Murder in Black and White Bob Weir, 2003-01-28 A NYC cop comes across a small suitcase full of hundred dollar bills during a botched drug sting He sees it as his big chance to be somebody and give his family the lifestyle he hasn't been able to provide In order to keep it he must get through the next few days without being tripped up by his fellow officers Using his color as a weapon he enlists the aid of the black officer's association and accuses the department of racism as he attempts to put the blame on his white partner Determined to remove every obstacle between himself and the money he engages in a diabolical plot to keep the authorities at bay as the bodies pile up Using every tactic he's learned as a cop he begins to lose ground as the detectives put the pieces together and close in on him *Books In Print 2004-2005* Ed Bowker Staff, Staff Bowker, Ed, 2004 *Los Angeles Magazine*, 2003-11 Los Angeles magazine is a regional magazine of national stature Our combination of award winning feature writing investigative reporting service journalism and design covers the people lifestyle culture entertainment fashion art and architecture and news that define Southern California Started in the spring of 1961 Los Angeles magazine has been addressing the needs and interests of our region for 48 years The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian **The Apprentice**, 1845 *VideoHound's Golden Movie Retriever* Jim Craddock, 2001-08
