Murder Assassination:

Famous Assassinations in World History Michael Newton, 2014-04-17 Representing a unique reference tool for readers interested in history criminology or terrorism this book provides the most complete and up to date coverage of assassinations of key figures throughout history and around the world Effecting the death of a political figure a leader of a nation or a public figure usually captures people's attention But how often is assassination effective to achieve the larger objective beyond the death of the targeted individual Famous Assassinations in World History An Encyclopedia offers more than 200 entries on assassinations of all kinds that will allow readers to grasp the often complex motivating factors behind each event and better understand historical and contemporary social unrest Each entry identifies the assassination target and summarizes that person's significance discusses the person's assassination including the factors that led up to it and its political and cultural contexts and explains the powerful effects of the assassination in world history The encyclopedia also includes various sidebars that spotlight relevant individuals groups and movements and present intriguing factoids such as the final disposition of notorious assassins weapons and various films and novels that were inspired by famous assassinations In addition 23 primary source documents provide accounts of assassinations throughout world history **Famous**

Assassinations of History, 1882 Political Assassinations by Jews Nachman Ben-Yehuda, 2012-02-01 Ben Yehuda presents an in depth inquiry into the nature and patterns of political assassinations and executions by Jews in Palestine and Israel Extensive empirical evidence is used to analyze the social construction of violent and aggressive human behavior using a sociology of deviance perspective Political assassinations and executions are placed within their particular cultural matrix to describe how this specific form of killing has been conceptualized as part of an alternative system of justice The taking of a human life is generally regarded as the ultimate evil Given this fact it is important to examine and understand how it is explained justified and cloaked in a vocabulary of motives Such acts are in the author's words socially constructed and interpreted dependent on the observer's location in a specific symbolic moral universe Moreover such acts political assassination specifically are manifestations of struggles that represent attempts to legitimate these world views rhetorical devices that serve to define boundary markers between such universes moral crusades that attempt to validate one view vis a vis another This general approach to political assassinations is original Its application to assassinations by Israelis is original The fact that the book is empirical marks it off from many speculations on the subject A number of the author's findings make a distinct contribution **Political Murder** Franklin L. Ford, 1985 Ford's exploration of calculated personalized

assassination draws on history literature law philosophy sociology and religion Addressing the vast array of cases and combing thousands of years of history he asks most of all whether assassination works **The Assassin's Wife** Albert Corne, 2019-03-26 In the 1960s Casey Lancon a former New Orleans policewoman and now a successful detective in Lafayette Louisiana is retained to investigate a recent murder in Baton Rouge while Bobby her husband and a history

professor at the local university has befriended Rose Derouselle Chauvin the wife of the man accused of assassinating a prominent politician in the halls of the state capitol during the turbulent 1930s When Rose asks Casey if she would look into the assassination as well Casey tells her she ll do if and when she has the time but quickly discovers that the two murders are in fact closely tied to each other and assisted by close friends associates and even strangers Casey begins to unravel inconsistencies in the historical account while dealing with fantasy and madness as well as intentional misdirection and occasional outright lies much of it provided by Rose herself Forced by obligations to abandon their cottage in the university section as well as cherished visits to their houseboat in the great Atchafalaya Basin Casey begins doggedly investigating both murders and despite Rose s incessant interference and manipulation Casey manages to forge a strong and cherished friendship with the woman known to history as the assassin s wife The characters closely reflect the mixed French heritage of south Louisiana the area now known as Acadiana Bobby Lancon Jean Claude Bourgeois and Jimmy Melancon Cajun swampers Casey Lancon Amos Allen and Gerri Breau transplanted Cajun detectives Tre Bobby and Casey s Cajun son and Susan DeVillier Rose Chauvin and Joey Davenport descendants of French aristocrats who fled the French Revolution and the Reign of Terror and settled in Louisiana House Documents, Otherwise Publ. as Executive Documents United States.
