Whisky Wars, Riots and Murder Malcolm Archibald,2013-09-12 Although the nineteenth century elite looked on the Highlands and Islands as a sporting paradise for the indigenous population it was a turbulent place Rather than a rural idyll the glens and moors were home to poachers and whisky smugglers while the towns were always ready to explode into riot and disorder Even the Hebridean seas had their dangers while the islands seethed with discontent Whisky Wars Riots and Murder reveals the reality behind the facade of romantic tartan and vast estates Augmenting the usual quota of petty thefts and assaults the Highlands had a coastal town where riots were endemic an island rocked by a triple murder a mob besieging the jail at Dornoch and religious troubles in the Black Isle Add the charming thief who targeted tourist hotels and an Exciseman who was hanged for forgery and the hidden history of the Highlands is unearthed in all its unique detail

The Goatfell Murder The Goatfell Murder,2020-08-30 The 15th July 1889 was a busy day on the Isle of Arran as it was Fair Monday A number of visitors opted to climb Goatfell though many were put off by the cloud lingering on the summit It seemed a day like any other but that evening there would be an tragic event which would lead to one of the biggest man hunts in Scottish criminal history as well as a sensational murder trial Two of the people who set out to climb the mountain that afternoon were John Watson Laurie a 28 year old pattern maker from Coatbridge and Edwin Robert Rose a 32 year old clerk from London They had met three days previously on the excursion steamer Ivanhoe Rose s battered body the face terribly mangled was found three weeks later concealed under a boulder on a remote part of the mountain The discovery sparked a huge search for Laurie who was

subsequently arrested for Rose's murder after two months on the run. When captured he attempted suicide with a cut-throat razor then stated I robbed the man but I did not murder him. This is the story of the Goatfell tragedy and its aftermath described by the Glasgow Herald as the most remarkable tale of crime and retribution in the annals of Scottish judicial history. **Murder on an Irish Farm** Carlene O'Connor, 2023-01-24 In USA Today bestselling author Carlene O'Connor's eighth Irish Village Mystery the long engaged garda of County Cork Ireland Siobhán O'Sullivan and Macdara Flannery are about to get married at last. But just as the rowdy O'Sullivan brood and all the regulars of the local bistro have gathered at the church the nuptials come to an abrupt halt when the discovery of an unidentified skeleton puts the wedding on pause. The entire O'Sullivan brood not to mention the regulars from Naomi's Bistro have gathered at St Mary's Church for the wedding of Siobhán and Macdara. Only Siobhán's brother James is missing. They can't start without him. But when James finally comes racing in he's covered in dirt and babbling about a human skeleton in the old slurry pit at the farmhouse. Duty calls so the engaged garda decide to put the wedding on hold to investigate. James leads them to a skeleton clothed in rags that resemble a tattered tuxedo. Might this be the groom who never showed up to his wedding day fifty years ago? The garda have a cold case on their hands which heats up when a fresh corpse soon appears on top of the bridegroom's bones. With a killer at large they'll need to watch their backs or the nearly wedded couple may be parted by death before they've even taken their vows.

MURDER IN THE ROSE GARDEN Elliott Roosevelt, 1989 **Mama Rose's Turn** Carolyn Quinn, 2013-10-11 Hers is the show business saga you think you already know but you ain't seen nothin' yet. Rose Thompson Hovick mother of June Havoc and Gypsy Rose Lee went down in theatrical history as The Stage Mother from Hell after her immortalization on Broadway in *Gypsy: A Musical Fable*. Yet the musical was 75 percent fictionalized by playwright Arthur Laurents and condensed for the stage. Rose's full story is even more striking. Born fearless on the North Dakota prairie in 1891 Rose Thompson had a kind father and a gallivanting mother who sold lacy finery to prostitutes. She became an unhappy teenage bride whose marriage yielded two entrancing daughters Louise and June. When June was discovered to be a child prodigy in ballet capable of dancing en pointe by the age of three Rose without benefit of any theatrical training set out to create onstage opportunities for her magical baby girl and succeeded. Rose followed her own star and created two more in dramatic and colorful style. Baby June became a child headliner in vaudeville and Louise grew up to be the well-known burlesque star Gypsy Rose Lee. The rest of Mama Rose's remarkable story included love affairs with both men and women, the operation of a lesbian pick-up joint where she sold homemade bathtub gin, wild attempts to extort money from Gypsy and June, two stints as a chicken farmer and three allegations of cold-blooded murder, all of which was deemed unfit for the script of *Gypsy*. Here at last is the rollicking wild saga that never made it to the stage. **The Murder Notebooks: Dead Time** Anne Cassidy, 2012-05-22 The first in a chilling new mystery series from international bestselling author Anne Cassidy **Brooklyn Daily Eagle Almanac**, 1913 **Annual Report** Massachusetts Board of Prison Commissioners, 1914 Mystery Women, Volume Three (Revised)

Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of *Mystery Women* as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 **Death in the Spotlight** Robin Stevens,2024-04-23

When one of the cast members at the Rue is found dead Hazel Wong and Daisy Wells must work quickly amidst drama and jealousy to stop a killer from taking center stage **The Northwestern Reporter** ,1891 **Women Criminals** Vickie Jensen,2011-11-10 A unique two volume study that examines female crime and the women who commit it The two volume *Women Criminals An Encyclopedia of People and Issues* addresses both key topics and key figures in women s crime The first volume provides topical essays about areas critical to the understanding of female criminals such as the definition of women s crime explanations of women s criminality ethnic and age diversity in female criminals and responses of the criminal justice system The second volume comprises biographical entries profiling women who are obviously criminals such as Aileen Wuornos and Myra Hindley and also women who were victims of circumstance unjust laws or narrowly applied definitions of crime such as Rosa Parks Harriet Tubman and Sophie Scholl In addition to highlighting the breadth of women s criminality these portraits provide a holistic multifaceted understanding of the dynamics of women s crime and why it occurs connecting the individual stories to the larger social scientific perspectives Care has been taken to include the women s own voices and perspectives where possible and to address the intentions and reasoning of the system that responded to their criminality
