman, Gabriella Ilonszki, Johan Hellström, 2023-12-01 This insightful book brings the study of coalitions and coalition governance in Central and Eastern European democracies up to date with an analytical focus framed by difficult economic and social periods such as the end of the economic crisis and the Coronavirus pandemic The volume posits insights from a plethora of experts on party politics and coalition studies from their respective countries with chapters on Bulgaria Czechia Estonia Hungary Latvia Lithuania Poland Romania Slovakia and Slovenia Embellished with illustrative tables and extensive datasets throughout each chapter maps the developments of party system change covering the coalition life cycle from the early 1990s until the end of 2021 and explores whether there has been transformation of the coalition governance and dissolutions patterns due to heightened pressures This book will be of key interest to scholars and students of coalition politics representative democracy governance political parties European Union politics East and Central European politics and comparative politics Chapter 4 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution CC BY 4.0 license

Democratic Dilemmas

Angela Bourne, 2018-07-11 This book examines how democratic communities resolve dilemmas posed by anti system parties or more specifically the question of why democracies take the grave decision to ban political

parties On the one hand party bans may protect democracies usually from groups deemed to undermine the democratic system or its core values territorial integrity or state security At the same time banning parties challenges foundational democratic commitments to political pluralism tolerance and rights to free speech and association The book probes the deliberative processes discursive strategies and power politics employed when democratic communities negotiate this dilemma It examines discourses of securitization and desecuritization preferences of veto players anti system party orientations to violence electoral systems and the cordon sanitaire as alternatives to party bans and incentives for mainstream parties to cooperate rather than ban parties to achieve office and policy goals It does so with reference to case studies of party bans legalizations and failed ban cases in Spain Herri Batasuna and successors the United Kingdom Sinn F in and Republican Clubs and Germany Socialist Reich Party and National Democratic Party of Germany *Forthcoming Books*

Multiparty Government The Politics Of Coalition In Europe Comparative European Politics Introduction

In today's digital age, the availability of Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Multiparty

Multiparty Government The Politics Of Coalition In Europe Comparative European Politics

Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Multiparty Government The Politics Of Coalition In Europe Comparative European Politics versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability

to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Multiparty Government The Politics Of Coalition In Europe Comparative European Politics books and manuals for download and embark on your journey of knowledge?

FAQs About Multiparty Government The Politics Of Coalition In Europe Comparative European Politics Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Multiparty Government The Politics Of Coalition In Europe Comparative European Politics is one of the best book in our library for free trial. We provide copy of Multiparty Government The Politics Of Coalition In Europe Comparative European Politics in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Multiparty Government The Politics Of Coalition In Europe Comparative European Politics. Where to download Multiparty Government The Politics Of Coalition In Europe Comparative European Politics online for free? Are you looking for Multiparty Government The Politics Of Coalition In Europe Comparative European Politics PDF? This is definitely going to save you time and cash in something you should think about.
