#### Murder At Yaquina Head:

Murder at Yaquina Head Ronald P. Lovell, 2002 A journalism professor investigates a murder at Yaquina Head Lighthouse Murder at Yaquina Head Ron Lovell, 2006 Thomas Martindale a journalism professor is enjoying the first day of his summer vacation on the Oregon coast He has brought with him the active curiosity and investigative abilities that often get him into situations most people would ignore When he is invited to brunch at the home of an old friend she confides that someone may be trying to kill her The next night that fear is realized when Tom finds her body at a nearby lighthouse Tom immediately sets out to find her killer using clues from a manuscript his friend gave him for review Have the incidents during World War II described in the manuscript caused her death Did they reveal secrets about someone someone who feared their consequences if they were revealed As he has in the past Tom seeks help from his former lover a State Police officer She has gotten him out of many tight spots in the past But his determination to solve the murder puts him in great danger from unexpected sources especially when he is finally confronted on a suspension bridge high above the swirling waters of Murder at Yaquina Head Ron Lovell, 2020-07-10 Shocking secrets within the unpublished WWII memoir of Yaquina Bay a murdered professor sets Thomas Martindale on the trail of a killer Will he be next Oregon University Journalism professor and amateur sleuth Thomas Martindale is enjoying a summer vacation on the tranguil Oregon coast During a brunch at the home of elderly friend Simone Godard he happily agrees to read her unpublished memoir But when she reveals her fears that someone is trying to kill her Tom is pulled into a tale of deceit that spans back to World War II The following day Simone s fears are realized when Tom discovers her body at Yaquina Head lighthouse Determined to unmask her killer Tom looks for clues in her manuscript which details Simone s participation in the French Resistance movement along with far more shocking secrets As the truth unravels Martindale finds himself above the swirling waters of Yaguina Bay face to face with those who will do anything to keep the past hidden Murder Below Zero Ron Lovell, Ronald P. Lovell, 2005 In his latest adventure professor and sometime amateur sleuth Thomas Martindale leaves campus to sign on as a science writer for a research expedition to the Arctic for a change of pace from the often mundane world of the university The work is unique an attempt to study ice as a tool for national security Soon after the members of the team board a U S Coast Guard icebreaker for the journey to their base a remote island in the Beaufort Sea Russian scientists join the group with unpleasant consequences The rivalry turns deadly after the icebreaker leaves and people start dying under mysterious circumstances The arrival of an Arab terrorist and a marauding polar bear complicate life on the small island An early freeze traps the men and women of the expedition as a massive ice shield closes in The events oddly parallel a similar and real disaster Martindale is writing about which took place in 1897 Searching for Murder Ron Lovell, Ronald P. Lovell, 2006 As has often happened to Thomas Martindale in the past the routine events of everyday life can suddenly become very complicated Take commencement that most moving and rewarding event of the year on any campus He is enjoying the ceremony as the host of

three candidates to become the new university president when a tragic incident changes everything Or jury duty The chance encounter of a colleague while he is on jury duty leads to the discovery of a nefarious scheme to use illegal immigrants in deadly virus research Or as a member of the committee choosing the new president Is someone trying to kill one of the candidates Added to this is something new for the longtime loner he may have fallen in love **Dead Whales Tell No Tales** Ron Lovell, Ronald P. Lovell, 2006 In Dead Whales Tell No Tales mystery novelist Ron Lovell returns to the locale of his first novel Murder at Yaguina Head the rugged Oregon Coast It is 1987 and college professor Thomas Martindale is teaching a summer writing seminar at the university s marine center A marine biologist dies under bizarre circumstances and his assistant Tom's former lover is arrested for his murder. The death occurs while a conference of the International Whaling Commission is going on at the center In Martindale's mind there are more likely suspects than his friend the Japanese fisheries minister an Eskimo whaling commissioner and several radical environmentalists Tom's investigation uncovers the murdered man's involvement in a drowning at sea of a graduate assistant and his collaboration with the Japanese to alter whale population statistics It also puts him in danger from unknown pursuers who keep following him in his car At the same time a large Gray whale has beached herself near his house adding a unique aura to the events on land Murder, Memoir, Mea Culpa Michael Finkel, 2005-05-24 In the haunting tradition of Joe McGinniss's Fatal Vision and Mikal Gilmore's Shot in the Heart True Story Murder Memoir Mea Culpa weaves a spellbinding tale of murder love and deceit with a deeply personal inquiry into the slippery nature of truth The story begins in February of 2002 when a reporter in Oregon contacts New York Times Magazine writer Michael Finkel with a startling piece of news A young highly intelligent man named Christian Longo on the FBI s Ten Most Wanted list for killing his entire family has recently been captured in Mexico where he d taken on a new identity Michael Finkel of the New York Times The next day on page A 3 of the Times comes another bit of troubling news a note written by the paper's editors explaining that Finkel has falsified parts of an investigative article and has been fired This unlikely confluence sets the stage for a bizarre and intense relationship After Longo s arrest the only journalist the accused murderer will speak with is the real Michael Finkel And as the months until Longo s trial tick away the two men talk for dozens of hours on the telephone meet in the jailhouse visiting room and exchange nearly a thousand pages of handwritten letters With Longo insisting he can prove his innocence Finkel strives to uncover what really happened to Longo s family and his quest becomes less a reporting job than a psychological cat and mouse game sometimes redemptively honest other times slyly manipulative Finkel's pursuit pays off only at the end when Longo after a lifetime of deception finally says what he wouldn t even admit in court the whole true story Or so it seems History of Oregon Charles Henry Carey, 1922 Light List ,1944 The Publishers Weekly ,2003 The Collected
