The Murder at the Vicarage Agatha Christie, 2009-03-17 The Murder at the Vicarage is Agatha Christie's first mystery to feature the beloved investigator Miss Marple as a dead body in a clergyman s study proves to the indomitable sleuth that no place holy or otherwise is a sanctuary from homicide Miss Marple encounters a compelling murder mystery in the sleepy little village of St Mary Mead where under the seemingly peaceful exterior of an English country village lurks intrigue guilt deception and death Colonel Protheroe local magistrate and overbearing land owner is the most detested man in the village Everyone even in the vicar wishes he were dead And very soon he is shot in the head in the vicar s own study Faced with a surfeit of suspects only the inscrutable Miss Marple can unravel the tangled web of clues that will lead to the unmasking of Murder at the Vicarage Agatha Christie, 2000-09 St Mary Mead a peaceful village where nothing ever happens livens up considerably when the unpopular magistrate Colonel Protheroe is found dead and Miss Marple discovers that a number of people wanted him dead The Murder at the Vicarage Agatha Christie, 1963 The Murder at the Vicarage Agatha Christie, 2026-01-06 The famous novel in which the Queen of Crime introduced one of her most beloved characters the indomitable Miss Marple St Mary Mead appears to be a typically quaint English country village but many dark secrets lurk under its placid surface and its most unobtrusive resident the elderly Miss Jane Marple is equally easy to underestimate When Colonel Protheroe the exceedingly disagreeable local magistrate is found shot to death in the vicar s study the police are confounded Nearly everyone in the village had good reason to wish the man dead witness accounts conflict and two contradictory confessions further muddy the waters Suspects abound including an archaeologist on a local dig a young visiting artist an unhappy wife a local poacher and a mysterious woman just arrived in town and of course the vicar himself But the vicar's observant neighbor Miss Marple notices far more than most An adept and shrewd student of human nature she is the only one clever enough to untangle the clues and solve the mystery The Murder at the Vicarage Agatha Christie, 2002 Anyone who murdered Colonel Protheroe declared the parson would be doing the world at large a service It was a careless remark for a man of the cloth and one which was to come back and haunt the clergyman just a few hours later The Murder at the Vicarage Agatha Christie, 2026 A furtive and bizarre murder in the vicarage of the quaint English town of St Mary Mead has the authorities baffled The victim is the disagreeable Colonel Protheroe who is universally disliked Anyone who murdered Colonel Protheroe declares the the vicar in whose study the colonel is found dead would be doing the world at large a favour Many others in the village have said that they would like to see the colonel dead but a number of people have a more specific interest in his death the colonel s young wife Anne her lover the artist Lawrence Redding Archer a local man given a harsh sentence by the colonel for poaching Even the colonel's daughter Lettice desperate for money says If only father would be decent and die I d be all right These complexities lead to any number of dead ends for local investigators. The only one able to see through the many blinds and obscurities is Miss Marple an elderly but sharp eyed

spinster In this the first of sixteen Miss Marple novels and numerous short stories Agatha Christie takes us through a maze of false leads and erroneous suppositions before the mystery is solved Miss Jane Marple was introduced in a series of short stories that began publication in December 1927 and subsequently collected under the title The Thirteen Problems The Murder at the Vicarage first published in 1930 is one of Christie's most popular books displaying her genius as a master and innovator of the mystery genre Christie's books have sold a billion copies in English and another billion in translations She has been ranked as the most translated of all individual authors Her play The Mouse Trap has been performed almost continuously in London's West End since 1952 Agatha Christie was born in Devonshire England in 1890 to an upper middle class family Married twice she had one daughter For her achievements as a novelist in 1971 she was made Dame Commander of the Order of the British Empire DBE She died in 1976 Murder at the Vicarage Agatha Christie, 2000 Colonel Protheroe St Mary Mead s most loathed magistrate has been found shot through the head It isn t his murder that raises eyebrows but rather the scandalous secrets it exposes which send Miss Marple on the trail of a killer with something Agatha Christie's Murder at the Vicarage Moie Charles, Barbara Toy, 1950 When the Parson declares to hide Reissue rather carelessly Anyone who murdered Colonel Prothero would be doing the world at large a service he does not realise his words will come back to haunt him From several potential murderers Miss Marple must find the real killer at the Vicarage Agatha Christie, 1993-01-01 The mystery that introduced Miss Jane Marple to the world Almost everyone in St Mary Mead hated Colonel Protheroe so his murder doesn t come as a surprise There s an embarrassing numbers of suspects from the unfaithful Mrs Protheroe and her lover to the vicar and his young wife But Miss Jane Marple has a bold plan to catch the killer and shocks the police by succeeding Agatha Christie's Murder at the Vicarage Moie Charles, 1950
