Art Gallery, 1980 Edvard Munch Ferdinand Eckhardt, Winnipeg Art Gallery (Winnipeg), 1969 The Private Journals of Edvard Munch Edvard Munch, 2005-08-18 Scandinavia s most famous painter the Norwegian Edvard Munch 1863 1944 is probably best known for his painting *The Scream* a universally recognized icon of terror and despair A version was stolen from the Munch Museum in Oslo Norway in August 2004 and has not yet been recovered But Munch considered himself a writer as well as a painter Munch began painting as a teenager and in his young adulthood studied and worked in Paris and Berlin where he evolved a highly personal style in paintings and works on paper And in diaries that he kept for decades he also experimented with reminiscence fiction prose portraits philosophical speculations and surrealism Known as an artist who captured both the ecstasies and the hellish depths of the human condition Munch conveys these emotions in his diaries but also reveals other facets of his personality in remarks and stories that are alternately droll compassionate romantic and cerebral This English translation of Edvard Munch s private diaries the most extensive edition to appear in any language captures the eloquent lyricism of the original Norwegian text The journal entries in this volume span the period from the 1880s when Munch was in his twenties until the 1930s reflecting the changes in his life and his work The book is illustrated with fifteen of Munch s drawings many of them rarely seen before While these diaries have been excerpted before no translation has captured the real passion and poetry of Munch s voice This is a translation that lets Munch speak for himself and evokes the primal passion of his diaries J Gill Holland s exceptional work adds a whole new level to our understanding of the artist and the depth of his scream **Edvard Munch**, 1976\* Edvard Munch, the Graphic Work : on Loan from the Munch Museum, Oslo, Norway, 1969-1970 Edvard Munch, Winnipeg Art Gallery, 1969 Edvard Munch Arne Eggum, Gerd Woll, Marit Lande, 2015 A comprehensive and enlightening overview of this extraordinary painter researched by the foremost experts in the field Over 150 colour illustrations of his most important works Features the lithographs and woodcuts as well as the paintings Edvard Munch is Norway s most important painter and graphic artist and the only one to exercise a decisive influence on European art A forerunner of Expressionism his works were influenced by an early life tortured by sickness insanity rejection and guilt and he worked through his neuroses in his paintings With the greatest consistency throughout his life Munch created a life s work which would not only enable the deepest problems of the century to live on into our time but also says something about human existence which couldn t be put into words Right up to the last days of his life Munch shed light on anxiety as an existential problem This beautifully produced survey of the painter from the Curators at the Munch

Museum in Oslo is a rich exploration of his life his paintings and his graphic works Both famous and lesser known paintings are analysed and put into context as well as the extraordinary woodcuts which so cleverly exploit the grain of the wood and are some of the most accomplished and confident things he did *Edvard Munch* Munch-museet (Oslo, Norway),1972

Edvard Munch Arne Eggum,Edvard Munch,1984 Arne Eggum chief curator of Oslo s Munch Museum presents fifteen years of research on Munch s life resulting in this magnificently illustrated book with 450 reproductions 150 of which have never been reproduced before Tracing Munch s beginnings as an artist age seven to his maturation as a pioneer in the Expressionist movement Eggum s work is a truly revelatory and fascinating exploration of this Norwegian painter

Vigeland + Munch Trine Otte Bak Nielsen,2015 For the first time a major dual exhibition will be devoted to two giants in the history of Norwegian art Edvard Munch and Gustav Vigeland Their work development and ambitions have many interesting traits in common which will provide the public with an opportunity to discover new connections between the two artists 00Edvard Munch 1863 1944 and Gustav Vigeland 1869 1943 worked during the same period One primarily as a painter and printmaker the other as a sculptor With only a six year difference in age they were affiliated with the same circles and influenced by the same contemporary art movements And for a period they both lived and worked even in adjoining rooms in Berlin The connection between Munch and Vigeland has often been mentioned yet has never been the subject of in depth investigations Many are of the opinion that the two were rivals This book wishes to clarify the connections between them by presenting their artistic careers side by side from the time they began studying at The Royal College of Design in Kristiania to the time they became well established artists at Ekely and Frogner respectively A red thread running through the book is their common development with regard to choice of motifs For example when they followed the contemporary trends and depicted angst filled characters ambiguous love motifs or ominous Judgement Day motifs The works of a young and not yet famous Vigeland are highlighted here from a time when his sculptures had a more dramatic content and were smaller in format than the ones we know from the Vigeland Park An interesting similarity from a later period can be found in the artists works representing monumental renderings of entangled piles of human bodies such as Munch s painting *The Human Mountain* and Vigeland s sculpture *The Monolith* Exhibition Munch Museet Oslo Norway 03 10 2015 17 01 2016
