**Murder Among the Angels** Stefanie Matteson, 2016-06-07 The search for a plastic surgeon draws Hollywood legend and amateur sleuth Charlotte Graham to upstate New York where she discovers a utopian community's darkest secrets Zion Hill is paradise in the Hudson River Valley A religious utopia founded a century ago it remains a peaceful oasis where residents worship marry live and die in the name of their church But when walking along the river exploring the township's quaint old cemetery a local finds something that will shatter Zion Hill's pious calm On one of the headstones sits a human skull staring with empty sockets at the rolling muddy river Murder has come to paradise Hollywood legend Charlotte Graham is in Zion Hill on a reluctant search for a nip and tuck when the skull is discovered The victim was an aspiring actress and another patient of Charlotte's cosmetic surgeon and she was not the only one to die In this religious paradise vanity may be the deadliest sin of all Booklist has called Charlotte Graham Miss Marple in furs and jewels Fans of Agatha Christie's legendary female sleuth will find that Charlotte is just as clever and will agree that *Murder Among the Angels* may be her most elegant adventure yet *Murder Among the Angels* is the 7th book in the Charlotte Graham Mysteries but you may enjoy reading the series in any order *A Murderer Among Us* Heather Graham, Juno Rushdan, 2024-07-23 An undercover agent and rock band's lead singer give the performance of a lifetime in this thrilling romantic suspense novel by New York Times bestselling author Heather Graham Undercover in the French Quarter with only each other to trust A legendary rock band's reunion is just a ruse for FBI agent Chase McCoy's investigation Seven years ago Skyhawk's lead singer died under suspicious circumstances Chase knows Sky Ferguson is fronting the band in her father's honor for the same reason Chase has agreed to be the drummer They want answers But having to pose as a couple makes them question just how far they'll go for the truth **FREE BONUS STORY INCLUDED IN THIS VOLUME** Wyoming Mountain Investigation by bestselling author Juno Rushdan Rescuing teenage campers from a fire left Liz Kelley scarred for life But her Wyoming town isn't all she left behind Fire marshal Sawyer Powell can't forgive himself for failing to protect her that terrible night Fifteen years later another suspicious fire brings Liz now an FBI agent home Working the case together gives the former lovers a second chance but also makes them a killer's target Don't miss the complete Harlequin 75th Anniversary Collection *Taming a Heartbreaker* by Brenda Jackson *No Turning Back* by Lindsay McKenna *Rancher's Law* by Diana Palmer *Save Me* by Sharon Sala *A Murderer Among Us* by Heather Graham *A Beach House Beginning* by RaeAnne Thayne *Renegade Wife* by B J Daniels *Tying the Knot* by Brenda Novak **Mystery Women, Volume Three (Revised)** Colleen Barnett, 2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in

the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 Sleuths in Skirts Frances A. DellaCava, Madeline H. Engel, 2002 This volume is a comprehensive collection of critical essays on *The Taming of the Shrew* and includes extensive discussions of the play's various printed versions and its theatrical productions Aspinall has included only those essays that offer the most influential and controversial arguments surrounding the play The issues discussed include gender authority female autonomy and unruliness courtship and marriage language and speech and performance and theatricality **Children of the Book** Ilana Kurshan, 2025-08-26 A mother's celebration of the power and wonder of lifelong reading Zibby Owens My Most Anticipated Books 2025 In *Children of the Book* Ilana Kurshan reveals how literature weaves an invisible thread through the tapestry of family life Kurshan a mother of five living in Jerusalem struggles to balance her passion for books with her responsibilities as a parent Gradually she learns how to relate to reading not as a solitary pursuit and an escape from the messiness of life but rather as a way of forging connection and teaching independence Introducing her children to sacred and secular literature including the beloved classics of her childhood she becomes both a better mother and a more compassionate reader Chief among the books Kurshan reads with her children is the Torah whose ancient wisdom illuminates her family's path Structured in five parts corresponding to the first five books of the Bible this memoir traces the profound parallels between the biblical narrative and the daily rhythms of parenthood from the first picture books that create the world through language for little babies to the bittersweet moment our children begin reading on their own leaving us behind atop the mountain as they enter new lands without us A luminous meditation on how shared stories become the foundation for family bonds *Children of the Book* celebrates a life richly lived through literature *The Religious Figural Imagery of Byzantine Lead Seals II* John A. Cotsonis, 2020-03-19 The articles republished in this volume are ground breaking studies that employ a large body of religious figural imagery of Byzantine lead seals ranging from the 6th to the 15th century A number of the studies present tables charts and graphs in their analysis of iconographic trends and changing popularity of saintly figures over time And since many of the seals bear inscriptions that include the names titles or offices of their owners information

often not given for the patrons of sacred images in other media these diminutive objects permit an investigation into the social use of sacred imagery through the various sectors of Byzantine culture the civil ecclesiastical and military administrations The religious figural imagery of the lead seals accompanied by their owners identifying inscriptions offers a means of investigating both the broader visual piety of the Byzantine world and the intimate realm of their owners personal devotions Other studies in the volume are devoted to rare or previously unknown sacred images that demonstrate the value of the iconography of Byzantine lead seals for Byzantine studies in general This volume includes various articles focusing on sphragistic images of saints and on the religious imagery of Byzantine seals as a means of investigating the personal piety of seal owners as well as the wider realm of the visual piety and religious devotions of Byzantine culture at all levels A companion volume includes studies dedicated to the image of Christ primarily found on imperial seals various images of the Virgin and narrative or Christological scenes CS1086      Sequels Janet G.
