Mummies Alive The Legend Begins:

Mummy Movies Bryan Senn, 2024-01-15 In 1932 The Mummy starring Boris Karloff introduced another icon to the classic monster pantheon beginning a journey down the cinematic Nile that has yet to reach its end Over the past century movie mummies have met everyone from Abbott and Costello to Tom Cruise not to mention a myriad of fellow monsters Horrifying and mysterious the mummy comes from a different time with uncommon knowledge and unique motivation offering the lure of the exotic as well as the terrors of the dark From obscure no budgeters to Hollywood blockbusters the mummy has featured in films from all over the globe including Brazil China France Hong Kong India Mexico and even its fictional home country of Egypt with each film bringing its own cultural sensibilities Movie mummies have taken the form of teenagers superheroes dwarves kung fu fighters Satanists cannibals and even mummies from outer space Some can fly some are sexy some are scary and some are hilarious and mummies quickly moved beyond horror cinema and into science fiction comedy romance sexploitation and cartoons From the Universal classics to the Aztec Mummy series from Hammer's versions to Mexico's Guanajuato variations this first ever comprehensive guide to mummy movies offers in depth production histories and critical analyses for every feature length iteration of bandaged horror **The Mummy's Curse** Jasmine

Day, 2006-09-27 The most penetrating study of the curse ever conducted The Mummy's Curse uncovers forgotten nineteenth century fiction and poetry revolutionizes the study of mummy horror films and reveals the prejudices embedded in children's toys Examining original surveys and field observations of museum visitors demonstrate that media stereotypes to which museums inadvertently contribute promote vilification of mummies which can invalidate demands for their removal from display Jasmine Day shows that the curse's structure and meaning has changed over time as public attitudes toward archaeology and the Middle East were transformed by events such as the discovery of Tutankhamun's tomb The riddle of the curse of the pharaohs is finally solved via a radical anthropological treatment of the legend as a cultural concept rather than a physical phenomenon A must for anyone interested in this ancient and mystifying legend **The Mummy in Fact,**

Fiction and Film Susan D. Cowie, Tom Johnson, 2007-08-09 In 1922 when Howard Carter and Lord Carnarvon discovered the tomb of Tutankhamen much of what was then known about mummies came from the writing of Greek historian Herodotus and from the paintings on the walls of Egyptian tombs Even before 1922 the mummy had been the subject of fiction with such writers as Bram Stoker and Sir Arthur Conan Doyle tackling the subject and early films dating back to 1901 In this work the authors present the religious social and scientific aspects of mummies as well as an in depth discussion of facts about them largely Egyptian but including other kinds of mummies Then how mummies are portrayed in fiction and in the movies is discussed Stories and films in which the mummy is a focal character are listed **Billboard**, 1998-04-11 In its 114th year Billboard remains the world's premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming
