also consider the development of a British art cinema in the work of Derek Jarman and Peter Greenaway and the beginnings of an independent sector fostered by the BFI Production Board and producers like Don Boyd A host of highly individual directors managed to produce interesting and cinematically innovative work against the odds from Nicolas Roeg to Ken Russell to Mike Hodges As well as providing a historical and cinematic context for understanding Seventies cinema the volume also features chapters addressing Hammer horror the Carry On films Bond films of the Roger Moore period Jubilee and other films that responded to Punk rock heritage cinema and case studies of key seventies films such as The Wicker Man and Straw Dogs In all the book provides the final missing piece in the rediscovery of British cinema s complex and protean history Contributors Ruth Barton James Chapman Ian Conrich Wheeler Winston Dixon Christophe Dupin Steve Gerrard Sheldon Hall I Q Hunter James Leggott Claire Monk Paul Newland Dan North Robert Shail Justin Smith and Sarah Street

**Quiz on Fictional Characters , Agatha Christie** Laura Thompson,2020-04-30 Laura Thompson s outstanding biography is a pretty much perfect capturing of a life Kate Mosse It has been 100 years since Agatha Christie wrote her first novel and created the formidable Hercule Poirot In this biography Laura Thompson describes the Edwardian world in which she grew up explores the relationships she had including those with her two husbands and daughter and investigates the mysteries still surrounding Christie s life including her disappearance in 1926 Agatha Christie is a mystery and writing about her is a detection job in itself But with access to all of Christie s letters papers and writing notebooks as well as interviews with her grandson daughter son in law and their living relations Thompson is able to unravel not only the detailed workings of Christie s detective fiction but the truth behind her private life as well First published in 2007 as Agatha Christie An English Mystery this is a fully updated edition with a new introduction by the author **Historical Dictionary of Crime**

**Films** Geoff Mayer,2012-09-13 The crime film genre consists of detective films gangster films suspense thrillers film noir and caper films and is produced throughout the world Crime film was there at the birth of cinema and it has accompanied cinema over more than a century of history passing from silent films to talkies from black and white to color The genre includes such classics as The Maltese Falcon The Godfather Gaslight The French Connection and Serpico as well as more recent successes like Seven Days and L A Confidential The Historical Dictionary of Crime Films covers the history of this genre through a chronology an introductory essay and an extensive bibliography The dictionary section has over 300 cross referenced entries on key films directors performers and studios This book is an excellent access point for students researchers and anyone wanting to know more about crime cinema **Sixties British Cinema** Robert Murphy,2019-07-25 British films of the 1960s

are undervalued Their search for realism has often been dismissed as drabness and their more frivolous efforts can now appear just empty headed Robert Murphy s Sixties British Cinema is the first study to challenge this view He shows that the realist tradition of the late 50s and early 60s was anything but dreary and depressing and gave birth to a clutch of films remarkable for their confidence and vitality Saturday Night and Sunday Morning A Kind of Loving and A Taste of Honey are

only the better known titles Sixties British Cinema revalues key genres of the period horror crime and comedy and takes a fresh look at the swinging London films finding disturbing undertones that reflect the cultural changes of the decade Now that our cinematic past is constantly recycled on television Murphy's informative engaging and perceptive review of these films and their cultural and industrial context offers an invaluable guide to this neglected era of British cinema **Forever**

**England** Alison Light,2013-08-21 Most studies of the interwar years have focussed upon literary elites rendering that past and its literature in almost exclusively male terms In *Forever England* Alison Light argues that we cannot make sense of Englishness in the period or understand the changes within literary culture unless we recognise the extent to which the female population represented the nation between the wars From the traumatic aftermath of the First World War *Forever England* traces the making of a conservative national temperament which could be defensive and protective yet modernising in outlook In a series of literary analyses the author suggests some of the tones and accents of this new version of Englishness in particular she looks at new kinds of readership and fiction at the historical and emotional significance of the whodunit the burgeoning of historical romance and the creation of a middlebrow culture in the period *Forever England* evokes a powerful sense of period and of the pleasures of reading providing an intimate picture of interwar life from inside the English middle classes As a feminist inquiry it argues from a different kind of social and political history one which makes connections between the interior structures of private life and their more public national forms Controversially it also urges that feminism deal with conservative as well as radical desires and their place in women's lives *British Movie*

*Entertainments on Vhs and DVD: A Classic Movie Fan's Guide* John Howard Reid,2010-11 Unlike their American colleagues British suppliers were extremely slow to release their country's superb libraries of classic films for movie fans to purchase on either VHS tapes or DVD discs In 2004 little over 100 titles were available But now there are around 700 with promises of many more to come This book details some of the best Over 400 movies in all are described in either minute detail or in summary form The quality or lack of quality in the DVD transfer is fearlessly indicated The author's emphasis is on movies made before 1970 especially those with popular stars such as Glynis Johns Gracie Fields George Formby Margaret Lockwood Arthur Askey Anna Neagle James Mason Patricia Roc Stewart Granger Vivien Leigh Laurence Olivier Will Hay Tommy Trinder Alec Guinness Michael Wilding Peter Finch Christopher Lee Peter Sellers David Niven Kenneth More Kay Kendall John Gregson etc Watching the Detectives Ian F. A. Bell,Graham Daldry,1990-06-18 In this collection of essays a number of critics offer commentary on the crime fiction genre exploring the kinds of pleasure it offers Looking under the attractive surface of these books the contributors discover a number of complex issues Adapting Detective Fiction Neil

McCaw,2011-01-20 **MGM** Tino Balio,2018-03-14 The winner of the 2019 Peter C Rollins Book Award This is the first comprehensive history of MGM from its origins in 1905 to the present Following a straightforward chronology corresponding to specific periods of film industry history each chapter describes how successive managements adjusted their production

strategies and business practices in response to evolving industrial and market conditions As the production subsidiary of the Loew s Inc theatre chain MGM spent lavishly on its pictures and injected them with plenty of star power The practice helped sustain MGM s preeminent position during the heyday of Hollywood But MGM was a conservative company and watched as other studios innovated with sound and widescreen adjusted to television and welcomed independent producers By the 1960s the company sans its theatre chain was in decline and was ripe for a takeover A defining moment occurred in 1969 when Kirk Kerkorian a Las Vegas entrepreneur made a successful bid for the company There followed a tumultuous thirty six year period when Kerkorian bought and sold MGM three times Meanwhile MGM never regained its former status and has functioned as a second tier company to this day Focusing on MGM s top talent such as Louis B Mayer Irving Thalberg David O Selznick and Arthur Freed directors King Vidor and Vincente Minnelli and stars of the screen Greta Garbo Judy Garland Clark Gable and Mickey Rooney and award winning films this book highlights the studio s artistic achievements and status within the industry
