1914 This set off a diplomatic crisis when Austria Hungary delivered an ultimatum to the Kingdom of Serbia and entangled international alliances formed over the previous decades were invoked Within weeks the major powers were at war and the conflict soon spread around the world On 28 July the Austro Hungarians declared war on Serbia and subsequently invaded As Russia mobilised in support of Serbia Germany invaded neutral Belgium and Luxembourg before moving towards France leading the United Kingdom to declare war on Germany After the German march on Paris was halted what became known as the Western Front settled into a battle of attrition with a trench line that would change little until 1917 Meanwhile on the Eastern Front the Russian army was successful against the Austro Hungarians but was stopped in its invasion of East Prussia by the Germans In November 1914 the Ottoman Empire joined the Central Powers opening fronts in the Caucasus Mesopotamia and the Sinai Italy joined the Allies in 1915 and Bulgaria joined the Central Powers in the same year while Romania joined the Allies in 1916 followed by United States in 1917 The Russian government collapsed in March 1917 and a subsequent revolution in November brought the Russians to terms with the Central Powers via the Treaty of Brest Litovsk which constituted a massive German victory After a stunning German offensive along the Western Front in the spring of 1918 the Allies rallied and drove back the Germans in a series of successful offensives On 4 November 1918 the Austro Hungarian empire agreed to an armistice and Germany which had its own trouble with revolutionaries agreed to an armistice on 11 November 1918 ending the war in victory for the Allies By the end of the war the German Empire Russian Empire Austro Hungarian Empire and the Ottoman Empire had ceased to exist National borders were redrawn with several independent nations restored or created and Germany's colonies were parceled out among the winners During the Paris Peace Conference of 1919 the Big Four Britain France the United States and Italy imposed their terms in a series of treaties The League of Nations was formed with the aim of preventing any repetition of such a conflict This however failed with economic depression renewed European nationalism weakened member states and the German feeling of humiliation contributing to the rise of Nazism These conditions eventually contributed to World War II

making skill and lore of the most distinguished houses of the Champagne region Full color illustrations **Heligoland** George Drower, 2011-10-21 In 1956 sea area Heligoland became German Bight But why did the North Sea island which for nearly a century had demonstrated its loyalty to Britain lose its identity How had this once peaceful haven become as Admiral Jacky Fisher exclaimed a dagger pointed at England's heart Behind the renaming of Heligoland lies a catalogue of deceit political ambition blunder and daring Heligoland came under British rule in the nineteenth century a Gibraltar of the North Sea Then in 1890 despite the islanders' wishes Lord Salisbury announced his intention to swap it for Germany's presence in Zanzibar The Prime Minister's decision unleashed a storm of controversy Queen Victoria telegraphed from Balmoral to register her fury During both world wars it was used by Germany to control the North Sea and RAF planes bombed the once British territory The story of Heligoland is more than an obscure footnote to the British Empire it shows the significance of territory throughout history **Collected Stories** John Barth, 2015-10-30 When John Barth's *Lost in the Funhouse* appeared in 1968 American fiction was turned on its head Barth's writing was not a response to the realistic fiction that characterized American literature at the time it beckoned back to the founders of the novel Cervantes Rabelais and Sterne echoing their playfulness and reflecting the freedom inherent in the writing of fiction This collection of Barth's short fiction is a landmark event bringing all of his previous collections together in one volume for the first time Its occasion helps readers assess a remarkable lifetime's work and represents an important chapter in the history of American literature Dalkey Archive will reissue a number of Barth's novels over the next few years preserving his work for generations to come **Fighting French Year Book**, 1942 *The New Yorker* Harold Wallace Ross, William Shawn, Tina Brown, David Remnick, Katharine Sergeant Angell White, Rea Irvin, Roger Angell, 1926 **Estonian Short Stories** Kajar Pruul, Darlene Reddaway, 1996-01-15 This anthology of contemporary Estonian short fiction meets an important need Although Estonian writers have been known as bold and exciting innovators testing the bounds of Soviet literary doctrine much of that reputation is based on hearsay This collection charts the return of modernism to Estonian prose fiction at the end of the sixties and the beginning of the seventies and its subsequent evolution during the following two decades It also introduces English language readers to a vigorous and original contemporary literature **Shall We Dance? The True Story of the Couple Who Taught The World to Dance** Douglas Thompson, 2014-10-12 On the eve of the Great War they had the world at and watching their feet If God is in the details they were divine Vernon and Irene Castle were the world's first true celebrity couple He an Englishman was tall and slim as poised as an elegant evening out a template for the Hollywood idols who would follow In a staid age she a *New Yorker* was a glorious modern beauty with her hair cropped into a shock a disdain for crippling corsets a love of a martini and a good time Together they beat the censors and made their vibrant dancing acceptable for all In the fashionable quarters of New York they opened a dance school and night clubs to which Society flocked They broke the rules by touring with black musicians and led the way forward to the Charleston galloping Gatsby Generation They enlightened and

enchanted from London to Paris to New York spreading a breathless joy as though their music had one note and their dances one step too many Launching one racy dance craze after another they taught the world to dance and often dress the way we do today Adored and acclaimed they were stars long before the celebrity constellations grew crowded Yet the whirlwind story of perhaps the most influential dance team ever is also one of tragedy Their timing so perfect in everything else saw Vernon Castle at the height of their fame return to England to enlist in the Royal Flying Corps he saw action as a pilot on the Western Front winning the Croix de Guerre while his wife made special appearances to support the Allied war effort And then in February 1918 he was killed in a flying accident in Texas while training American pilots for war Irene received a last note from him When you receive this letter I shall be gone out of your sweet life You may be sure that I died with your sweet name on my lips be brave and don't cry my angel She and many others did cry for as far as the world was concerned Vernon and Irene Castle could have danced all night and for ever The afternoon was already planned they were going dancing for those were the great days Maurice was tangoing in Over the River the Castles were doing a stiffed leg walk in the third act of the Sunshine Girl a walk that gave the modern dance a social position and brought the nice girl into the caf thus beginning a profound revolution in American life The great rich empire was feeling its oats and was out for some not too plebeian yet not too artistic fun F Scott Fitzgerald The Perfect Life one of the Basil and Josephine Stories first published in the Saturday Evening Post 5 January 1929
