The Gold Coins is based on real event A few names have been changed Some of the places have been renamed Much happened exactly as described In other cases I fictionalized some of the details to provide clarity I also took liberty to fill in the blanks of my brain whenever I forgot some details It is my hope that you will accept there is more to our existence than what we can see with our physical eyes We tend to be skeptical about things we do not understand That is healthy however I hope you also possess a healthy curiosity and vivid imagination Both are powerful tools that can open up a new world for you to explore I am blessed to be connected with many people who proudly embrace woo woo ness These are every day ordinary people Some are wealthy Some are working class Some live hand to mouth as the spirit leads them All live life to the fullest Likewise I am connected with religious people Christians Muslims Buddhist Hindu Jewish And then I am connected with those who only believe in the science Most of the time I only understand a nth of what they are saying but I appreciate that nth because it shows me yet another aspect of the Universe It is because of the teachers in my life that I was finally able to write this book I am a woo woo Christian that also believes in science We only know a small portion of all there is to know and by connecting with each other accepting each other loving each other forgiving each other and supporting each other will we be able to continue to exist as the human race Be well and enjoy this gift of life
